Guida alle case più stregate del mondo. Tutti i luoghi in ...

Guida turistica molto originale dedicata alle case e ai luoghi più infestati d'Italia e del mondo, completa, come ogni guida che si rispetti, di indicazioni e indirizzi. Libro divertente, si legge con vero piacere, anche perchè l'autore non prende mai posizione sulla natura, reale o immaginaria, delle storie che racconta. Consigliato sia agli scettici che a coloro che credono al mondo ultraterreno.
