This is very different from what happens during group time, when we tend to read books. Researchers Susan Neuman and Kathleen Roskos found that classrooms rich in functional print inspired more literacy-focused dramatic play, which resulted in children with greater literacy competencies. Dramatic play allows children to recognize that different tasks require different texts. By regularly and systematically incorporating literacy props into dramatic play, you help children realize that ...

What Is Dramatic Play and How Does It Support Literacy ...

Building on Piaget, Roskos and Christie (2004) believe that as children engage in play, they are using their memories to assist to connect their play to pre-literacy skills such as naming and symbolic thought. Children recall their past play experiences and create new meanings each time they play. (as cited in Tsao, 2008, p.518).
