You can find them on blogs, podcasts, and also social media sites groups.

With these tips, you can locate the appropriate The Little Red Book Aa publication recaps for your interests and preferences. Satisfied reading!

The Little Red Book: the Original 1946 Edition *Full Length History Press*

"Minneapolis record indicates that 75% are successful in A.A." - The A.A. Grapevine, August 1946 In 1942, Ed W. began teaching the "Twelve Step Study" classes that helped the Minneapolis Group achieve their 75% recovery rate. Then in 1946, he and Barry C. (The first sober A.A. in the state) published the lectures used for these classes as a book. Initially titled The Twelve Steps, it was affectionately nicknamed "the little red book." Back in print for the first time in more than 65 years, the original 1946 edition reveals firsthand how some of A.A.'s earliest members made the program their way of life. Everyone from newcomers to oldtimers will find a wealth of practical experience in this

comprehensive guide to the Twelve Steps. Praise for the 1946 edition of The Little Red Book: "I have enjoyed your little book very much & know that it will prove to be of a lot of help to many." - Dr. Bob, co-founder of Alcoholics Anonymous From a letter to Ed W., dated December 29th, 1946 "Everybody who has read it seems to like it very much - which of course was to be expected!" - Bill W., co-founder of Alcoholics Anonymous From a letter to Ed W., dated November 14th, 1946 The Little Red Book: The Original 1946 Edition is sold at cost, to carry the message to alcoholics. The publisher makes no money from the sale of this book. In order to facilitate study by the broadest possible audience, all references to Alcoholics Anonymous

have been altered to correspond to the fourth edition. No other changes have been made to the original text. Don't be misled: Look for "The Original 1946 Edition" on the cover before purchasing. This is the only accurate reprint of the text as it was originally written.

The Little Red Book

An Orthodox Interpretation of the Twelve Steps of the Alcoholics Anonymous Program

The Little Red Book *Blurb*

Designed as an aid for the study of the book, Alcoholics Anonymous, The Little Red Book contains many helpful topics for discussion meetings. This is the original study guide to the Big Book,

Alcoholics Anonymous. Filled with practical information for those first days of sober living, this little book: offers newcomers advice about the program, how long it takes, and what to look for in a sponsor; provides in-depth discussions of each of the Twelve Steps and related character defects; poses common questions about AA and helping others, identifying where to find answers in the Big Book; features non-sexist language.

The Little Red Book for Women *Simon and Schuster*

The Little Red Book for Women speaks directly to women of the 21st Century who seek both the restorative powers of Twelve Step recovery and insights into the time-honored traditions of Alcoholics Anonymous. Published in 1957, The

Little Red Book is known as the foremost study guide to the Big Book, Alcoholics Anonymous. However, the original volume, filled with practical advice for sober living, was written by two anonymous men who, presumably, considered their audience to be comprised predominantly, if not entirely, of men. That's why Hazelden's new edition is written expressly for women. It features the original text of The Little Red Book along with annotated passages addressing issues related to how women experience addiction and recovery. The annotations, written by best-selling author Karen Casey, introduce women to the extraordinary camaraderie of Alcoholics Anonymous and the restorative powers of Twelve Step recovery. We hope The Little Red Book

for Women opens new avenues of thought and helps the AA member arrive at his or her successful interpretation of the program. The Little Red Book for Women makes frequent reference to basic matter in Alcoholics Anonymous, fourth edition.

The Little Red Book Study Guide *Simon and Schuster*

While The Little Red Book interprets the Twelve Steps, the Guide gives newcomers to AA the structure needed to live them. Designed as an aid for the study of the book, Alcoholics Anonymous, The Little Red Book contains many helpful topics for discussion meetings. Drawing from the practical experience of alcoholics who found peace of mind and contented

sobriety by following a way of spiritual life set forth in Alcoholics Anonymous, The Little Red Book can help members quickly develop an acceptable 24-hour schedule of AA living. Based on the many past study guide formats and beginner classes for The Little Red Book and modeled after Twelve Step instruction programs offered at AA meetings, this new study guide provides a solid and comprehensive study structure for men and women in AA Twelve Step groups and for individuals studying The Little Red Book on their own. While The Little Red Book interprets the Twelve Steps, the Guide gives newcomers to AA the structure needed to live them.

