Estate planning books often fall into two categories: Those that are overwhelming and full of jargon, focusing on strategies to avoid taxes, or those that provide a general overview of wills, trusts, and estate planning tools and issues at a basic level. Every Californian's Guide to Estate Planning is different: It focuses on estate planning issues that are unique to people who call California home.

Author Liza Hanks. My new book, Every Californian's Guide to Estate Planning is available now and I'm excited to share it with all of you. I wrote it because there isn't a California-specific estate planning book out there, and we, as Californians, have some special things to deal with. In addition to an introduction to wills and trusts, what probate is and how to avoid it, and how to pick guardians for your minor children, this book also discusses these California-specific issues (and ...
