He Walked the Americas

He Walked the Americas *Amherst Press*

He Walked the Americas

St. Alphabet slides down the bookcase, fills the pages, and rides off on his "A".

He Walked the Americas

"About two thousand years ago a mysterious white man walked from tribe to tribe among the American Nations. He came to Peru from the Pacific. He traveled through the South and Central America, among the Mayans, into Mexico and all of North America, then back to ancient Tula, from whence he departed across the Atlantic to the land of his origin. Who was this white Prophet who spoke a thousand languages, healed the sick, raised the dead, and taught in the same words as Jesus Himself? These are true Indian legends, gathered during twenty-five years of research by L. Taylor Hansen, archeologist and writer,

from many different tribes all over the Americas. By consulting museums, libraries and experts on folklore, it has been possible for her to correlate the findings into this fascinating book, backed up by the spades of the diggers into ancient ruins. This is a book that will back up the New Testament of the East, with the Christian Indian legends of the West. In this book is proof that a mysterious healer and prophet came not only to one continent, but to Pacific Islands and the Americas as well. This book will strengthen your faith as no other could! Now, back in print in this paperback edition after more than 20 years! Did a strange miracle man travel, with the help of a Phoenician fleet, around the world about 2000 years ago--voyaging across the Pacific from

Indonesia and then returning to the Mediterranean? Hansen tells us: Yes!"--Publisher's description.

He Walked the Americas

The Trail of the Prophet

About two thousand years ago a mysterious white man walked from tribe to tribe among the American Nations. He came to Peru from the Pacific. He traveled through the South and Central America, among the Mayans, into Mexico and all of North America, then back to ancient Tula, from whence he departed across the Atlantic to the land of his origin. Who was this white Prophet who spoke a thousand languages, healed the sick, raised the dead, and taught in the same words a Jesus Himself? These are

true Indian legends, gathered during twenty-five years of research by L. Taylor Hansen, archeologist and writer, from many different tribes all over the Americas. By consulting museums, libraries and experts on folklore, it has been possible for her to correlate the findings into this fascinating book, backed up by the spades of the diggers into ancient ruins. This is a book that will back up the New Testament of the East, with the Christian Indian legends of the West. In this book is proof that a mysterious healer and prophet came not only to one continent, but to Pacific Islands and the Americas as well. This book will strengthen your faith as no other could! Now, back in print in this paperback edition after more than 20 years! Did a strange miracle man travel,

with the help of a Phoenician fleet, around the world about 2000 years ago-voyaging across the Pacific from Indonesia and then returning to the Mediterranean? Hansen tells us: Yes!

He Walked Around the Horses *The Floating Press*

Science fiction author H. Beam Piper is regarded as one of the genre's most inventive practitioners, and this short but gripping tale puts his remarkable creative powers on full display. "He Walked Around the Horses" takes the real-world case of the mysterious disappearance of a nineteenth-century diplomat and melds it into a mind-bending science fiction story. Fans of speculative SF will love this gratifying read.

He Walked the Americas: the Life, Legend, and Teachings of Quetzalcoatl

Two thousand years ago, a mysterious white man walked from tribe to tribe among the Native American nations. He came to Peru from the Pacific, and then he traveled through South, Central, and North America. He came back to meet with the Mayans in ancient Tula, Mexico, before departing across the Atlantic to his land of origin. Who was this white prophet, who spoke a thousand languages, healed the sick, raised the dead, and taught in the same words as Jesus himself? These are true Native American legends, gathered during 25 years of research by famed archaeologist L. Taylor Hansen, featuring many different tribes. By consulting

museums, libraries, and other experts on folklore, Hansen's extensive findings were successfully correlated into this fascinating book. This is a work that ties together the Christian stories of the New Testament with the Indian legends of the west. In this book is substantial evidence that Jesus Christ - or someone very similar to him - came not only to one continent, but to the entire world.

