The Essence of Anthropology - 9781305258983 - Cengage

Haviland et al. present anthropology from a holistic, four-field perspective

using three unifying themes to provide a framework for the text: the varied ways human groups face the many challenges of existence, the connections between human culture and human biology, and the disparate impact of globalization on peoples and cultures around the world. Between the superlative writing-which instructors raved about in their reviews-and the strong pedagogical program, the text is designed to help ...
