The Name of the Star Penguin

Rory, of Bâenouville, Louisiana, is spending a year at a London boarding school when she witnesses a murder by a Jack the Ripper copycat and becomes involved with the very unusual investigation.

The Year We Fell Apart *Simon and Schuster*

In the tradition of Sarah Dessen, this powerful debut novel is a compelling portrait of a young girl coping with her mother's cancer as she figures out how to learn from—and fix—her past mistakes. Few things come as naturally to Harper as epic mistakes. In the past year she was kicked off the swim team, earned a reputation as Carson High's easiest hook-up, and officially became the black sheep of her family. But her worst mistake was destroying her relationship with her best friend, Declan. Now, after two semesters of silence, Declan is home from boarding school for the summer. Everything about him is different—he's taller, stronger... more handsome. Harper has changed, too, especially in the wake of her mom's cancer diagnosis. While Declan wants nothing to do with Harper, he's still Declan, her Declan, and the only person she wants to talk to about what's really going on. But he's also the one person she's lost the right to seek comfort from. As their mutual friends and shared histories draw them together again, Harper and Declan must decide which parts of their past are still salvageable and which parts they'll have to let go of once and for all. In this honest and affecting tale of friendship and first love, Emily Martin brings to vivid life the trials and struggles of high school and the

ability to learn from past mistakes over the course of one steamy North Carolina summer.

Interference

Scholastic Inc.

As a Congressman's daughter in Washington, D.C., Kate Hamilton is good at getting what she wants -- what some people might call "interfering." But when her family moves to West Texas so her dad can run in a special election, Kate encounters some difficulties that test all her political skills. None of her matchmaking efforts go according to plan. Her father's campaign gets off to a rough start. A pro tip for moving to Texas: Don't slam the star quarterback's hand in a door. And whenever

Kate messes up, the irritatingly right (and handsome) Hunter Price is there to witness it. But Kate has determination and a good heart, and with all her political savvy -- and a little clever interference -- she'll figure out what it takes to make Red Dirt home. Terrifically funny and sweetly romantic, with whip-crack dialogue and a wise perspective on growing up, *Interference* is the perfect next read for fans of Jenny Han, Huntley Fitzpatrick, Elizabeth Eulberg, or Sarah Dessen.

The Summer of Skinny Dipping *Sourcebooks, Inc.*

There Are Some Summers You'll Always Remember Sometimes I wake up shivering in

the early hours of the morning, drowning in dreams of being out there in the ocean that summer, of looking up at the moon and feeling as invisible and free as a fish. But I'm jumping ahead, and to tell the story right I have to go back to the beginning. To a place called Indigo Beach. To a boy with pale skin that glowed against the dark waves. To the start of something neither of us could have predicted, and which would mark us forever, making everything that came after and before seem like it belonged to another life. My name is Mia Gordon: I was sixteen years old, and I remember everything.

Isla Emerged

Worse, to become a mermaid queen, she must marry. It is the only way to protect her kingdom. Forcibly betrothed to her childhood friend and father's fiercest warrior, Isla is desperate for an escape--no matter the cost. But until she marries, her father is filled with a power his body cannot handle, and his control is steadily slipping. After an explosive fight with her father, Isla flees to the surface, only to find herself in the middle of a violent storm with two choices: swim to safety

or save the human man she sees drowning in the tumultuous waves. Her decision will change her life, as well as her kingdom, forever. A story inspired by "The Little Mermaid" like you've never seen before.

Texting the Underworld *Penguin*

Perpetual scaredy-cat Conor O'Neill has the fright of his life when a banshee girl named Ashling shows up in his bedroom. Ashling is--as all banshees are--a harbinger of death, but she's new at this banshee business, and first she insists on going to middle school. As Conor attempts to hide her identity from his teachers, he realizes he's going to have to pay a visit to the underworld if he wants to keep his

family safe. "Got your cell?" "Yeah Don't see what good it'll do me." "I'll text you if anything happens that you should know." "Text me? Javier, we'll be in the afterlife." "You never know. Maybe they get a signal." Discover why Kirkus has called Booraem's work "utterly original American fantasy . . . frequently hysterical." This totally fresh take on the afterlife combines the kid next door appeal of Percy Jackson with the snark of Artemis Fowl and the heart of a true middle grade classic.