Walking the Americas

'A wildly entertaining account of his epic journey' Daily Mail *Hachette UK*

LOGLISTED IN THE ADVENTURE TRAVEL CATEGORY OF THE 2017 BANFF MOUNTAIN BOOK AWARDS SUNDAY TIMES TOP 10 BESTSELLER BY THE AUTHOR OF WALKING THE HIMALAYAS,

WINNER OF THE 2016 EDWARD STANFORD ADVENTURE TRAVEL BOOK OF THE YEAR AWARD 'Levison Wood has breathed new life into adventure travel.' Michael Palin Walking the Americas chronicles Levison Wood's 1,800 mile trek along the spine of the Americas, through eight countries, from Mexico to Colombia, experiencing some of the world's most diverse, beautiful and unpredictable places. His journey took him from violent and dangerous cities to ancient Mayan ruins lying still unexplored in the jungles of Mexico and Guatemala. He encountered members of indigenous tribes, migrants heading towards the US border and proud Nicaraguan revolutionaries on his travels, where at the end of it all, he attempted to cross one of the most

impenetrable borders on earth: the Darien Gap route from Panama into South America. This trek required every ounce of Levison Wood's guile, tact, strength and resilience in one of the most raw, real and exciting journeys of his life.

Travels with Charley in Search of America

(Penguin Classics Deluxe Edition)
Penguin

An intimate journey across and in search of America, as told by one of its most beloved writers, in a deluxe centennial edition In September 1960, John Steinbeck embarked on a journey across America. He felt that he might have lost touch with the country, with its speech,

the smell of its grass and trees, its color and quality of light, the pulse of its people. To reassure himself, he set out on a voyage of rediscovery of the American identity, accompanied by a distinguished French poodle named Charley; and riding in a three-quarter-ton pickup truck named Rocinante. His course took him through almost forty states: northward from Long Island to Maine; through the Midwest to Chicago; onward by way of Minnesota, North Dakota, Montana (with which he fell in love), and Idaho to Seattle, south to San Francisco and his birthplace, Salinas; eastward through the Mojave, New Mexico, Arizona, to the vast hospitality of Texas, to New Orleans and a shocking drama of desegregation; finally, on the last leg, through Alabama, Virginia,

Pennsylvania, and New Jersey to New York. *Travels with Charley in Search of America* is an intimate look at one of America's most beloved writers in the later years of his life—a self-portrait of a man who never wrote an explicit autobiography. Written during a time of upheaval and racial tension in the South—which Steinbeck witnessed firsthand—*Travels with Charley* is a stunning evocation of America on the eve of a tumultuous decade. This Penguin Classics Deluxe Edition also features French flaps and deckle-edged paper. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works

throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. From the Trade Paperback edition.

A Little Devil in America

In Praise of Black Performance

Random House Trade Paperbacks

NATIONAL BOOK AWARD FINALIST • A sweeping, genre-bending “masterpiece” (Minneapolis Star Tribune) exploring Black art, music, and culture in all their glory and complexity—from Soul Train, Aretha Franklin, and James Brown to The

Fresh Prince of Bel-Air, Whitney Houston, and Beyoncé ONE OF THE TEN BEST BOOKS OF THE YEAR: Chicago Tribune, The Philadelphia Inquirer, The Dallas Morning News, Publishers Weekly “Gorgeous essays that reveal the resilience, heartbreak, and joy within Black performance.”—Brit Bennett, #1 New York Times bestselling author of *The Vanishing Half* “I was a devil in other countries, and I was a little devil in America, too.” Inspired by these few words, spoken by Josephine Baker at the 1963 March on Washington, MacArthur “Genius Grant” Fellow and bestselling author Hanif Abdurraqib has written a profound and lasting reflection on how Black performance is inextricably woven into the fabric of American culture. Each moment in every performance he

examines—whether it's the twenty-seven seconds in "Gimme Shelter" in which Merry Clayton wails the words "rape, murder," a schoolyard fistfight, a dance marathon, or the instant in a game of spades right after the cards are dealt—has layers of resonance in Black and white cultures, the politics of American empire, and Abdurraqib's own personal history of love, grief, and performance. Touching on Michael Jackson, Patti LaBelle, Billy Dee Williams, the Wu-Tan Clan, Dave Chappelle, and more, Abdurraqib writes prose brimming with jubilation and pain. With care and generosity, he explains the poignancy of performances big and small, each one feeling intensely familiar and vital, both timeless and desperately urgent. Filled with sharp insight, humor, and heart, A

