Friday, September 11th, 2015 | Blog. A A A. The Care Act 2014 modernises and consolidates the law on adult care in England into one statute and has been described as the biggest change to the law in 60 years. It aims to reform the law relating to care and support for adults and the law relating to support for carers by introducing new responsibilities for local authorities and adult care and support providers.

What is the Care Act 2014: How Does It Affect Healthcare ...

The main reason the World Wars had such a huge impact on public health in the 20th century was that there were simply many more people to care for than in peacetime. The other was that conscription, which began in 1916 during WWI, revealed that the levels of health across the country were still, despite the Liberals' reforms, very poor.

The Impact of War on Public Health in the 20th Century ...

The Health and Social Care Act 2012 introduced the first legal duties about health inequalities. It included specific duties for health bodies including the Department of Health, Public Health England, Clinical Commissioning Groups, and NHS England which require the bodies to have due regard to reducing health inequalities between the people of England.
