black power and the garvey movement

The advocates of Black Power say that they intend (if necessary by using guns) to restore to the blacks in these areas the political power which is theirs by right. Secondly, they say what has long been noted and commented upon in the United States, that as the whites have moved out to the suburbs, the centers of all the big cities of the United States are increasingly populated by Negro majorities.

Black Power. C L R James - Marxists Internet Archive

The term "Black Power" refers to both a political slogan popularized between the 1960s and the 1980s, as well as the various ideologies aimed at achieving self-determination for black people. It was popularized within the United States, but the slogan, along with components of the Black Power Movement, has traveled abroad.