Little Devil in America exalts the Black performance that unfolds in specific moments in time and space—from midcentury Paris to the moon, and back down again to a cramped living room in Columbus, Ohio. WINNER OF THE ANDREW CARNEGIE MEDAL AND THE GORDON BURN PRIZE • FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE AWARD AND THE PEN/DIAMONSTEIN-SPIELVOGEL AWARD ONE OF THE BEST BOOKS OF THE YEAR: The New York Times Book Review, Time, The Boston Globe, NPR, Rolling Stone, Esquire, BuzzFeed, Thrillist, She Reads, BookRiot, BookPage, Electric Lit, The Rumpus, LitHub, Library Journal, Booklist

After the Apocalypse

America's Role in a World Transformed *Metropolitan Books*

A bold and urgent perspective on how American foreign policy must change in response to the shifting world order of the twenty-first century, from the New York Times bestselling author of *The Limits of Power* and *The Age of Illusions*. The purpose of U.S. foreign policy has, at least theoretically, been to keep Americans safe. Yet as we confront a radically changed world, it has become indisputably clear that the terms of that policy have failed. Washington's insistence that a market economy is compatible with the common good, its faith in the idea of the "West" and its "special relationships," its conviction that global military primacy is the key to a stable and sustainable world

order—these have brought endless wars and a succession of moral and material disasters. In a bold reconception of America's place in the world, informed by thinking from across the political spectrum, Andrew J. Bacevich—founder and president of the Quincy Institute for Responsible Statecraft, a bipartisan Washington think tank dedicated to foreign policy—lays down a new approach—one that is based on moral pragmatism, mutual coexistence, and war as a last resort. Confronting the threats of the future—accelerating climate change, a shift in the international balance of power, and the ascendance of information technology over brute weapons of war—his vision calls for nothing less than a profound overhaul of our understanding of

national security. Crucial and provocative, *After the Apocalypse* sets out new principles to guide the once-but-no-longer sole superpower as it navigates a transformed world.

America Walks into a Bar

A Spirited History of Taverns and Saloons, Speakeasies and Grog Shops *Oxford University Press*

When George Washington bade farewell to his officers, he did so in New York's Fraunces Tavern. When Andrew Jackson planned his defense of New Orleans against the British in 1815, he met Jean Lafitte in a grog shop. And when John Wilkes Booth plotted with his accomplices to carry out an assassination, they gathered in Surratt

Tavern. In *America Walks into a Bar*, Christine Sismondo recounts the rich and fascinating history of an institution often reviled, yet always central to American life. She traces the tavern from England to New England, showing how even the Puritans valued "a good Beere." With fast-paced narration and lively characters, she carries the story through the twentieth century and beyond, from repeated struggles over licensing and Sunday liquor sales, from the Whiskey Rebellion to the temperance movement, from attempts to ban "treating" to Prohibition and repeal. As the cockpit of organized crime, politics, and everyday social life, the bar has remained vital--and controversial--down to the present. In 2006, when the Hurricane Katrina Emergency Tax Relief Act was passed, a

rider excluded bars from applying for aid or tax breaks on the grounds that they contributed nothing to the community. Sismondo proves otherwise: the bar has contributed everything to the American story. Now in paperback, Sismondo's heady cocktail of agile prose and telling anecdotes offers a resounding toast to taprooms, taverns, saloons, speakeasies, and the local hangout where everybody knows your name.

Fair Gods and Feathered Serpents

A Search for Ancient America's Bearded White God *Horizon Pub & Dist Incorporated*

Everywhere they went in the New World, missionaries, trappers, colonizers and conquistadores encountered strange

stories of bearded, white visitor who came in ancient times-long before Columbus-and brought a higher civilization with him. So remarkable was this visitor and his advanced civilization that natives built huge monuments and great structures in his honor, and many worshiped him as a God. His symbol, the feathered serpent, appeared in ceremonies, paintings, carvings and architecture which can still be seen at various site throughout the Americas. Carefully researched and documented but written for the layman as well as the scholar, this exciting book will lead readers along the fascinating path of discovery, insight and deduction as it attempts to solve the most baffling riddle ever produced by the ancient Americas-the identity of its mysterious

bearded white visitor.

