It Ends with Us *Pocket Books*

In this “brave and heartbreaking novel that digs its claws into you and doesn’t let go, long after you’ve finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can’t stop thinking about her first love. Lily hasn’t always had it easy, but that’s never stopped her from working hard for the life she wants. She’s come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily’s life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He’s also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn’t hurt. Lily can’t get him out of her head. But Ryle’s complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can’t help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector.

When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

It Starts with Us *Simon and Schuster*

Before *It Ends with Us*, it started with *Atlas*. Colleen Hoover tells fan favorite *Atlas*’s side of the story and shares what comes next in this long-anticipated sequel to the “glorious and touching” (USA TODAY) #1 New York Times bestseller *It Ends with Us*. Lily and her ex-husband, Ryle, have just settled into a civil coparenting rhythm when she suddenly bumps into her first love, *Atlas*, again. After nearly two years separated, she is elated that for once, time is on their side, and she immediately says yes when *Atlas* asks her on a date. But her excitement is quickly hampered by the knowledge that, though they are no longer married, Ryle is still very much a part of her life—and *Atlas Corrigan* is the one man he will hate being in his ex-wife and daughter’s life. Switching between the perspectives of Lily and *Atlas*, *It Starts with Us* picks up right where the epilogue for the “gripping, pulse-pounding” (Sarah Pekkanen, author of *Perfect Neighbors*) bestselling phenomenon *It Ends with Us* left off. Revealing more about *Atlas*’s past and following Lily as she embraces a second chance at true love while navigating a jealous ex-husband, it proves that “no one delivers an emotional read like Colleen Hoover” (Anna Todd, New York Times bestselling author).

The Perfect Neighbors *Simon and Schuster*

“The page-turning new novel from the

internationally bestselling author known for her "conversational writing style and a knack for making readers care about her characters" (The Washington Post) takes us into the homes of an idyllic suburban neighborhood where we discover the burning secrets hiding just below the surface. Bucolic Newport Cove, where spontaneous block parties occur on balmy nights and all of the streets are named for flowers, is proud of its distinction of being named one the top twenty safest neighborhoods in the US. It's also one of the most secret-filled. Kellie Scott has just returned to work after a decade of being a stay-at-home mom. She's adjusting to high heels, scrambling to cook dinner for her family after a day at the office--and soaking in the dangerous attention of a very handsome, very married male colleague. Kellie's neighbor Susan Barrett begins every day with fresh resolutions: she won't eat any carbs, she'll go to bed at a reasonable hour, and she'll stop stalking her ex-husband and his new girlfriend. Gigi Kennedy seems to have it all together--except her teenage daughter has turned into a hostile stranger and her husband is running for Congress, which means her old skeletons are in danger of being brought into the light. Then a new family moves to this quiet, tree-lined cul-de-sac. Tessa Campbell seems friendly enough to the other mothers, if a bit reserved. Then the neighbors notice that no one is ever invited to Tessa's house. And soon, it becomes clear that Tessa is hiding the biggest secret of all"--

Without Merit *Simon and Schuster*

From Colleen Hoover, the #1 New York Times bestselling author of *It Ends With Us*, comes a moving and haunting novel of family, love, and the power of the truth. Not every mistake deserves a consequence. Sometimes the only thing it deserves is forgiveness. The Voss family is anything but normal. They live in a repurposed church, newly baptized Dollar Voss. The once cancer-stricken mother lives in the basement, the father is married to the mother's former nurse, the little half-brother isn't allowed to do or eat anything fun, and the eldest siblings are irritatingly perfect. Then, there's Merit. Merit Voss collects trophies she hasn't earned and secrets her family forces her to keep. While browsing the local antiques shop for her next trophy, she finds Sagan. His wit and unapologetic idealism disarm and spark renewed life into her—until she discovers that he's completely unavailable. Merit retreats deeper into herself, watching her family from the sidelines, when she learns a secret that no trophy in the world can fix. Fed up with the lies, Merit decides to shatter the happy family illusion that she's never been a part of before leaving them behind for good. When her escape plan fails, Merit is forced to deal with the staggering consequences of telling the truth and losing the one boy she loves. Poignant and powerful, *Without Merit* explores the layers of lies that tie a family together and the power of love and truth.

