Establishing this kind

of connection in the woman on top sex position can be incredibly hot, and it gives you the opportunity to communicate with him through facial expressions, dirty talk, or even just a simple smile that reminds you that it's still just you and your man having great sex, with nothing to feel intimidated about.

Master The Woman on Top Sex Position: How to Ride a Guy ...

A top is a partner who prefers to penetrate his partner—as opposed to a bottom, who prefers to be penetrated. Explaining the terms this way, however, is a bit of an oversimplification. These preferences each typically come with preconceived

notions about the types of people who fit each one—but whether these ideas ring true matters only to you and your partner.
