Caring Democracy. Book Description: Americans now face a caring deficit: there are simply too many demands on people's time for us to care adequately for our children, elderly people, and ourselves.At the same time, political involvement in the United States is at an all-time low, and although political life should help us to care better, people see caring as unsupported by public life and deem the concerns of politics as remote from their lives.

Caring Democracy - NYU Press

Tronto starts by saying that care and democracy don’t seem to go well together, because care implies assymetry among people and democracy considers all as equals and care has been kept out of politics. There is, she says, a need to think about what democracy is and about democracy to become more inclusive by including caring.

With Caring Democracy Tronto contributes to renewed efforts to theorize the interaction between economic and political forces of contemporary life. The work vividly illustrates how democracy depends on activities that are often ignored, undervalued and left out of public discussions, and provides a devastating account of how gender norms, tropes of choice and personal responsibility, and market mechanisms are deployed in the neoliberal context to undermine both care and democracy.
