Fifteen Animals - YouTube

Parents need to know that Fifteen Animals! is a counting book from the wonderful author-illustrator Sandra Boynton. This book teaches young children how to count to 15 as well as how to identify numbers and animals. Like all of Boynton's charming preschool and toddler books, Fifteen Animals! exudes warm, comforting feelings (all the animals are "friendly and tame") and makes kids laugh at the cute pictures and a bit of nonsense (almost all the

animals are named Bob).