The Little Red Book of Golf Wisdom
Simon and Schuster

The Little Red Book of Golf Wisdom is packed full of thoughtful and witty quotes on the game that has maddened, excited, and delighted generations of players and fans alike. Golfing legends, literary giants, celebrities, and politicians offer pithy and memorable comments on the sport that A. A. Milne once described as “the best game in the world at which to be bad.” Read musings on golf from such noteworthy folks as: • John Updike • Bill Clinton • Ben Hogan • Annika Sorenstam • Rex Lardner • Tiger Woods • Jack Nicklaus • P.G. Wodehouse • Althea Gibson • And hundreds of others! The Little Red Book of Golf Wisdom will entertain, instruct, and capture the essence of the game that has an irresistible hold on anyone connected with it—whether as a participant or a

spectator. There's a reason why people all over the world are drawn to a game that can easily break one's heart. This book tells you why.

Drop the Rock

Removing Character Defects - Steps Six and Seven *Simon and Schuster*

A practical guide to letting go of the character defects that get in the way of true and joyful recovery. Resentment. Fear. Self-Pity. Intolerance. Anger. As Bill P. explains, these are the "rocks" that can sink recovery- or at the least, block further progress. Based on the principles behind Steps Six and Seven, Drop the Rock combines personal stories, practical advice, and powerful insights to help readers move forward in recovery.

The second edition features additional stories and a reference section.

The Book That Started It All

The Original Working Manuscript of Alcoholics Anonymous *Hazelden Publishing*

The Book That Started It All Hardcover

Writing the Big Book

The Creation of A.A. *Central Recovery Press*

The definitive history of writing and producing the "Big Book" of Alcoholics Anonymous, told through extensive access to the group's archives. Alcoholics Anonymous is arguably the most significant self-help book published

in the twentieth century. Released in 1939, the “Big Book,” as it’s commonly known, has sold an estimated 37 million copies, been translated into seventy languages, and spawned numerous recovery communities around the world while remaining a vibrant plan for recovery from addiction in all its forms for millions of people. While there are many books about A.A. history, most rely on anecdotal stories told well after the fact by Bill Wilson and other early members—accounts that have proved to be woefully inaccurate at times. Writing the Big Book brings exhaustive research, academic discipline, and informed insight to the subject not seen since Ernest Kurtz’s *Not-God*, published forty years ago. Focusing primarily on the eighteen months from October 1937,

when a book was first proposed, and April 1939 when *Alcoholics Anonymous* was published, Schaberg’s history is based on eleven years of research into the wealth of 1930s documents currently preserved in several A.A. archives. Woven together into an exciting narrative, these real-time documents tell an almost week-by-week story of how the book was created, providing more than a few unexpected turns and surprising departures from the hallowed stories that have been so widely circulated about early A.A. history. Fast-paced, engaging, and contrary, *Writing the Big Book* presents a vivid picture of how early A.A. operated and grew and reveals many previously unreported details about the colorful cast of characters who were responsible for

making that group so successful.

The Little Red Book

An Interpretation of the Twelve Steps of the Alcoholics Anonymous Program

It Works! The Famous Little Red Book that Makes Your Dreams Come True...

Drop the Rock--The Ripple Effect

Using Step 10 to Work Steps 6 and 7 Every Day *Simon and Schuster*

Drop the Rock—The Ripple Effect provides multiple perspectives from people successfully working a Twelve Step Program, showing Step 10 as a key

to a sober life free of fear and resentment and filled with serenity and gratitude. When *Drop the Rock: Removing Character Defects* was first published in 1999, it quickly became the standard resource for working Steps 6 and 7, two of the most challenging of the Twelve Steps for many people in recovery. Learning what it means to fully surrender character defects frees you to make amends with Steps 8 and 9, realize the Big Book's "Promises," and move on to Step 10. In this new follow-up resource, Fred H. explores what he calls "the ripple effect" that can be created by using Step 10 to practice Steps 6 and 7 every day and avoid picking up "the rock" again. Drawing on his years of lecturing on the Big Book of Alcoholics Anonymous and Twelve Steps and

Twelve Traditions, he reveals Step 10 as the natural culmination of working the previous Steps. providing a crash course on renewing your recovery program through the daily practice of Twelve Step principles. Like its predecessor, Drop the Rock—The Ripple Effect provides multiple perspectives from people successfully working a Twelve Step Program, showing Step 10 as a key to a sober life free of fear and resentment and filled with serenity and gratitude. Fred H. has worked in the field of addiction and recovery for over three decades and is the director of the retreat center for a leading addiction treatment program. He is a popular international speaker on the Big Book and the principles of the Twelve Steps.

The Original 12 Step Book *Createspace Independent Publishing Platform*

The Original 12 Step Book Written In 1946. (The little red Book) This book was the first guide used to help people do the twelve steps. It was approved by AA , promoted, by Dr Bob, And was offered for sale by AA prior to AA 12 & 12. It remains as the clearest and easiest to understand guide.

