for what to do next. As a temporary safeguard, Arek's best friend and mage, Matt, convinces him to assume the throne until the true heir can be rescued from her tower. Except that she's dead. Now Arek is stuck as king, a role that comes with a magical catch: choose a spouse by your eighteenth birthday, or wither away into nothing. With his eighteenth birthday only three months away, and only Matt in on the secret, Arek embarks on a desperate bid to find a spouse to save his life—starting with his quest companions. Thrust into leadership upon the death of his emperor father, young Prince Ahkin feels completely unready for his new position. Though his royal blood controls the power of the sun, he's now responsible for the lives of all the Chicome people. And despite all Ahkin's efforts, the sun is fading—and the end of the world may be at hand. For Mayana, the only daughter of the Chicome family whose blood controls the power of water, the old emperor's death may mean that she is next. Prince Ahkin must be married before he can ascend the throne, and Mayana is one of six noble daughters presented to him as a possible wife. Those who are not

chosen will be sacrificed to the gods. Only one girl can become Ahkin's bride. Mayana and Ahkin feel an immediate connection, but the gods themselves may be against them. The Jasmine Throne *Orbit*

Chakraborty). Exiled by her despotic brother, Malini spends her days dreaming of vengeance while trapped in the Hirana: an ancient cliffside temple that was once the revered source of the magical deathless waters but is now little more than a decaying ruin. The secrets of the Hirana call to Priya. The other a powerful priestess seeking to save her family. Together, they will set an empire ablaze. "An intimate, complex, magical study of empire and the people caught in its bloody teeth.
