Farmer in the Sky *Baen Publishing Enterprises*

"There is no such thing as luck. There is only adequate or inadequate preparation to cope with a statistical universe." ¾Robert A. Heinlein, from Time Enough for Love. Be Prepared _ Or Die! Bill Lermer travels with his father, stepmother and stepsister to colonize a Jovian moon in the process of being terraformed. Out here, self-reliance is the key to survival¾and Bill finds that his Boy Scout motto isn't merely a pretty saying. It's a necessary rule for survival! This is it: what we think is the best of the classic Robert Heinlein adventure novels that influenced a generation of engineers and space scientists and still set the heart racing and the mind afire! At the publisher's request, this title is sold without DRM (Digital Rights Management).

Farmer in the Sky *Baen*

1. Heinlein wrote an amazing string of novels which made the New York Times best seller list and shipped over a million copies each, including Time Enough for Love, The Number of the Beast, Friday, Job: A Comedy of Justice, The Cat Who Walks Through Walls, and To Sail Beyond the Sunset. 2. Over 25 million Heinlein books are in print in the U.S. alone. For over four decades, his Stranger in a Strange Land has been, not just one of the top-selling science fiction novels, but one of the top-selling novels, period. 3. Stephen King has called Heinlein “Not only America’s premier writer of speculative fiction, but the greatest writer of such fiction in the world.” And Dean Koontz agrees: “If there is any single author who defines science fiction, it is Robert Heinlein . . . there is no other writer whose work has exhilarated me as often and to such an extent as Heinlein.” 4. Advertising in Locus, more. 5. Includes teaser chapter for Heinlein’s The Puppet Masters (trade paperback, 08/09). 6. Cover by Hugo-winning artist Bob Eggleton pays homage to classics science fiction book covers. 7. Heinlein backlist discounts. The Earth is crowded and food is rationed, but a colony on Ganymede, one of the moons of Jupiter, offers an escape for teenager Bill Lermer and his family. Back on Earth, the move sounded like a grand adventure, but Bill soon realizes that life on the frontier is dangerous, and in an alien world with no safety nets, nature is cruelly unforgiving of even small mistakes. Bill’s new home is a world of unearthly wonders—and heartbreaking tragedy. He will face hardships, survive dangers, and grow up fast, meeting the challenge of opening up a new world for humanity and finding strengths within himself that he had never suspected existed. Blue Sky Gone

Audrey Moretti always knew she wanted to be a police officer, but she never expected it would take her on the most harrowing venture of her life-the search for her sister on September 11th, 2001... Audrey has made it to the final weeks of the police academy, and after five grueling months, she's solely focused on graduating. But on a quiet Tuesday morning, her life changes in an instant when she hears that an airplane has struck the World Trade Center. She knows her sister, Hannah, is in trouble; she can feel it. In a bold move, she risks all and finds herself at Ground Zero-a decision that will change her world forever. Hannah, a young Wall Street hopeful, works on the 84th floor in the South Tower of the World Trade Center. In the weeks leading up to the attacks of 9/11, everything is going right. Her career is taking off, and she unexpectedly finds true love in the city. When she witnesses from her office window the first plane strike the North Tower, nothing will ever be the same again. She follows her instinct to evacuate the South Tower, but will she escape the stairwell before the tower collapses...? Haunting questions remain for years after the tragedy, until a visit from a stranger and a handwritten note surface. Grief makes way for hope, in this deeply moving story of love, loss, strength, and courage, during a dark time in America's recent history. BLUE SKY GONE will take the reader on an emotional and powerful journey before, during, and after September 11th, 2001.

Gold in the Sky *The Floating Press*

Acclaimed sci-fi author Alan E. Nourse offers up an exciting tale of treachery, adventure, and vast wealth in the novel Gold in the Sky. The story unfolds among the rarefied and rough-and-tumble crews who mine the surface of asteroids for valuable metals and minerals. Much like the lawless mining towns of the Old West, these groups are made up of rapacious types who will stop at nothing to strike it rich.

The Dry Creek Chronicles

19th Century Idaho Farm Life

The Dry Creek Chronicles offer a window onto the daily lives of Idaho families who owned and worked the land in the Dry Creek Valley and Green Meadow, southwestern Idaho, from 1863 to 1900. Two nineteenth century farming communities, one in the creek valley and one on the floodplain of the Boise River, forged an enduring social bond through marriage and shared economic fortunes in similar environments. Over the course of forty years, however, their destinies diverged: one remained rural for more than 150 years, while the other became a settled part of nearby Boise City. This is the story of the families who created those communities.