Not God

A History of Alcoholics Anonymous *Simon and Schuster*

A fascinating, account of the discovery and program of Alcoholics Anonymous, Not God contains anecdotes and excerpts from the diaries,

correspondence, and occasional memoirs of AA's early figures. The most complete history of A.A. ever written. Not God contains anecdotes and excerpts from the diaries, correspondence, and occasional memoirs of A.A.'s early figures. A fascinating, fast-moving, and authoritative account of the discovery and development of the program and fellowship that we know today as Alcoholics Anonymous.

The Steps We Took *Accent Press*

The words of this book's title are said aloud every day by thousands of people meeting together to help each other recover from addiction.s the addictions may be to alcohol or cocaine, gambling or food, violence or sex, but the path to

recovery is the same. The exciting thing about the Twelve Steps is that they teach us how to live. Once we know the design of living and the principles of living a successful life, we find that we not only get over the problems we see, but we avoid many other problems we would have had. To me, the miracle is that all this was boiled down into twelve simple Steps that anybody can apply. This is a book of plain-spoken wisdom for people with addictions and people who love them. Joe McQ has been a student of the Twelve Steps for more than three decades. He, like tens of thousands of others, lives them every day, one day at a time. In *The Steps We Took*, Joe takes us through them, one Step at a time, and helps us understand how they work- and how they can change our lives.

Quotations from Chairman Mao Tse-tung

Reveals the man and the aims of the Cultural Revolution.

Little Red Book**The Little Red Book** *Blurb*

The Little Red Book is a study guide to The Big Book of Alcoholics Anonymous. The original title was The Twelve Steps: An Interpretation of the Twelve Steps of the Alcoholics Anonymous Program. It was endorsed by AA co-founder Dr Bob as a companion to The Big Book.

Making the Little Black Book**Inside the Working Manuscript of Twenty-Four Hours a Day** *Hazelden**Publishing & Educational Services*

Making the Little Black Book features the original working manuscript of Twenty-Four Hours a Day—a book that continues to transform the lives of millions worldwide. High-resolution scans of the primary document with the original handwritten notes by Richmond Walker capture the thoughts and edits that went into the first edition of Twenty-Four Hours a Day during its production from 1946 to 1948. Commentary by AA researcher and historian Damian McElrath provide further context to the Walker's life and the creation of Twenty-Four Hours a Day, framing the manuscript in time and place, explaining how various sources and beliefs contributed to the text. This manuscript is essential for those interested in AA

history as well as members of the Fellowship.

Stools and Bottles

A Study of Character Defects - 31 Daily Meditations *Simon and Schuster*

This popular book provides thirty-one daily reminders on commonly encountered AA problems during an alcoholic's way of life. *Stools and Bottles* offers penetrating insights into the first four Steps from a well-known A.A. talk. The author, who also wrote *The Little Red Book*, describes a three-legged stool, the legs of which represents Steps One, Two, and Three. They support the seat, which symbolizes the alcoholic. An excellent aid to the daily application of the A.A. program. An old-time classic!

The Search For Serenity And How To Achieve It *Pickle Partners Publishing*

This book is about people who have found it necessary to change the way they feel. They have learned that one's feelings are largely the result of certain complex patterns of habit. To change these emotional habits requires understanding, patience and self-discipline. In simple language this book attempts to describe some of the practical ways in which one can replace misery with serenity.

Each Day a New Beginning

Daily Meditations for Women *Simon and Schuster*

With millions of copies sold, these inspirational daily meditations speak to

the common experiences, shared struggles, and unique strengths of women in recovery from all addictions. Discover why *Each Day a New Beginning* has become a classic for recovering women everywhere. Beloved author Karen Casey shares wisdom on spirituality, acceptance, self-esteem, relationships, perfectionism, the importance of connecting with other women, and many other topics essential for continued sobriety and personal growth. These daily meditations begin with quotations from exceptional and diverse women from around the world and end with actionable affirmations for the twenty-four hours ahead. In this perfect companion for AA, NA, and other Twelve Step programs, all recovering women will find messages that inspire

them to live their best lives.

