You probably won't like everything, but it's all worth reading. Price-wise it's great value at £2.39 (at the time of my writing.) There seem to be more modern stories in this collection than in the first one of this series. This is a good thing because in some ways an apocalypse story set in the 1950s is less believable than one set in the 2010s.

Wasteland 2 - Wikipedia

The first edition of Wastelands was a collection of 22 tales premised thinly on hope. The second instalment is arguably about new beginnings because let's face it, the apocalypse changes everything. This one holds 30 tales and, as before, they explore every manner of plague, natural disaster, military mess, terrorist threat and more.
