My Story Julia Gillard

My Story is a political memoir of Julia Gillard, who served as the 13th Deputy Prime Minister of Australia from 2007 to 2010, and then the 27th Prime Minister of Australia from 2010 to 2013. She is the first, and to date, only woman to serve in either position.

My Story (Gillard book) - Wikipedia

Julia Gillard was Australia's first, and so far is our only, female Prime Minister. For

three years and three days during 2010 to 2013 she was PM. During her time in power, as leader of the Australian Labor Party (ALP), I liked what I saw which is the only reason I decided to listen to her autobiographical audiobook My Story. I somewhat shamefully confess to being apathetic when it comes to politics but there's a reason for this and that is I cannot stand the...well, the politics of it all.
