### Past Imperfect

### French Intellectuals, 1944-1956 *Univ of California Press*

The uniquely prominent role of French intellectuals in European cultural and political life following World War II is the focus of Tony Judt's newest book. He analyzes this intellectual community's most divisive conflicts: how to respond to the promise and the betrayal of Communism and how to sustain a commitment to radical ideals when confronting the hypocrisy in Stalin's Soviet Union, in the new Eastern European Communist states, and in France itself. Judt shows why this was an all-consuming moral dilemma to a generation of French men and women, how their responses were conditioned by war and occupation, and how post-war political choices have come to sit uneasily on the conscience of later generations of French intellectuals. Judt's analysis extends beyond the writings of fashionable "Existentialist" personalities such as Jean-Paul Sartre, Albert Camus, and Simone de Beauvoir to include a wide intellectual community of Catholic philosophers, non-aligned journalists, literary critics and poets, Communist and non-Communist alike. Judt treats the intellectual dilemmas of the postwar years as an unfinished history. French intellectuals have not fully come to terms with the gnawing sense of what Judt calls the "moral irresponsibility" of those years. The result, he suggests, is a legacy of bad faith and confusion that has damaged France's cultural standing, notably in newly liberated Eastern Europe, and which reflects the nation's larger difficulty in confronting its own ambivalent past.

**The Joyful Vegan**

**How to Stay Vegan in a World That Wants You to Eat Meat, Dairy, and Eggs** *BenBella Books*

Finding plant-based recipes? Easy. Dealing with the social, cultural, and emotional aspects of being vegan in a non-vegan world? That's the hard part. The Joyful Vegan is here to help. Many people choose veganism as a logical and sensible response to their concerns about animals, the environment, and/or their health. But despite their positive intentions and the personal benefits they experience, they're often met with resistance from friends, family members, and society at large. These external factors can make veganism socially difficult—and emotionally exhausting—to sustain. This leads to an unfortunate reality: the majority of vegans (and vegetarians) revert back to consuming meat, dairy, or eggs—breaching their own values and sabotaging their own goals in the process. Colleen Patrick-Goudreau, known as "The Joyful Vegan," has guided countless individuals through the process of becoming vegan. Now, in her seventh book, The Joyful Vegan, she shares her insights into why some people stay vegan and others stop. It's not because there's nothing to eat. It's not because there isn't enough protein in plants. And it's not because people lack willpower or moral fortitude. Rather, people stay vegan or not depending on how well they navigate the social, cultural, and emotional aspects of being vegan: constantly being asked to defend your eating choices, living with the awareness of animal suffering, feeling the pressure (often self-inflicted) to be perfect, and experiencing guilt, remorse, and anger. In these pages, Colleen shares her wisdom for managing these challenges and arms readers—both vegan and plant-based—with solutions and strategies for "coming out vegan" to family, friends, and colleagues; cultivating healthy relationships (with vegans and non-vegans); communicating effectively; sharing enthusiasm without proselytizing; finding like-minded community; and experiencing peace of mind as a vegan in a non-vegan world. By implementing the tools provided in this book, readers will find they can live ethically, eat healthfully, engage socially—and remain a joyful vegan.

**Why We Go Back to Where We Come From** *HarperCollins*

A Globe and Mail and CBC Best Book of the Year Drawing on extensive reporting from around the world and astute political analysis, Return: Why We Go Back to Where We Come From illuminates a personal quest. Kamal Al-Solaylee, author of the bestselling and award-winning Intolerable: A Memoir of Extremes and Brown: What Being Brown in the World Today Means (for Everyone), yearns to return to his homeland of Yemen, now wracked by war, starvation and daily violence, to reconnect with his family. Yemen, as well as Egypt, another childhood home, call to him, even though he ran away from them in his youth and found peace and prosperity on the calm shores of Toronto. In Return, Al-Solaylee interviews dozens of people who have chosen to or long to return to their homelands, from the Basques to the Irish to the Taiwanese. The author does make a return of sorts himself, to the Middle East, visiting Israel and the West Bank as well as Egypt to meet up with his sisters. His Arabic stilted and his mannerisms foreign, Al-Solaylee finds that the English language and Western customs are now his only cultural currency. Return is a chronicle of love and loss, of global reach and personal desires.
