– giving a verified service record which adds real value, and which can be shared or passed on when you sell. Please note:

What's included in a car service? | Advice & Tips

An interim service will include checking your car's engine oil and filter, electronics, lights (both interior and exterior), the operation of all moving parts, battery, coolant, brake fluid and tyres, windscreen washer

fluid, suspension and steering.

What is involved with the first and second servicing of a car?

A car service is a maintenance check-up that's carried out at set time intervals (at least every year) or after the vehicle has travelled a certain number of miles. The car manufacturer specifies the service intervals by creating a service schedule that you should aim to follow.