Good Neighbors *Atria Books*

"A modern-day *Crucible*....Beneath the surface of a suburban utopia, madness lurks." —Liv Constantine, bestselling author of *The Last Mrs. Parrish* "Sarah Langan is a phenomenal talent with a wicked sense of wry humor. *Good Neighbors* knocked me out. Like Shirley Jackson, Langan's work blends a bleak streak with an underlying sense of the humane that wrung my heart." —Victor LaValle, author of *The Changeling* Celeste Ng's enthralling dissection of suburbia meets Shirley Jackson's creeping dread in this propulsive literary noir, when a sudden tragedy exposes the depths of deception and damage in a Long Island suburb—pitting neighbor against neighbor and putting one family in terrible danger. Welcome to Maple Street, a picture-perfect slice of

suburban Long Island, its residents bound by their children, their work, and their illusion of safety in a rapidly changing world. Arlo Wilde, a gruff has-been rock star who's got nothing to show for his fame but track marks, is always two steps behind the other dads. His wife, beautiful ex-pageant queen Gertie, feels socially ostracized and adrift. Spunky preteen Julie curses like a sailor and her kid brother Larry is called "Robot Boy" by the kids on the block. Their next-door neighbor and Maple Street's Queen Bee, Rhea Schroeder—a lonely community college professor repressing her own dark past—welcomes Gertie and family into the fold. Then, during one spritzer-fueled summer evening, the new best friends share too much, too soon. As tensions mount, a sinkhole opens in a nearby park, and Rhea's daughter Shelly falls inside. The search for Shelly brings a shocking accusation against the Wildes that spins out of control. Suddenly, it is one mom's word against the other's in a court of public opinion that can end only in blood. A riveting and ruthless portrayal of American suburbia, *Good Neighbors* excavates the perils and betrayals of motherhood and friendships and the dangerous clash between social hierarchy, childhood trauma, and fear.

All Your Perfects *Simon and Schuster*

INSTANT NEW YORK TIMES BESTSELLER The #1 New York Times bestselling author of *It Ends with Us*—whose writing is "emotionally wrenching and utterly original" (Sara Shepard, New York Times bestselling author of the *Pretty Little Liars* series)—delivers a tour de force novel about a troubled marriage and the one old forgotten promise that might be able to save it. Quinn and Graham's perfect love is threatened by their

imperfect marriage. The memories, mistakes, and secrets that they have built up over the years are now tearing them apart. The one thing that could save them might also be the very thing that pushes their marriage beyond the point of repair. *All Your Perfects* is a profound novel about a damaged couple whose potential future hinges on promises made in the past. This is a heartbreaking page-turner that asks: Can a resounding love with a perfect beginning survive a lifetime between two imperfect people?

Picture Perfect *Penguin*

The #1 New York Times bestselling author of *My Sister's Keeper* examines the fault lines of a troubled marriage in this "unfailingly intelligent...undeniably literary psychological drama" (Booklist). To the outside world, they seem to have it all. Cassie Barrett, a renowned anthropologist, and Alex Rivers, one of Hollywood's hottest actors, met on the set of a motion picture in Africa. They shared childhood tales, toasted the future, and declared their love in a fairy-tale wedding. But when they return to California, something alters the picture of their perfect marriage. A frightening pattern is taking shape—a cycle of hurt, denial, and promises, thinly veiled by glamour. Torn between fear and something that resembles love, Cassie wrestles with questions she never dreamed she would face: How can she leave? Then again, how can she stay?

Ugly Love *Simon and Schuster*

From Colleen Hoover, the #1 New York Times bestselling author of *It Ends With Us*, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