The Suppressed History of America

The Murder of Meriwether Lewis and the Mysterious Discoveries of the Lewis and Clark Expedition

Simon and Schuster

An investigation into the discoveries of Lewis and Clark and other early explorers of America and the terrible acts committed to suppress them • Provides archaeological proof of giants, the fountain of youth, and descriptions from Lewis's journals of a tribe of "nearly white, blue-eyed" Indians • Uncovers evidence of explorers from Europe and Asia prior to Columbus and of ancient civilizations in North America and the Caribbean • Investigates the

Smithsonian conspiracy to cover up Lewis and Clark's discoveries and what lead to Lewis's murder Meriwether Lewis discovered far more than the history books tell--ancient civilizations, strange monuments, "nearly white, blue-eyed" Indians, and evidence that the American continent was visited long before the first European settlers arrived. And he was murdered to keep it all secret. Examining the shadows and cracks between America's official version of history, Xaviant Haze and Paul Schrag propose that the America of old taught in schools is not the America that was discovered by Lewis and Clark and other early explorers. Investigating the discoveries of Spanish conquistadors and Olmec stories of contact with European-like natives, the authors uncover

evidence of explorers from Europe and Asia prior to Columbus, sophisticated ancient civilizations in North America and the Caribbean, the fountain of youth, and a long-extinct race of giants. Verifying stories from Lewis's journals with modern archaeological finds, geological studies, 18th- and 19th-century newspapers, and accounts of the world in the days of Columbus, the authors reveal how Lewis and Clark's finds infuriated powerful interests in Washington--including the Smithsonian Institution--culminating in the murder of Meriwether Lewis.

A Land So Strange

The Epic Journey of Cabeza de Vaca *Basic Books*

In 1528, a mission set out from Spain to colonize Florida. But the expedition went horribly wrong: Delayed by a hurricane, knocked off course by a colossal error of navigation, and ultimately doomed by a disastrous decision to separate the men from their ships, the mission quickly became a desperate journey of survival. Of the three hundred men who had embarked on the journey, only four survived—three Spaniards and an African slave. This tiny band endured a horrific march through Florida, a harrowing raft passage across the Louisiana coast, and years of enslavement in the American Southwest. They journeyed for almost ten years in search of the Pacific Ocean that would guide them home, and they were forever changed by their experience. The men

lived with a variety of nomadic Indians and learned several indigenous languages. They saw lands, peoples, plants, and animals that no outsider had ever seen before. In this enthralling tale of four castaways wandering in an unknown land, Andrés Reséndez brings to life the vast, dynamic world of North America just a few years before European settlers would transform it forever.

The Ten Tribes of Israel

Or the True History of the North American Indians, Showing that They are the Descendants of These Ten Tribes

Origin

A Genetic History of the Americas

Hachette UK

AN INSTANT NEW YORK TIMES BESTSELLER! From celebrated anthropologist Jennifer Raff comes the untold story—and fascinating mystery—of how humans migrated to the Americas. ORIGIN is the story of who the first peoples in the Americas were, how and why they made the crossing, how they dispersed south, and how they lived based on a new and powerful kind of evidence: their complete genomes. ORIGIN provides an overview of these new histories throughout North and South America, and a glimpse into how the tools of genetics reveal details about human history and evolution. 20,000 years ago, people crossed a great land bridge from Siberia into Western Alaska

and then dispersed southward into what is now called the Americas. Until we venture out to other worlds, this remains the last time our species has populated an entirely new place, and this event has been a subject of deep fascination and controversy. No written records—and scant archaeological evidence—exist to tell us what happened or how it took place. Many different models have been proposed to explain how the Americas were peopled and what happened in the thousands of years that followed. A study of both past and present, *ORIGIN* explores how genetics is currently being used to construct narratives that profoundly impact Indigenous peoples of the Americas. It serves as a primer for anyone interested in how genetics has become entangled with identity in the

way that society addresses the question "Who is indigenous?"

