Kitchens have conventionally been used to prepare family meals, store food and organise utensils and crockery. These rooms have become a multi-functional area used for socialising and entertaining becoming the central room in a home. For this reason, kitchens need to be a stylish, comfortable, and functional place that simplifies the stress of everyday life. Furniture plays a key role in the ...

Kitchens | UK's No. 1 Trade Kitchen Supplier | Howdens

Flour is an iconic kitchen staple. Even the least prolific cooks most likely have a bag tucked away somewhere, as it is the comforting starting point of so much cooking. Yet the acres of wheat crops that dominate parts of the world have without question contributed to some of the environmental destruction we have witnessed globally in the past decades. Vast monocultures of a single arable ...
