The Drawing Near

Life drawing is the artistic tradition of drawing the human body from a live model – something that the likes of Turner and Constable would have studied at the Royal Academy, and which still takes part in our Life Room today. Life drawing can be an important way for artists to hone their skills – but it can have a much wider impact too.

Life drawing, also known as figure drawing, is the act of drawing a living person. Normally this means drawing a nude model in real life – i.e. not from a photograph or from memory or imagination. You may wonder why the model is usually nude, and perhaps the easiest answer there is that clothes aren't alive.