The Farmer and the Seed *Createspace Independent Publishing Platform*

The Farmer and the Seed story was written in honor of those in life that fail to see the miracle of God's plans. Many times in life this has been myself. However, the solid truth of it all is that through devotion, prayer, & faithfulness God will bring anyone to where they need to be... but it takes time, sometimes many years, before the wonderous outcome is revealed. One has only to have the faith of a mustard seed; to make a difference down the line. Your life is your seed. What kind of "tree" will you be remembered as?

Heaven Ride

Book One: Sojourn of Souls

HEAVEN RIDE is a techno-thriller about two loyal friends who unlock secrets of the human soul and invent a device that ejects the soul and long-term memory on its path to heaven, and then brings it back. The "Pod" enables them to build Heaven Ride into the most lucrative empire the world has ever known, until ruthless rivals embark on a campaign of deceit, treachery and betrayal to wrest it away for their own insidious plan. This quandary of science and morality may change the way you think about heaven and the afterlife ... FOREVER. * * * David Brownington, a brilliant entrepreneurial mastermind with a leading business incubator, comes in contact with a mysterious gadget that measures wavelengths never seen before. His close friend, JW Gomez, a third-year Ph.D. candidate, supercedes the boundaries of his doctoral studies using a bio-pod that creates out-of-body experiences. Driven by memories of his little brother who perished in a gruesome accident as a child, JW's extra-curricular studies of sudden traumatic death lead to the astonishing discovery of the human soul. When David and JW merge these devices, they stumble upon the highway to heaven. Each of them falls in love as their miraculous invention takes the world by storm. Millions make the trip. As Heaven Ride prospers, its repercussions ripple throughout society. Protests, bombs and kidnappings threaten to shut it down, posing risks to David, JW, their friends and families. Long after Heaven Ride becomes a household word, startling revelations put David and JW in the crosshairs of dangerous men seeking ultimate power. With HEAVEN RIDE, John Eccleston and Kerry Gleason have woven an intense tale of ambition, success, friendship, betrayal, greed and corruption. It's an intricate and interesting tale of mankind's most startling invention, and technology gone awry.

Orley Farm

Trollope's Works ￼￼￼

THE COMMENCEMENT OF THE GREAT ORLEY FARM CASE. It is not true that a rose by any other name will smell as sweet. Were it true, I should call this story "The Great Orley Farm Case." But who would ask for the ninth number of a serial work burthened with so very uncouth an appellation? Thence, and therefore,—Orley Farm. I say so much at commencing in order that I may have an opportunity of explaining that this book of mine will not be devoted in any special way to rural delights. The name might lead to the idea that new precepts were to be given, in the pleasant guise of a novel, as to cream-cheeses, pigs with small bones, wheat sown in drills, or artificial manure. No such aspirations are mine. I make no attempts in that line, and declare at once that agriculturists will gain nothing from my present performance. Orley Farm, my readers, will be our scene during a portion of our present sojourn together, but the name has been chosen as having been intimately connected with certain legal questions which made a considerable stir in our courts of law. It was twenty years before the date at which this story will be supposed to commence that the name of Orley Farm first became known to the wearers of the long robe. At that time had died an old gentleman, Sir Joseph Mason, who left behind him a landed estate in Yorkshire of considerable extent and value. This he bequeathed, in a proper way, to his eldest son, the Joseph Mason, Esq., of our date. Sir Joseph had been a London merchant; had made his own money, having commenced the world, no doubt, with half a crown; had become, in turn, alderman, mayor, and knight; and in the fulness of time was gathered to his fathers. He had purchased this estate in Yorkshire late in life—we may as well become acquainted with the name, Groby Park—and his eldest son had lived there with such enjoyment of the privileges of an English country gentleman as he had been able to master for himself. Sir Joseph had also had three daughters, full sisters of Joseph of Groby, whom he endowed sufficiently and gave over to three respective loving husbands. And then shortly before his death, three years or so, Sir Joseph had married a second wife, a lady forty-five years his junior, and by her he also left one son, an infant only two years old when he died.

Benevolent

Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.

