The Heart Of Desire

Living in the Heart of Desire is allowing oneself to feel desire fully without being attached to the object of desire. We then experience desire without craving. We do this practice with the understanding that our deepest desire is to experience our own true nature.

The Heart of Desire — Robert Brumet

In The Heart of Desire, a book that will forever change how you think about love and sex, clinical psychologist and sex therapist Stella Resnick, PhD, draws on

cutting-edge research to explore this love-lust dilemma and to show how early programming can inhibit sexual desire as lovers become committed partners and begin treating each other less like lovers and more like family.