Summary of It Ends With Us by Colleen Hoover *Peter Cuomo*

A high-quality summary of Colleen Hoover's book *It Ends With Us* including chapter details and analysis of the main themes of the original book. About the original book: Often, the person who truly cares for you is the one who hurts you the most. Lily hasn't always had it easy, but she hasn't let that stop her from working hard to achieve the life she desires. The little village in Maine where she grew up has a long way to go. Graduated college and went into her

own business in Boston, where she lives now. Everything in Lily's life appears almost too good to be true when she meets Ryle Kincaid, a beautiful neurosurgeon. When it comes to his demeanor, Ryle may be abrasive and unyielding. Additionally, he is empathetic, intelligent, and has an undying affection for Lily. And the fact that he looks so good in scrubs doesn't hurt either. Lily can't stop thinking about him. Nonetheless, Ryle's utter rejection of partnerships is troubling. However, as Lily begins to break his "no dating" rule, she is left to question what made him so adamant. As she tries to come to terms with her new relationship, thoughts of Atlas Corrigan begin to haunt her. an emotional link to her past and a reminder of who she used to be Her soulmate, her protector, he was her best friend. Lily's relationship with Ryle is in jeopardy when Atlas emerges. Colleen Hoover treads new ground as a writer with this heart-wrenching narrative in this daring and intimate work. A heartbreaking narrative of love's ultimate cost, *It Ends With Us* has a fascinating love story and a cast of relatable people.

Bright Side

Secrets. Everyone has one. Some are bigger than others. And when secrets are revealed, Some will heal you ... And some will end you. Kate Sedgwick's life has been anything but typical. She's endured hardship and tragedy, but throughout it all she remains happy and optimistic (there's a reason her best friend Gus calls her Bright Side). Kate is strong-willed, funny, smart, and musically gifted. She's also never believed in love. So when Kate leaves San Diego to attend college in the small town of Grant, Minnesota, the last thing she expects is

to fall in love with Keller Banks. They both feel it. But they each have a reason to fight it. They each have a secret. And when secrets are revealed, Some will heal you ... And some will end you.

The American Roommate Experiment *Simon and Schuster*

NEW YORK TIMES BESTSELLER A Most Anticipated Book of 2022 by Cosmopolitan, Goodreads, PopSugar, and more! From the author of the Goodreads Choice Award winner *The Spanish Love Deception*, the eagerly anticipated follow-up featuring Rosie Graham and Lucas Martín, who are forced to share a New York apartment. Rosie Graham has a problem. A few, actually. She just quit her well paid job to focus on her secret career as a romance writer. She hasn't told her family and now has terrible writer's block. Then, the ceiling of her New York apartment literally crumbles on her. Luckily she has her best friend Lina's spare key while she's out of town. But Rosie doesn't know that Lina has already lent her apartment to her cousin Lucas, who Rosie has been stalking—for lack of a better word—on Instagram for the last few months. Lucas seems intent on coming to her rescue like a Spanish knight in shining armor. Only this one strolls around the place in a towel, has a distracting grin, and an irresistible accent. Oh, and he cooks. Lucas offers to let Rosie stay with him, at least until she can find some affordable temporary housing. And then he proposes an outrageous experiment to bring back her literary muse and meet her deadline: He'll take her on a series of experimental dates meant to jump-start her romantic inspiration. Rosie has nothing to lose. Her silly, online crush is totally under control—but Lucas's time in New York

has an expiration date, and six weeks may not be enough, for either her or her deadline.

The Dream Keeper's Daughter *Ballantine Books*

A woman discovers an impossible connection that transcends time and place in this stirring, unforgettable novel from the New York Times bestselling

author of The Memory Thief. "A splendid mix of time travel, romantic yearning, and moving on after grief."—Publishers Weekly Isabel Griffin has done her best to move on since her boyfriend, Max Adair, vanished without a trace eight years ago, leaving her heartbroken—and pregnant. Eerily enough, this isn't the first time someone Isabel loves has gone missing. When she was sixteen, her mother disappeared, and her father became obsessed with finding his long-lost wife—at the expense of parenting Isabel. Determined not to repeat her father's mistakes, Isabel works hard to become a respected archaeologist and a loving mother to her daughter, Finn, a little girl with very unusual abilities. But while Isabel is on a dig in Barbados, she receives a disturbing phone call. The hauntingly familiar voice on the other end speaks just four words—"Isabel. Keep her safe."—before they're disconnected. Isabel tries to convince herself that the caller can't possibly be Max. But what if it is, and Finn is in danger? As one mysterious event after another occurs, she can't shake the feeling that, despite what everyone else believes, Finn's father is alive—and he's desperately trying to reach her. Advance praise for The Dream Keeper's Daughter "Moving effortlessly between modern-day South Carolina and nineteenth-century Barbados, Emily Colin takes her readers on a passionate and sweeping tale of a woman haunted by a loss she can't explain, and a future she can't yet choose. Lavishly plotted and expertly paced, with characters as richly drawn as their settings, The Dream Keeper's Daughter explores what it means to follow our hearts—even at the risk of losing what we hold most dear. I was captured from the first page and, like Colin's lovers who are fighting time and