The Reluctant Rancher

Luke Tanner was a hard man with a painful past. It seemed as if every single citizen of Fiddler Creek wanted something from the wealthy rancher. He'd learned early on not many cared to see past his looks and sour attitude and discover the man beneath. So when the generously curved Mary Carter hit him up for a loan to save her fledgling business, he made her a short-term proposition she couldn't refuse. Only the more time the reluctant rancher spends with the lovely Mary, the more he starts to think about a long-term relationship. Mary Carter had fantasized about Luke Tanner since her first glimpse of the veritable mountain of a man with a perpetual scowl. She'd never been brave enough to approach him until circumstances forces her to seek his help. The Reluctant Rancher is the story of two individuals who have never experienced the soul stirring passion of true love- until they find each other. If you like Diana Palmer, Linda Howard, Leanne Banks, Angela Verndenius, you'll love Joann Baker and Patricia Mason

How to Raise Cattle

Raising livestock, such as cattle, used to be a common practice among homesteaders and early settlers. These people used cattle for many of the same things we do today; for food, milk, and to tan leather for clothes and other goods. They also used cattle as draft animals when horses were scarce; to pull carts, farm equipment, and wagons full of products. Currently, most cattle farmers operate an institution of the industrial food chain, rather than butchering their livestock for self-sustenance. Should a survival situation of epic proportions ever befall us, raising cattle for food will once again be a common trait among those fortunate enough to survive. This guide books walks the novice rancher through the process of raising cattle, from calving to butchering, this book covers quite a bit. This book is full of the knowledge and skills you will require if you have the desire to raise cattle for any purpose, or for a multitude of purposes. If you've never raised cattle before, this is the book for you. To Your Safety & Security, Tristan Trubble

The Pinnacle of Power *Createspace Independent Pub*

Four Frontiers

Three young men do what we all wanted to - they build Rocket Ship Galileo and fly it to the moon. Of course it's not so simple: there are rivals and red tape to overcome, and a totally unexpected and possibly lethal -- surprise waiting for them when they get there. Matt Dodson has heroic dreams of

joining Space Patrol, so he becomes a Space Cadet and embarks on the long and difficult training that will show if he can do the job. His mettle is tested to the utmost when, on his first training flight he finds himself in the midst of an interplanetary crisis. Jim Marlowe grew up on the Red Planet, and when he's sent off to boarding school at Syrtis Major, he insists on taking his Martian pet with him. He doesn't anticipate how much trouble friendly little Willis will get him into -- and how paradoxically lucky that will turn out to be. Bill Lerner can't wait to leave an overcrowded Earth and become a Farmer in the Sky on Ganymede. He thinks he's ready for hard work and hardship -- but he has no idea what it will mean when things go wrong and the nearest help is four hundred million miles away!

Project Hell

Sex, love, and the end of the world. 1000 years after Earth has been devastated by a viral plague, the few survivors turn to genetic engineering and advanced robotics to ensure the future of the human race. But not everyone is happy with artificial life living amongst humans, least of all Peyton Chase, a doctor with a harrowing past. When he's 'gifted' a state-of-the-art companion that he can't send back, Peyton is far from pleased. She's sentient. She's sexy. She's everything he doesn't want complicating his life. He calls her Hell. She calls him a lot of inappropriate things, at least in her mind. Because there are rules to a relationship like theirs. Master and Slave. She's supposed to obey him in all things. But if that's true, why can't she stop meddling in his life? She's a mystery that Peyton needs to solve. But time is running out for Hell. The deadly truth of her origins is about to catch up with her ...and change the course of human civilization forever.

West Richardson Street

A Novel about High Wycombe CreateSpace

'Life is one big road with a lot of signs, signs and more signs you've got to make up your mind to face reality all the time.' Badmarsh & Shri/Tenor Saw/Bob Marley Shiraz is a newly appointed Police Community Support Officer who discovers the body of an Asian prostitute Mandy in a skip in West Richardson Street, High Wycombe. The investigations lead him to a local taxi driver Asif and a journalist Stacy who works for a local newspaper. Running alongside this is the story of Anna the daughter of a furniture worker in High Wycombe in 1913 and her adventures during these heady times in the town's history. In the background is the spectre of the Assassin whose agenda of racial terrorism drives the story to a profound climax. West Richardson Street is about the past and the present histories of High Wycombe. About lives lost over pieces of dirt and how particular roads and areas of the town resonate with dark and unspoken tales. It's about placing the arrival of Asian and African Caribbean people to Buckinghamshire in a historical context and making them part of this history rather than existing outside of it. West Richardson Street looks at the town throughout the ages but in particular before the war where the furniture industry in High Wycombe was at its height, the early eighties where there were riots and finally 2007 and the paranoid times after the 2006 terror raids. 'The lie was powerful. It had wrapped itself over the Chiltern Hills and the fabric of the County. It was embedded into the DNA of the mighty and the powerful and covered up a multitude of sins.'

