### **ELexicography in the 21st Century : New Challenges, New Applications**

#### **Proceedings of ELex 2009, Louvain-la-Neuve, 22-24 October 2009**

*Presses univ. de Louvain*

The field of lexicography is undergoing a major revolution. The rapid replacement

of the traditional paper dictionary by electronic dictionaries opens up exciting possibilities but also constitutes a major challenge to the field. The eLexicography in the 21st Century: New Challenges, New Applications conference organized by the Centre for English Corpus Linguistics of the Université catholique de Louvain in October 2009 aimed to bring together the many researchers around the world who are working in the fast developing field of electronic lexicography and to act as a showcase for the latest lexicographic developments and software solutions in the field. The conference attracted both academics and industrial partners from 30 different countries who presented electronic dictionary projects dealing with no less than 22 languages. The resulting proceedings volume bears witness to the tremendous vitality and diversity of research in the field. The volume covers a wide range span of topics, including: -the use of language resources for lexicographic purposes, in the form of lexical databases like WordNet or corpora of different types - innovative changes to the dictionary structure afforded by the electronic medium, in particular multiple access routes and efficient integration of phraseology -specialised dictionaries (e.g. SMS dictionaries, sign language dictionaries) -automated customisation of dictionaries in function of users' needs -exploitation of Natural Language Processing tools - integration of electronic dictionaries into language learning and teaching

#### **A Frequency Dictionary of Portuguese** *Routledge*

An invaluable tool for learners of Portuguese, this Frequency Dictionary provides a list of the 5000 most

commonly used words in the language. Based on a twenty-million-word collection of Portuguese (taken from both Portuguese and Brazilian sources), which includes both written and spoken material, this dictionary provides detailed information for each of the 5000 entries, including the English equivalent, a sample sentence, and an indication of register and dialect variation. Users can access the top 5000 words either through the main frequency listing or through an alphabetical index. Throughout the frequency listing there are also thirty thematically-organized 'boxed' lists of the top words from a variety of key topics such as sports, weather, clothing and relations. An engaging and highly useful resource, A Frequency Dictionary of Portuguese will enable students of all levels to get the most out of their study of Portuguese vocabulary.

## **Intermediate Japanese Short Stories**

### **10 Captivating Short Stories to Learn Japanese & Grow Your Vocabulary the Fun Way!**

Are you on your way towards learning Japanese and need a new challenge? We're constantly trying to improve and master new skills, and the Japanese language is no exception. We have created the next level of Japanese stories for the students who have already surpassed the beginner level: Intermediate Japanese Short Stories! In this book we have compiled 10 challenging, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to boost your grasp of the wonderful Japanese tongue. How Intermediate Japanese Short Stories works: Each chapter possesses a funny, interesting

and/or thought-provoking story based on real-life situations, allowing you to learn about the Japanese culture. Having trouble understanding Japanese characters? No problem - despite being Intermediate Japanese, we have still included a romanization to help guide you through your learning process, just like in the beginner stories! The summaries follow the story: a synopsis in Japanese and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. Use them if you're having trouble. At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! Don't get lost trying to understand or pronounce it all, either, as all of the vocabulary words are Romanized for your ease of learning! Finally, you'll be provided with a set of tricky questions in Japanese, allowing you the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while mastering the Japanese tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Intermediate Japanese Short Stories and level up your Japanese language learning right now!

### **The Oxford Handbook of Chinese Linguistics** *Oxford Handbooks*

The Oxford Handbook of Chinese Linguistics offers a broad and comprehensive coverage of the entire field from a multi-disciplinary perspective. All chapters are contributed by leading scholars in their respective areas. This Handbook contains eight sections: history, languages and dialects, language contact, morphology, syntax, phonetics and phonology, socio-cultural aspects and neuro-psychological aspects. It provides not only a diachronic view of how languages evolve, but also a synchronic view of how languages in contact enrich each other by borrowing new words, calquing loan translation and even developing new syntactic structures. It also accompanies traditional linguistic studies of grammar and phonology with empirical evidence from psychology and neurocognitive sciences. In addition to research on the Chinese language and its major dialect groups, this handbook covers studies on sign languages and non-Chinese languages, such as the Austronesian languages spoken in Taiwan.

### **Essential French - Black & White Edition** *CreateSpace*

Black & White Edition This book contains everything you need to be comfortable speaking French. This book concentrates on that which is essential to learn in order to speak another language. It is based on three basic principles of learning a language. These principles make up the three keys of learning a language: 1) Pronunciation, 2) Verb conjugations, grammar and word usage and 3) Vocabulary. First, you must be able to properly pronounce a language to be understood. Second, you need to learn to conjugate the different verb tenses, become familiar with the essential rules of grammar and use words correctly. French grammar, verb conjugations and word usage are thoroughly covered in this book. Third, you need to learn essential vocabulary. As a general guideline, you can get by with a vocabulary of approximately 3,000 words, and you can speak comfortably with a vocabulary of about 6,000 words. The key, though, is to learn the most frequently spoken words. This book concentrates on the most frequently used words in French. First you will be presented with the 3,000 most common words in French. In the Appendix, you will find another 3,000 words, which comprise the next 3,000

most frequently used words in French. This book combines the three basic principles of learning a language to guide you to become comfortable in speaking and understanding French.
