A Prayer for the Dying

A Novel *Henry Holt and Company*

New York Times Book Review Notable Book of the Year "A new masterpiece of American literature." —Dennis Lehane, *Entertainment Weekly* "A Prayer for the Dying reads like the amazing, unrelenting love child of Shirley Jackson and Cormac McCarthy. It's twisted proof that God will do worse to test a faithful man than the devil would ever do to punish a sinner." —Chuck Palahniuk Set

in Friendship, Wisconsin, just after the Civil War, *A Prayer for the Dying* tells of a horrible epidemic that is suddenly and gruesomely killing the town's residents and setting off a terrifying paranoia. Jacob Hansen, Friendship's sheriff, undertaker, and pastor, is soon overwhelmed by the fear and anguish around him, and his sanity begins to fray. Dark, poetic, and chilling, Stewart O'Nan's *A Prayer for the Dying* examines the effect of madness and violence on the morality of a once-decent man.

A Novel *Henry Holt and Company*

A Prayer for the Dying *Open Road Media*

An IRA hit man is on the run and out for redemption in this novel from the New

York Times–bestselling author of *The Eagle Has Landed* and *Dark Justice*. Martin Fallon has more blood on his hands than any man has a right to. And once upon a time he had no problem with that, killing for his IRA brethren without remorse or regret. But when a mistake leads to the explosion of a school bus full of children, Fallon flees to London to hide with his guilt. His seclusion is broken when he agrees to make one last killing on behalf of the criminal Meehan brothers—and that may be his greatest mistake. For the hit is witnessed by a priest—and now the Meehans want him dead, too. But Fallon has had enough innocent blood. In a desperate struggle for his soul, Fallon must protect the clergyman while fighting not only the ruthless Meehans but also his former IRA comrades who have decided that Fallon himself needs to be silenced. For decades, Jack Higgins has delivered edge-of-the-seat thrills for millions of fans all over the world, and has truly earned his status as “the master” of international action and intrigue (Tom Clancy). *A Prayer for the Dying* is the 2nd book in the Martin Fallon Novels, but you may enjoy reading the series in any order.

During 1,200 years of biography we meet an extraordinary range of people whose lives have affected or interacted with the life of the prayer. These include Thomas Cranmer, William Caxton, Cardinal Newman, General Gordon of Khartoum, Edward Elgar, and Cardinal Basil Hume. Versions of this famous prayer have found their way into contemporary funeral liturgies. The author draws on liturgical scholarship history and not least his own experiences as a minister to the dying. At the end of this biography you will never look on your own dying, or that of others around you, as you have before. A Celtic Book of Dying**The Path of Love in the Time of Transition** *Simon and Schuster*

- Offers reflective questions and exercises to explore your beliefs, attitudes, and fears around your own death
- Includes the sacred meditation of traveling with the dead as offered by an anam-áire or Celtic soul carer

Through her decades of hospice work, Phyllida Anam-Áire has revived the ancient Celtic tradition of "watching" with the dying and traveling with the soul after death. Drawing on her Celtic background, she integrates the wisdom of her ancestors with modern knowledge of the death process. She shows how a peaceful transition for the leaving person is possible and how this process can be consciously supported for relatives or friends. In *A Celtic Book of Dying*, Phyllida details the Celtic rituals of honoring death and dying, revealing how these rituals act as a catalyst that allows the change of form for our essence to pass on into the afterlife. She shows how becoming familiar with the dying process and acknowledging our own personal death forms an important aspect of preparing for this natural transformation.

The author guides us with reflective questions, exercises, and meditations to help us become aware of and evaluate our own beliefs, attitudes, and fears around dying and learn to live our life more consciously and with joy. Once we have come to terms with our own passing, we will also find it easier to assist family and friends in their last hours. Phyllida presents the sacred meditation of traveling with the dead as held by an anam-áire or soul carer. She also offers suggestions for Celtic rituals, prayers, and blessings for support. She addresses many practical questions around care for the dying during and after the process, including the importance of silence. A practical yet soulful guidebook, *A Celtic Book of Dying* deepens our spiritual understanding of the internal journey of the dying and the adventurous after-death journey to come. Through the eyes of an anam-áire, we see death not as the end or something to be feared, but just as the moment of being called home again.

A World Away

A Novel *Henry Holt and Company*

A major novel by the award-winning author named by *Granta* as one of America's best young writers. Set at a remote beachfront cottage in the Hamptons one summer during the Second World War, *A World Away* follows the fortunes of the Langer family, whose oldest son, Rennie, is missing in action in the Pacific theater. As we are soon aware, there is another battle raging at the same time, this one on the domestic front, as Anne and James Langer's marriage begins to unravel. In part to repay her husband for his affair with a student, Anne begins a clandestine romance with a soldier stationed at a nearby base. Yet all the passion and tenderness she finds with her lover is unable to ease Anne's empty ache from having her family torn apart. Thousands of miles away, Rennie is wounded in the effort to drive the Japanese from the island of Attu in the Aleutians, as Dorothy, his young wife, gives birth alone in San Diego. When Rennie comes home, his spirit as wounded as his body, it's clear that James and Anne must repair their own broken lives if they're going to help their son heal and bring their family back together. *A World Away* is a rich, romantic story that has all the depth and generosity of spirit Stewart O'Nan's work is known for.