space to be reunited, came up for air only after the remarkable journey was complete.”—Erika Marks, author of *The Last Treasure* “In *The Dream Keeper’s Daughter*, Emily Colin thins out the line between present and past, dream and reality, and allows you to cross over into a haunting world that will make your heart race, weep, and celebrate things that are lost and found. This story immerses you in a time that should not be forgotten and explores the infinite rippling effect of decisions, guilt, accountability, and love.”—Samantha Sotto, author of *Love and Gravity Praise* for Emily Colin’s *The Memory Thief* “Mesmerizing . . . dazzlingly original and as haunting as a dream.”—Caroline Leavitt, author of *Pictures of You* “[A] richly emotional tale . . . a writer to watch.”—Joshilyn Jackson, author of *A Grown-Up Kind of Pretty*

Burning Down the House *Vintage*

It begins with two girls: Neva, from the Caucasus, sold into the sex trade; and Poppy, the adopted daughter of a wealthy New York real estate family, the Zanes. As their paths cross and their fates intertwine in an exquisite high drama that blurs the lines between realism and myth, we travel with them from lavish weddings to the transglobal underworld; from London and New York to Laos and Istanbul; and we watch as the mighty Zane dynasty slips from greatness. Mendelsohn captures the emotional worlds of these characters with visceral immediacy, and transforms their private narratives into a larger story about the forces of globalization, human trafficking, and sexual violence. Gripping and psychologically acute, *Burning Down the House* is an extraordinary family saga that limns the inescapable connections between the

personal and the political.

Roomies *Simon and Schuster*

From subway to Broadway to happily ever after. Modern love in all its thrill, hilarity, and uncertainty has never been so compulsively readable as in New York Times bestselling author Christina Lauren’s *Roomies*. Marriages of convenience are so...inconvenient. For months Holland Bakker has invented excuses to descend into the subway station near her apartment, drawn to the captivating music performed by her street musician crush. Lacking the nerve to actually talk to the gorgeous stranger, fate steps in one night in the form of a drunken attacker. Calvin Mcloughlin rescues her, but quickly disappears when the police start asking questions. Using the only resource she has to pay the brilliant musician back, Holland gets Calvin an audition with her uncle, Broadway’s hottest musical director. When the tryout goes better than even Holland could have imagined, Calvin is set for a great entry into Broadway—until his reason for disappearing earlier becomes clear: he’s in the country illegally, his student visa having expired years ago. Seeing that her uncle needs Calvin as much as Calvin needs him, a wild idea takes hold of her. Impulsively, she marries the Irishman, her infatuation a secret only to him. As their relationship evolves and Calvin becomes the darling of Broadway—in the middle of the theatrics and the acting-not-acting—will Holland and Calvin to realize that they both stopped pretending a long time ago?

Love, Lies and Spies *Macmillan*

In this hilarious homage to Jane Austen, a lady with a penchant for trouble finds a handsome spy much more than merely

tolerable. "It's Jane Austen meets Jane Foster in Anstey's debut novel, which serves up a delightful combination of Regency romance, scientific curiosity, and spy intrigue for a tale that will have readers rooting for love and science." - Entertainment Weekly