The True American: Murder and Mercy in Texas *W. W. Norton & Company*

Describes how a Bangladeshi immigrant, shot in the Dallas mini mart where he worked in the days after September 11 in a revenge crime, forgives his assailant and petitions the State of Texas to spare his attacker the death penalty. 20,000 first printing.

Overground Railroad

The Green Book and the Roots of Black Travel in America *Abrams*

This historical exploration of the Green Book offers "a fascinating [and]

sweeping story of black travel within Jim Crow America across four decades” (The New York Times Book Review). Published from 1936 to 1966, the Green Book was hailed as the “black travel guide to America.” At that time, it was very dangerous and difficult for African-Americans to travel because they couldn’t eat, sleep, or buy gas at most white-owned businesses. The Green Book listed hotels, restaurants, gas stations, and other businesses that were safe for black travelers. It was a resourceful and innovative solution to a horrific problem. It took courage to be listed in the Green Book, and Overground Railroad celebrates the stories of those who put their names in the book and stood up against segregation. Author Candacy A. Taylor

shows the history of the Green Book, how we arrived at our present historical moment, and how far we still have to go when it comes to race relations in America. A New York Times Notable Book of 2020

Between the World and Me *One World*

SPECIAL EVENT Hailed by Toni Morrison
as “required reading,” a bold and
personal literary exploration of

America's racial history by "the most important essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a

powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world

through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

Museum of the Americas *Penguin*

Longlisted for the 2018 National Book Award in Poetry Winner of the National Poetry Series Competition, selected by Cornelius Eady--an exploration in verse

of imperial appropriation and Mexican American cultural identity "Marvelous, argumentative, and curiosity-provoking" --The New York Times Book Review The poems in J. Michael Martinez's third collection of poetry circle around how the perceived body comes to be coded with the trans-historical consequences of an imperial narrative. Engaging beautiful and otherworldly Mexican casta paintings, morbid photographic postcards depicting the bodies of dead Mexicans, the strange journey of the wood and cork leg of General Santa Anna, and Martinez's own family lineage, *Museum of the Americas* gives accounts of migrant bodies caught beneath, and fashioned under, a racializing aesthetic gaze. Martinez questions how "knowledge" of the body is organized

through visual perception of that body, hypothesizing the corporeal as a repository of the human situation, a nexus of culture. Museum of the Americas' poetic revives and repurposes the persecuted ethnic body from the appropriations that render it an art object and, therefore, disposable.

America's Boardwalks

From Coney Island to California

James Lilliefors

This richly documented and illustrated tale takes readers on a journey along the edges of the country to 12 of its most famous beach towns to reveal the vitality of the American boardwalk as an idea, rather than just a place.

The Warmth of Other Suns

The Epic Story of America's Great Migration *Vintage*

Presents an epic history that covers the period from the end of World War I through the 1970s, chronicling the decades-long migration of African Americans from the South to the North and West through the stories of three individuals and their families.

America Is in the Heart

A Personal History *University of Washington Press*

First published in 1943, this classic memoir by well-known Filipino poet Carlos Bulosan describes his boyhood in the Philippines, his voyage to America,

and his years of hardship and despair as an itinerant laborer following the harvest trail in the rural West. Replaced by ISBN 9780295993539

A Walk Across America *Harper Collins*

Twenty-five years ago, a disillusioned young man set out on a walk across America. This is the book he wrote about that journey -- a classic account of the reawakening of his faith in himself and his country. "I started out searching for myself and my country," Peter Jenkins writes, "and found both." In this timeless classic, Jenkins describes how disillusionment with society in the 1970s drove him out onto the road on a walk across America. His experiences remain as sharp and telling today as they were twenty-five years ago -- from the

timeless secrets of life, learned from a mountain-dwelling hermit, to the stir he caused by staying with a black family in North Carolina, to his hours of intense labor in Southern mills. Many, many miles later, he learned lessons about his country and himself that resonate to this day -- and will inspire a new generation to get out, hit the road and explore.

