Understanding Mesothelioma Lung Cancer Awareness

One of the most important things to focus on this November during Lung Cancer Awareness Month is educating yourself about this disease and some of the related illnesses, like mesothelioma, which is often confused with lung cancer. Lung cancer is the number one cause of cancer deaths for men and women. Over 150,000 people died from lung cancer in 2017, with another 220,000 new patients being diagnosed that same year. Smoking, radon, and asbestos inhaled over time all dramatically increase the ...