Recovering Our Sanity**How the Fear of God Conquers the Fears that Divide Us** *Zondervan*

How cultivating a healthy fear of God liberates us from our fear of others, our fear of the future, and even our fear of death itself. At times the world feels like it's losing its mind. From politics to the pandemic, we live with an ever-increasing uncertainty, and many of us have grown to fear the rapid disintegration of our society and our own lives. *Recovering Our Sanity* is not another self-help book about how to beat

your daily fears for a better life. It's a book that will show you the gravity and glory of a God who's worthy of our fear. It's a book that will reveal how these two biblical phrases—*Fear God and Do Not Be Afraid*—are not contradictory but actually one coherent message. Michael Horton—Professor of Theology and Apologetics at Westminster Seminary—shows us that we cannot fight our fears by seeking the absence of fear altogether, but by living with a fear of God that drives out the fear of everything else. Horton will walk you through the case for the fear of God by: Developing what it means to fear God, biblically and theologically, and what this kind of fear looks like in practice. Categorizing different types of fears—from cultural anxiety to pain and hardship—and what they stem from. Focusing on how to confront our earthly fears with our hope in Christ, rooted in the gospel. Reminding us that God does not exist for us; we exist for God. Humbling, thought-provoking, and hope-igniting, *Recovering Our Sanity* delivers a timely message that will help you shift your focus from a human-centered obsession with self-preservation to a fixation on Christ and his salvation. Rather than clinging to false securities and promises of immediate gratification, you can gain the lasting joy of knowing the One who has given himself to save us and who says to us, "Do not be afraid."

Dying With Jesus

Meditations for Those Who Are Terminally Ill, Their Families, and Their Caregivers *Liturgical Press*

Dying with Jesus is for people who are dying and for their caregivers, whether family members or pastoral-care professionals. Each page contains a Scripture passage with a brief commentary, a meditation intended to

capture the thoughts and feelings of the dying person, and a response from Jesus. The booklet can be used as a single extended meditation or it can be read a page at a time in any sequence that is helpful. Page headings indicate the theme found in the meditation and can guide the user to the appropriate page for a given moment. The meditations, rooted in the experience of dying people, may help to identify and give words to many painful thoughts and feelings. By reading a given meditation together chaplains, family members, or the dying person may be able to initiate a difficult but necessary conversation. It is hoped that Dying with Jesus will reveal some of Jesus' human struggle and will make it accessible to all who are facing the same frightening reality. All who use it are especially encouraged to share the feelings and memories it calls forth. This gift of shared experience will enlighten those who accompany the dying and will create a bridge between the gospel story and those of us who hear it today. Chapters are "Diagnosis," "The Road," "Weakness," "Family," "Caregivers," "Isolation," "The Blind Ones," "Pain," "Stripped," "Inevitability," "Last Breath," "Emptiness," "Mystery," "Hope," and "Traditional Prayers." Hibbard has listened well to the fears, anxieties, and hopes of the dying; her "Meditation" sections are extraordinary, showing both great sensitivity and honesty. Caregivers and families will hear what the dying themselves may be reluctant to speak. Paul Marceau Mission Services and Ethics. . . this book will be attractive to readers beyond the scope of Catholic tradition due to the author's creative writing style and inclusive theology. The benefit of this book to patients and their families facing life-threatening illnesses lies in the comfort of not being alone

with the stages of dying. This book also provides comfort for professionals involved in the lives of dying patients when the surrender of curative intervention stirs helplessness in their hearts. Peter Wolf, M. Div., M.S.W. Clinical Pediatric Social Worker Hospice of Michigan. The author's rich, meditative insight into the mind and heart of the terminally ill was like a deep well of consolation for myself as a nurse. This book can be used in any setting and by Christians of all denominations. Caregivers, family members, friends, and the terminally ill will find a treasure of comfort and compassion in this little book of meditations. Judith Mouch, R.S.M., M.S.N. Assistant Professor of Nursing Director, Parish Nurse Education Program McAuley School of Nursing University of Detroit Mercy. This book will make a thoughtful gift to those who are hurting due to their own or a loved one's terminal illness. Today's Catholic

Cry of the Hunter *Open Road Media*

From the New York Times–bestselling author of *The Eagle Has Landed*: A hero of the IRA must turn on his own people to save his country. Martin Fallon is a legend. After joining the IRA he shot up the ranks in the fight against the Brits in Northern Ireland with his tactical brilliance and devotion. Then, after a daring escape from prison, he simply disappeared. And that's the way he wants it to stay. After years of hiding from the world in his books and the bottle, he thinks he's out. He's wrong. The IRA wants him to break Patrick Rogan, a high-ranking Ulster rebel, out of prison. Fallon reluctantly agrees, and soon finds himself swept back into the Troubles. But in his absence, the IRA has changed. Gone are those who wanted freedom, replaced by those like Rogan—bloodthirsty psychopaths who want nothing but power. And now Fallon must bring his own legend to life in order to bring them down. In one of his earliest works, Jack Higgins puts on display the absolute mastery of the thriller genre that would earn him a place among the most respected novelists of the twentieth century. *Cry of the Hunter* is the 1st book in the Martin Fallon Novels, but you may enjoy reading the series in any order.
