Returning to the hometown where her best friend Hope had been murdered as a girl, Tory Bodeen decides to face down her memories from that awful night and, in doing so, forges a relationship with Hope's older brother Cade Lavelle. Reissue. 150,000 first printing.

Carolina Moon Penguin

#1 New York Times bestselling author Nora Roberts presents a novel of redemption and suspense, as a woman haunted by the unsolved murder of her childhood friend returns to her small South Carolina hometown. . . . Tory Bodeen grew up in a run-down house where her father ruled with an iron fist and a leather belt—and where her dreams and talents had no room to flourish. Her one escape was her neighbor Hope, who lived in the big house just a short skip away, and whose friendship allowed Tory to be something she wasn’t allowed to be at home: a child. Then Hope was brutally murdered, and everything fell apart. Now, as she returns to Progress with plans to settle in and open a stylish home-design shop, Tory is determined to find a measure of peace and free herself from the haunting visions of the past. As she forges a new bond with Cade Lavelle—Hope’s older brother and the heir to the family fortune—she isn’t sure whether the tragic loss they share will unite them or drive them apart. But she is willing to open her heart, just a little, and try. But living so close to those unhappy memories will be more difficult and frightening than Tory could ever have expected. Because Hope’s murderer is nearby as well. . . . “Roberts may have achieved her personal best in this tense Southern Gothic. As atmospheric and unsettling as a Tennessee Williams play. . . . This is romantic drama at its best.”—Publishers Weekly (starred review)

Genuine Lies

A Novel Bantam

New York Times bestselling author Nora Roberts weaves scandal, celebrity secrets, and murder into an explosive novel of Hollywood almost too wicked not to be true: the story of a legendary actress who knows too much—and the woman she’s chosen to reveal it all. . . . Eve Benedict is the kind of subject who could make any biographer’s career. Last of the movie goddesses, she has two Oscars, four ex-husbands, and a legion of lovers, both famous and infamous. Now she is ready to write a tell-all memoir that has even Hollywood’s richest and most powerful worried. Julia Summers never dreamed of being chosen to tell Eve’s story. But even if it means transplanting herself and her ten-year-old son from their quiet life in Connecticut to the withering limelight of Beverly Hills, it’s an opportunity too great to pass up. But Julia never imagined how far someone would go to keep Eve Benedict’s book from being published . . . until she discovers just how dark Eve’s secrets are. And the one man Julia hopes she can trust—Eve’s stepson, Paul Winthrop—may have the most to gain if his stepmother’s story is never told . . . and if Julia’s life ends before she can write a word of the truth. “Roberts does a beautiful job weaving together the movie star’s titillating tales and the love

An ancient evil has wound its way around Iona's family tree and must be defeated. Family and friends will fight with each other and for each other to keep the promise of hope—and love—alive...
