Succession Planning That Works: The Critical Path of ...

Succession planning ensures that each key role vacancy will be passed on to an appropriate employee. Key roles may be leadership positions of any ranking, highly specialized roles or important operations positions. Companies can

identify internal talent and prepare (in other words “groom”) them to assume key positions, should the need arise.

Succession planning: a guide to get it right

Succession planning must be led by the top executive, not simply delegated to human resources. This means that leadership development must be on a very short list of an organization’s top strategic priorities. Keep it simple. Organizations with effective succession plans remove everything extraneous and bureaucratic in favor of simplicity and efficiency.