The Other Alexander

Book I of the Bow of Heaven

"Winner, 2011 Gold Award, Historical Fiction, eLit Book Awards." In the greatest, foulest city in the world, love, mayhem and betrayal are waiting for the slave, Alexandros. Given as a gift to the richest man in Rome, he soon discovers that intrigue and murder stalk the house of his master. Alexandros can solve the crime, but if he does, the worst punishment may prove to be his own. Alexandros is astute, well-educated and brimming with caustic wit, but he can't seem to remember the golden rule of slavery: keep your head down and your mouth shut. No wonder more than one person in the house of Marcus Crassus wants to see this former Greek philosophy student dead. Through accident and intervention, Alexandros manages to survive, but is he willing to take the proffered hand of the one ally he wants desperately to despise - his owner? Every boon and advancement accepted from Crassus is an acknowledgment that his former life is gone. Yet how can he resist? Crassus is a good man, for a Roman. At last, Alexandros realizes that accepting his condition is the only way to recoup the little freedom left him. He willingly opens his eyes to his new life ... and immediately falls in love with Livia, a fellow servant he's never allowed himself to see. But romance for a slave is a fragile thing, especially when tragedy befalls the Crassus household in the guise of Gaius Julius Caesar and his insatiable ambition. Alexandros has won the ear of Crassus,

but can a slave keep a master of Rome from making a choice that could topple the foundations of an empire?

That's when they find out that there is something evil lurking around them.

Boy from the Sky

The Curious Genesis of the World's First Ethnography Thistle Publishing

In 1806 a British privateer limped into the Tongan archipelago. This is the story of the fifteen year-old ship's clerk who, in four years, rose from being a naked and derided castaway to a member of the Tongan aristocracy. Eight years after he was rescued, William Mariner's account of his years in Tonga became a best-seller not because of its status as the world's first ethnography but due to the extraordinary adventure story he told. Surviving a massacre aboard the ship, Mariner was adopted by its perpetrator, King Finau, and groomed to be his lieutenant. With the ship's cannons and muskets in the hands of the sixteen other crewmembers he had spared for the task, Finau plunged the islands into civil war. Mariner's graphic account of the impact of western arms upon a stone-age population is matched by his descriptions of the chaotic scenes that followed as Finau's army resorted to cannibalism and headhunting. But by placing himself at the centre of the action and airbrushing out the other crewmembers Mariner constructed a gripping but deeply deceptive narrative. From sources unavailable at the time of the publication of his account this book uncovers the extraordinary reasons for his deception. Praise for Nigel Randell's last book 'The White Headhunter': "His telling of Renton's story is brilliantly done....original and gripping. " - Sunday Times "It is an utterly compelling story." - Daily Mail "Fascinating and horrendous." - Publisher's Weekly "A fabulous ethnographic tale." - Kirkus Review

Destitution Martin Sisters Publishing

Life in lower class as offspring of a notorious thief was simple for the Quartar daughters until accidental mishaps with the other classes of society turn their dirt poor lives around for worse and better. Eight young women are taken from the slums into the high class world they never understood only at first to find betrayal, suffering, scandal, revenge and corruption. Then, before they know it they are wrapped in the grandest scandal their country of Galli has ever seen. The kingdom of Cretaine is trying to overthrow the corrupted kingdom of Galli. The Quartar family must betray their world in order to save Galli from a brutal civil war.

The Seeds of New Earth (the Silent Earth, Book 2) CreateSpace

The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. Her Happy Ever After

Book Three of the Love's Territory Series Createspace Independent Publishing Platform

It was only supposed to be a short visit. It turned into a love affair. Melanie White is in trouble. Young, unmarried, with no resources to speak of, she's forced to flee home and hide out with her aunt on a ranch in a western mining town. She's just passing through on her way farther West, and it's a good thing, too: she can't stand the ranch owner. He's rowdy, immature...and undeniably attractive. David Tanner has his life just the way he likes it: he does what he wants, when he wants, and nobody can tell him any different--least of all, his former nanny's niece Melanie, who likes books more than people. But when a family emergency forces Melanie and David to work together, she discovers that there's more to him than meets the eye. And he finds out that life as a bachelor may not be what he likes after all. Contains mild language and sensual content within marriage.