Ask a Manager

How to Navigate Clueless Colleagues, Lunch-Stealing Bosses, and the Rest of Your Life at Work *Ballantine Books*

From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green

does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party

Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and

kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide*

"Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Alcoholics Anonymous

The Story of How More Than One Hundred Men Have Recovered from Alcoholism

Ebby

The Man Who Sponsored Bill W. *Simon and Schuster*

This is both a fascinating history of the formative years of Alcoholics Anonymous, as well as the bitter-sweet

tale of the troubled man Bill W. always referred to as "my sponsor." In 1934, Ebby Thatcher called an old drinking buddy to tell him about the happiness he was finding in sobriety. His friend's name was Bill Wilson, and this book is the story of their life-long friendship. It is both a fascinating history of the formative years of Alcoholics Anonymous, as well as the bitter-sweet tale of the troubled man Bill W. always referred to as "my sponsor." "Deeply informative and moving, a valuable contribution to the history of A.A. A 'must' reading for anyone interested in one of the more fascinating chapters in A.A.'s history."--Nell Wing, Retired A.A. Archivist and Bill Wilson's Secretary

Desert Lake

Art, Science and Stories from Paruku *CSIRO PUBLISHING*

Desert Lake is a book combining artistic, scientific and Indigenous views of a striking region of north-western Australia. Paruku is the place that white people call Lake Gregory. It is Walmajarri land, and its people live on their Country in the communities of Mulan and Billiluna. This is a story of water. When Sturt Creek flows from the north, it creates a massive inland Lake among the sandy deserts. Not only is Paruku of national significance for waterbirds, but it has also helped uncover the past climatic and human history of Australia. Paruku's cultural and environmental values inspire Indigenous and other artists, they define the place as an enduring home, and have led to its

declaration as an Indigenous Protected Area. The Walmajarri people of Paruku understand themselves in relation to Country, a coherent whole linking the environment, the people and the Law that governs their lives. These understandings are encompassed by the Waljirri or Dreaming and expressed through the songs, imagery and narratives of enduring traditions. Desert Lake is embedded in this broader vision of Country and provides a rich visual and cross-cultural portrait of an extraordinary part of Australia.

Living the Twelve Traditions In Today's World

Do Glaciers Listen?

Local Knowledge, Colonial Encounters, and Social Imagination

UBC Press

Do Glaciers Listen? explores the conflicting depictions of glaciers to show how natural and cultural histories are objectively entangled in the Mount Saint Elias ranges. This rugged area, where Alaska, British Columbia, and the Yukon Territory now meet, underwent significant geophysical change in the late eighteenth and nineteenth centuries, which coincided with dramatic social upheaval resulting from European exploration and increased travel and

trade among Aboriginal peoples. European visitors brought with them varying conceptions of nature as sublime, as spiritual, or as a resource for human progress. They saw glaciers as inanimate, subject to empirical investigation and measurement. Aboriginal oral histories, conversely, described glaciers as sentient, animate, and quick to respond to human behaviour. In each case, however, the experiences and ideas surrounding glaciers were incorporated into interpretations of social relations. Focusing on these contrasting views during the late stages of the Little Ice Age (1550-1900), Cruikshank demonstrates how local knowledge is produced, rather than discovered, through colonial encounters, and how it

often conjoins social and biophysical processes. She then traces how the divergent views weave through contemporary debates about cultural meanings as well as current discussions about protected areas, parks, and the new World Heritage site. Readers interested in anthropology and Native and northern studies will find this a fascinating read and a rich addition to circumpolar literature.

Moneyball (Movie Tie-in Edition) (Movie Tie-in Editions) *W. W. Norton & Company*

Explains how Billy Beene, the general manager of the Oakland Athletics, is using a new kind of thinking to build a successful and winning baseball team without spending enormous sums of

money.

Our Devilish Alcoholic Personalities

Trans Dilemmas

Living in Australia's Remote Areas and in Aboriginal Communities
Routledge

Trans Dilemmas presents the findings of a three-year research project which examined the lived experiences of trans people in Australia's Northern Territory. The book argues that whilst trans people, who live in remote areas, experience issues which may not be distinct from those living in urban areas and the inner-city, these issues can be aggravated by geographic and demographic factors. By conducting

online surveys and in-depth interviews, Stephen Kerry brings to light the issues for transgender people which are compounded by living in sparsely populated, remote communities. Namely social isolation, maintaining relationships with friends, family and partners, and the difficulties accessing health care. The book also includes significant findings on the experiences and treatment of Australia's trans Aboriginal people, also known as sistergirls and brotherboys. An analysis of first-person narratives by sistergirls and brotherboys reveals the racism within predominantly white trans communities and transphobia within traditional Aboriginal communities, which they are uniquely faced with. Trans Dilemmas represents an important contribution to

contemporary research into the lives of transgender Australians. It gives a voice to those transgender people living in the more isolated communities in Australia, which up until now, have been largely unheard. For students and researchers in Queer Studies and Gender Studies, this is valuable reading.

