Hi guys i've been having a problem with my Siemens Sinumerik PCU 50, it just does not want to boot up into the system. It was working fine then all of a sudden the screen showed a few red lines then it shut off. I went to boot it up and it would not go past the the bios screen. I can get into the bios by pressing F2. It simply will not load/boot up into the operating system. I did notice that ...
