Last Train to Babylon (2016) - IMDb

Last Train to Babylon was one of the worst books I've read in a while. I usually reserve one star reviews for books that I can't bear to finish, but this one I actually did make it through, and I regret it. The main character is so appallingly unlikeable that it's hard to get through it.

Fans of Alice Sebold and John Green will be transfixed by this sophisticated, edgy debut novel packing dark humor, biting wit, and a lot of Jack Daniels. Who put the word fun in funeral? I can't think of anything fun about Rachel's funeral, except for the fact that she won't be there. Aubrey Glas

Last Train to Babylon | Bookreporter.com

I received Last Train to Babylon as part of the Early Reviewers program. I'm not sure if it is because of my age or something else, but this story did not work for me. I found the overall structure of the book reminded me of a YA novel and the writing did as well.
