Photography Speaks II provides a thoughtful introduction to photography through the words and images of artists who have shaped the medium over the last 150 years.

Photography Speaks II: Seventy-Six**Photographers on Their ...**

I think photography is remarkable because it doesn't just make a picture; it can create a story and evoke an emotion. It's like powerful music; it can make you laugh, cry, and feel joy in your soul. One of my favorite moments as a photographer are when I am editing and I see special moments pop up on my screen that I know will move the viewer.