The Longest Walk

George Meegan is an adventurer, lecturer, school reformer, and world traveler. He holds eight Guinness World Records, the most official world records for any European. This includes "The Longest Unbroken March of All Time" that which is described in this book. The epic journey he began linked Tierra del Fuego, South America to Prudhoe Bay,

Alaska. The 19,019 miles, was completed in 2,425 days / 41 million steps. He was shot at and nearly killed by a Street Gang in Panama. He traversed the historically impassable Darien Gap, married his Japanese sweetheart, became a father, and was welcomed by US President Jimmy Carter! Across the United States the World Walker preceded town-to-town, George found he had discovered the 'American Dream'! From New York, where he was honoured by Meegan Day in Brooklyn. He proceeded through northern USA, into Canada's Yukon, and onto the final step into the Arctic Circle. On the afternoon of September 18, 1983, he crossed frozen tundra to the edge of the Arctic Ocean, dipped his hand into the cold, slivery water, and

was done. He fell to his knees and wept. Until this day no human had ever traversed the entire Americas, be it by vehicle or even ship or aircraft; but of course, Meegan was on foot. Today, nearly three decades later, the feat remains unequaled. At age 31, George Meegan had walked 19,019 unbroken miles, and rose from the water's edge to face a new challenge of dealing with his journey for the entire remainder of his life. The Longest Walk took place between 1977 and 1983. In 2000, he completed about 500km across the ice to reach Barrow, Alaska, the largest Eskimo settlement in the world. It was the final action of the 20th century at the historic millennium, Meegan uniquely got the USA government (by order of the White House) to 'fall down on knees' and

apologize before to the First Nations for historical travesties. The story of the Longest Walk found its way to Dodd, Mead of New York. Just before publication, the book editor died, and then, after 199-years, Dodd, Mead slipped beneath the waves into bankruptcy. So, notwithstanding powered coverage, it was too late. The sunk publisher took the book down with them, after being told that his book was bound to become a bestseller. The English Publishers told him 'They would publish nothing he wrote!!' In 1989, Paragon House pressed out a few thousand copies, but few saw it. Xlibris, ETC. of Philadelphia resurrected it; all in all, not a success. Still, from time to time, Meegan received letters asking about the abrupt vanish of The Longest

Walk. Now, the answer is the 2021 Third Edition. This is the original story, with unpublished photos, an extended appendix, and Yoshiko, his wife makes an encore!

The Bearded White God of Ancient America

The Legend of Quetzalcoatl *Council Press*

In the ancient history of Latin America, myths and legends abound of the visitation of Quetzalcoatl, often referred to as the Bearded White God. the Bearded White God of Ancient America relives and explains Cortez' stunning conquest of the vast Aztec empire in the context of the Quetzalcoatl myths and legends. This book gives you a great

source for the ancient Latin American Quetzalcoatl myths and legends-from the rare remaining writings of the great Aztec and Incan empires to the writings of the early Spanish colonial priests, soldiers, and colonists who had access to those original native writings not destroyed in the conquest. the Bearded White God of Ancient America concludes with an intriguing study of the Quetzalcoatl myths in the context of LDS theology. Key Features: Addresses the following questions about the legend of Quetzalcoatl: Who was he? When did he appear? Where did he come from? Why did he come? What did he teach? Where did he go? a great source for the ancient Latin American Quetzalcoatl myths and legends. Concludes with an intriguing study of the Quetzalcoatl myths in the

context of LDS theology.

Spying on the South

An Odyssey Across the American Divide *Penguin*

The New York Times-bestselling final book by the beloved, Pulitzer-Prize winning historian Tony Horwitz. With *Spying on the South*, the best-selling author of *Confederates in the Attic* returns to the South and the Civil War era for an epic adventure on the trail of America's greatest landscape architect. In the 1850s, the young Frederick Law Olmsted was adrift, a restless farmer and dreamer in search of a mission. He found it during an extraordinary journey, as an undercover correspondent in the South for the up-and-coming New York

Times. For the Connecticut Yankee, pen name "Yeoman," the South was alien, often hostile territory. Yet Olmsted traveled for 14 months, by horseback, steamboat, and stagecoach, seeking dialogue and common ground. His vivid dispatches about the lives and beliefs of Southerners were revelatory for readers of his day, and Yeoman's remarkable trek also reshaped the American landscape, as Olmsted sought to reform his own society by creating democratic spaces for the uplift of all. The result: Central Park and Olmsted's career as America's first and foremost landscape architect. Tony Horwitz rediscovers Yeoman Olmsted amidst the discord and polarization of our own time. Is America still one country? In search of answers, and his own adventures, Horwitz follows