Juliana Telford is not your average nineteenth-century young lady. She's much more interested in researching ladybugs than marriage, fashionable dresses, or dances. So when her father sends her to London for a season, she's determined not to form any attachments. Instead, she plans to secretly publish her research. Spencer Northam is not the average young gentleman of leisure he appears. He is actually a spy for the War Office, and is more focused on acing his first mission than meeting eligible ladies. Fortunately, Juliana feels the same, and they agree to pretend to fall for each other. Spencer can finally focus, until he is tasked with observing Juliana's traveling companions . . . and Juliana herself. Full of humor and English Regency Period charm, and starring a whip-smart strong female heroine, *Love, Lies and Spies* by Cindy Anstey is a young adult novel with the perfect mix of romance, action, and adventure. "A tongue-in-cheek nod to Regency romances, Anstey's lighthearted novel is perfect for readers looking for an Austen-inspired tale of intrigue and romance. The story gets an additional boost from Juliana's many humorous scrapes, which are unbefitting of a nineteenth-century lady. This would make a nice companion for Garth Nix's farcical *Newt's Emerald*." -Booklist "Give to young teens in need of a fluffier Patrice Kindl's *Keeping the Castle*. . . . A cute premise and cover make this a solid purchase for budding historical romance readers." -School Library Journal "I cannot tell you how much I love this

book. Juliana, Spencer, Bobbington, ALL of them are just so utterly wonderful. This is BETTER than Georgette Heyer. YEP, I SAID IT." -Kelly Zekas, author of *These Vicious Masks*

Hopeless *Simon and Schuster*

From the #1 New York Times bestselling author of *It Ends With Us* comes the beginning of Sky and Dean's passionate love story - where well-kept secrets threaten to open wounds of a dark past. Would you rather know a truth that makes you feel hopeless, or keep believing the lies? Beloved and bestselling author Colleen Hoover returns with the spellbinding story of two young people with devastating pasts who embark on a passionate, intriguing journey to discover the lessons of life, love, trust - and above all, the healing power that only truth can bring. Sky, a senior in high school, meets Dean Holder, a guy with a promiscuous reputation that rivals her own. From their very first encounter, he terrifies and captivates her. Something about him sparks memories of her deeply troubled past, a time she's tried so hard to bury. Though Sky is determined to stay far away from him, his unwavering pursuit and enigmatic smile break down her defenses and the intensity of the bond between them grows. But the mysterious Holder has been keeping secrets of his own, and once they are revealed, Sky is changed forever and her ability to trust may be a casualty of the truth. Only by courageously facing the stark revelations can Sky and Holder hope to heal their emotional scars and find a way to live and love without boundaries. *Hopeless* is a novel that will leave you breathless, entranced, and remembering your own first love.

A Life for a Life *Thomas & Mercer*

Nobody can get into the mind of an erratic killer--except an unpredictable detective. When a young man is found lying on a station platform with a hole in his head, DI Kate Young is called in to investigate the grisly murder. But the killing is no one-off. As bodies start to pile up, she is faced with what might be an impossible task--to hunt down a ruthless killer on a seemingly random rampage. Meanwhile, Kate has her own demons to battle as she struggles to come to terms with her husband's death. And she is hell-bent on exposing corruption within the force and bringing Superintendent John Dickson to justice. But with the trail of deception running deeper--and closer to home--than she could ever have imagined, she no longer knows who she can trust. With her grip on reality slipping, Kate realises that maybe she and the killer are not so different after all. But time is running out and Kate is low on options. Can she catch the killer before she loses everything?

This Girl *Simon and Schuster*

From the #1 New York Times bestselling author of *It Starts with Us* and *It Ends with Us*, Colleen Hoover's bestselling *Slammed* series comes to its gripping conclusion. There are two sides to every love story. Now hear Will's. Layken and Will's love has managed to withstand the toughest of circumstances, and the young lovers, now married, are beginning to feel safe and secure in their union. As much as Layken relishes their new life together, she finds herself wanting to know everything there is to know about her husband, even though Will makes it clear he prefers to keep the painful memories of the past where they belong. Still, he can't resist his wife's

pleas, and so he begins to untangle his side of the story, revealing for the first time his most intimate feelings and thoughts, retelling both the good and bad moments, and sharing a few shocking confessions of his own from the time when they first met. In *This Girl*, Will tells the story of their complicated relationship from his point of view. Their future rests on how well they deal with the past in this final installment of the beloved *Slammed* series.

