Compliance with applicable auditing standards, i.e. the International Auditing and Assurance Standards Board's (IAASB's) International Standards on Auditing (ISAs). Planning and performing the audit with an attitude of professional scepticism that recognises that the financial statements being audited may be materially misstated.

### **Chapter 1: What is assurance?**

Assurance services are independent professional services that improve the quality of information, or its context, for decision makers. 1-6The phrase systematic process implies that there should be a well-planned, logical approach for conducting an audit that involves objectively obtaining and evaluating evidence. -7Materiality is defined as "the magnitude of an omission or misstatement of accounting information that, in the light of surrounding circumstances, makes it probable that the ...