Partnership With a Higher Power

Simon and Schuster

Doing things our way got us into trouble. Now it is time to develop a relationship with our Higher Power in order to carry out God's will for us. This pamphlet

explains the many benefits to us.

Walk in Dry Places *Simon and Schuster*

Walk in Dry Places is a daily reader for those who seek simplicity and assuredness in their Twelve Step program. Recovery doesn't settle at physical or emotional sobriety. Rather, it aims to grow in honesty and intention each day. This meditation book, complementary to any addiction recovery, simplifies our daily self-improvement with thought- and action-provoking meditations. Nowadays, there are medications, therapy-based activities, and mindfulness exercises. Undoubtedly, these are helpful new tools and coping skills. For people in recovery from alcoholism or drug addiction,

though, the best medicines are still good action and honesty. Addiction treatment, counseling, therapy, and working a program give a good start. For continued results, though, a recovering person must act thoughtfully and truthfully each day. With many years in the program, respected recovery writer Mel B. simplifies our daily engagements with straightforward and insightful advice. Packed with experiential meditations and prayers, Walk in Dry Places ensures continued growth in spirit. It teaches us to extend ourselves into the real world and improve the lives of others—not just our own. Through guided thought and action, we elevate the principles and people that are truly important in our recovery, and turn the rest over to a Higher Power.

My Name Is Bill

Bill Wilson--His Life and the Creation of Alcoholics Anonymous

Simon and Schuster

In this thoroughly researched and groundbreaking biography of Bill Wilson, cofounder of Alcoholics Anonymous, acclaimed author Susan Cheever creates a remarkably human portrait of a man whose life and work both influenced and saved the lives of millions of people. Drawn from personal letters and diaries, records in a variety of archives, and hundreds of interviews, this definitive biography is the first fully documented account of Bill Wilson's life story. Alcoholics Anonymous is a worldwide organization that since 1935 has helped people break free from the destructive

influence of intoxicating and addictive substances. This great wave of comfort and help that has covered the world had its beginning in one man, born shortly before the start of the twentieth century. Utilizing exhaustive research, Cheever traces Bill Wilson's life beginning with his birth in a small town in Vermont, where, following the breakup of his parents' marriage, he was raised primarily by his grandparents. Handsome and intelligent, with a wit and charm that both women and men responded to, he seemed at the outset to be capable of achieving anything he wanted. Wilson, however, also suffered from deep-seated insecurity, and once he was away from the provincial Vermont town, he found that alcohol helped relieve his self-doubts and brought out the charm and

wit that had made him a favorite in school. "Help" eventually turned to dependence, and years after his first beer -- consumed at a Newport, Rhode Island, dinner party -- Bill Wilson finally had to come to terms with the fact that, while he loved the way alcohol made him feel, his life was spiraling out of control. Through a painful process of trial and error, using a blend of experiences, ideas, and medical knowledge gained through several hospitalizations, he was able to stop drinking. A few months later, when he met Dr. Robert Smith of Akron, Ohio, and was able to help him stop drinking also, Alcoholics Anonymous was born. Each man found in the other the support he needed to overcome the hold alcohol had on them. Together they discovered the power they had to help

other alcoholics. Success did not come overnight, however, and as Cheever compellingly relates, Wilson had many struggles in a life fraught with controversies, including experiments with LSD and an unconventional fifty-three-year marriage. As one of the most influential and important thinkers of the twentieth century, Bill Wilson changed the way our society deals with addiction, and his ideas in turn have benefited countless individuals and their families. His life was complex, and in Susan Cheever's fascinating biography, he emerges as a man of great passion and courage; it is a story fully told for the first time.

A Woman's Way through the Twelve Steps *Simon and Schuster*

Geared specifically to women, this book brings a feminine perspective to the Twelve Step program, searching out the healing messages beneath the male-oriented words. Recovery is not a man's world, and yet to a woman it can sometimes seem that way. Geared specifically to that woman, this book brings a feminine perspective to the Twelve Step program, searching out the healing messages beneath the male-oriented words. Based on an open exploration and a flexible interpretation of the Twelve Steps, this new perspective takes into account the psychological development of women as it relates to addiction and recovery, as well as the social and cultural factors that affect women in particular. Acknowledging that recovery

raises special issues for women--from questions about sexuality, relationships, and everyday life to anxieties about speaking up at mixed-gender meetings--A Woman's Way through the Twelve Steps focuses directly on the feminine experience of addiction and healing. The author explores the Twelve Steps one by one, reiterating each in its traditional language, then explaining and illustrating it in a way that highlights a woman's experience--empowering the reader to take ownership of her own recovery process as well as her growth as a woman.