Why I Loathe Sterling Lane *Entangled: Teen*

Per her 537 rules, Harper Campbell keeps her life tidy—academically and socially. But the moment Sterling Lane transfers into her tiny boarding school, her twin brother gets swept up in Sterling's pranks and schemes and nearly gets expelled. Harper knows it's Sterling's fault, and to protect her brother, she vows to take him down. As she exposes his endless school violations, he keeps striking back, framing her for his own infractions. Worst of all, he's charmed the administration into thinking he's harmless, and only Harper sees him for the troublemaker he absolutely is. As she breaks rule after precious rule in her battle of wits against Sterling and tension between them hits a boiling point, she's horrified to discover that perhaps the two of them aren't so different. And maybe she doesn't entirely hate him after all. Teaming up with Sterling to save her brother might be the only way to keep from breaking the most important rule—protecting Cole.

A Rip Through Time *Minotaur Books*

In this series debut from New York Times bestselling author Kelley Armstrong, a modern-day homicide detective finds herself in Victorian Scotland—in an unfamiliar body—with a killer on the loose. "A great read." —Charlaine Harris MAY 20, 2019: Homicide detective Mallory Atkinson is in Edinburgh to be with her dying grandmother. While out on a jog one evening, Mallory hears a woman in distress. She's drawn to an alley, where she is attacked and loses consciousness. MAY 20, 1869: Housemaid Catriona Mitchell had been enjoying a half day off, only to be discovered that night strangled and left for dead . . . exactly one hundred and fifty years before Mallory is strangled in the same spot. When Mallory wakes up in Catriona's body in 1869, she must put aside her shock and adjust quickly to her new reality: life as a housemaid to an undertaker in Victorian Scotland. She soon discovers that her boss, Dr. Gray,

also moonlights as a medical examiner and has just taken on an intriguing case, the strangulation of a young man, similar to the attack on herself. Her only hope is that catching the murderer can lead her back to her modern life . . . before it's too late. In *A Rip Through Time*, New York Times bestselling author Kelley Armstrong introduces a brand-new series mixing mystery, romance, and fantasy with thrilling results.

It Starts with Us *Simon and Schuster*

Before *It Ends with Us*, it started with *Atlas*. Colleen Hoover tells fan favourite *Atlas*'s side of the story and shares what comes next in this long-anticipated sequel to the #1 Sunday Times bestseller *It Ends with Us*. Lily and her ex-husband, Ryle, have just settled into a civil co-parenting rhythm when she suddenly bumps into her first love, *Atlas*, again. After nearly two years separated, she is elated that for once, time is on their side, and she immediately says yes when *Atlas* asks her on a date. But her excitement is quickly hampered by the knowledge that, though they are no longer married, Ryle is still very much a part of her life—and *Atlas Corrigan* is the one man he will hate being in his ex-wife and daughter's life. Switching between the perspectives of Lily and *Atlas*, *It Starts with Us* picks up right where the epilogue for the bestselling phenomenon *It Ends with Us* left off. Revealing more about *Atlas*'s past and following Lily as she embraces a second chance at true love while navigating a jealous ex-husband, it proves that “no one delivers an emotional read like Colleen Hoover” (Anna Todd, bestselling author).

Slammed *Simon and Schuster*

From #1 New York Times bestselling author of *It Starts with Us* and *It Ends*

with *Us*, Colleen Hoover's romantic, emotion-packed debut novel unforgettably captures all the magic and confusion of first love, as two young people forge an unlikely bond before discovering that fate has other plans for them. Following the unexpected death of her father, eighteen-year-old Layken becomes the rock for both her mother and younger brother. She appears resilient and tenacious, but inside, she's losing hope. Then she meets her new neighbor Will, a handsome twenty-one-year-old whose mere presence leaves her flustered and whose passion for poetry slams thrills her. Not long after a heart-stopping first date during which each recognizes something profound and familiar in the other, they are slammed to the core when a shocking discovery brings their new relationship to a sudden halt. Daily interactions become impossibly painful as they struggle to find a balance between the feelings that pull them together and the forces that tear them apart. Only through the poetry they share are they able to speak the truth that is in their hearts and imagine a future where love is cause for celebration, not regret.

The Kiss of Deception *Macmillan*

A debut entry in a new trilogy by the author of the *Jenna Fox Chronicles* introduces Princess Lia, who flees an unwanted marriage and expectations about her supernatural legacy only to be pursued by her jilted fiancé and a ruthless assassin.
