Self-realization is an expression used in Western psychology, philosophy, and spirituality; and in Indian religions. In the Western understanding it is the "fulfillment by oneself of the possibilities of one's character or personality". In the Indian understanding, self-realization is liberating knowledge of the true Self, either as the permanent undying atman, or as the absence of such a permanent Self.

Symbolic Realization - AbeBooks

The symbolic behavior
perspective argues
that the reality of an
organization is socially
constructed through
communication
(Cheney & Christensen,
2000; Putnam, Phillips,
& Chapman, 1996).
Symbolic messages are
used by individuals to

understand their environment and create a social reality (Faules & Alexander, 1978; Mills, 2002). When faced with uncertainty, individuals

continually organize themselves within their group based reality and respond within that reality (Weick, 1995).
