The National Interest is an American bimonthly conservative international affairs magazine edited by American journalist Jacob Heilbrunn and published by the Center for the National Interest, a public policy think tank based in Washington D.C. that was established by former U.S. President Richard Nixon in 1994 as the Nixon Center for Peace and Freedom. The magazine is associated with the realist school of foreign policy thought. It was founded in 1985 by Irving Kristol and until 2001 was edited

The National Interest - Wikipedia

Interest is what you pay for borrowing money, and what banks pay you for saving money with them. Interest rates are shown as a percentage of the

amount you borrow or save over a year. So if you put £100 into a savings account with a 1% interest rate, you'd have £101 a year later.
