Literati Review - A Color eReader from Sharper Image

Literati Review: First Impressions. The Literati by Sharper Image is a very basic ebook reader. That's not necessarily a knock on the device; that's how it was designed to be. While its elongated design somewhat resembles the Augen eReader, it is in no way like that device. The Literati is not a multi-purpose ereader/tablet hybrid. It does not have a web browser or video player or even an audio player. It is solely an ebook reader.