Olmsted's tracks and often his mode of transport (including muleback): through Appalachia, down the Mississippi River, into bayou Louisiana, and across Texas to the contested Mexican borderland. Venturing far off beaten paths, Horwitz uncovers bracing vestiges and strange new mutations of the Cotton Kingdom. Horwitz's intrepid and often hilarious journey through an outsized American landscape is a masterpiece in the tradition of Great Plains, Bad Land, and the author's own classic, *Confederates in the Attic*.

Pedestrianism

When Watching People Walk Was America's Favorite Spectator Sport
Chicago Review Press

Strange as it sounds, during the 1870s and 1880s, America's most popular spectator sport wasn't baseball, football, or horseracing—it was competitive walking. Inside sold-out arenas, competitors walked around dirt tracks almost nonstop for six straight days (never on Sunday), risking their health and sanity to see who could walk the farthest—more than 500 miles. These walking matches were as talked about as the weather, the details reported in newspapers and telegraphed to fans from coast to coast. This long-forgotten sport, known as pedestrianism, spawned America's first celebrity athletes and opened doors for immigrants, African Americans, and women. But along with the excitement came the inevitable scandals, charges of doping and insider

gambling, and even a riot in 1879. Pedestrianism chronicles competitive walking's peculiar appeal and popularity, its rapid demise, and its enduring influence.

The Gospel of the Toltecs

The Life and Teachings of Quetzalcoatl *Inner Traditions / Bear & Co*

The author has gathered Nahua and Maya codexes, Spanish chronicles of conquest, and native oral tradition to recount the life of Quetzalcoatl: his temptation and fall; his initiation with sacred mushrooms; his long journey in search of spiritual enlightenment; his triumphant return to the Toltec land; and his subsequent teaching, self-

immolation, ascension, and promise of return.

The Pedestriennes

America's Forgotten Superstars

Homegoing

A novel *Vintage*

A NEW YORK TIMES NOTABLE BOOK • Ghana, eighteenth century: two half sisters are born into different villages, each unaware of the other. One will marry an Englishman and lead a life of comfort in the palatial rooms of the Cape Coast Castle. The other will be captured in a raid on her village, imprisoned in the very same castle, and sold into slavery. One of Oprah's Best Books of the Year

and a PEN/Hemingway award winner, *Homegoing* follows the parallel paths of these sisters and their descendants through eight generations: from the Gold Coast to the plantations of Mississippi, from the American Civil War to Jazz Age Harlem. Yaa Gyasi's extraordinary novel illuminates slavery's troubled legacy both for those who were taken and those who stayed—and shows how the memory of captivity has been inscribed on the soul of our nation.

The Heartbeat of Wounded Knee

Native America from 1890 to the Present *Penguin*

FINALIST FOR THE 2019 NATIONAL BOOK AWARD
 LONGLISTED FOR THE 2020 ANDREW CARNEGIE MEDAL FOR

EXCELLENCE A NEW YORK TIMES BESTSELLER Named a best book of 2019 by The New York Times, TIME, The Washington Post, NPR, Hudson Booksellers, The New York Public Library, The Dallas Morning News, and Library Journal. "Chapter after chapter, it's like one shattered myth after another." - NPR "An informed, moving and kaleidoscopic portrait... Treuer's powerful book suggests the need for soul-searching about the meanings of American history and the stories we tell ourselves about this nation's past.." - New York Times Book Review, front page A sweeping history—and counter-narrative—of Native American life from the Wounded Knee massacre to the present. The received idea of Native American history—as promulgated by books like

Dee Brown's mega-bestselling 1970 *Bury My Heart at Wounded Knee*—has been that American Indian history essentially ended with the 1890 massacre at Wounded Knee. Not only did one hundred fifty Sioux die at the hands of the U. S. Cavalry, the sense was, but Native civilization did as well. Growing up Ojibwe on a reservation in Minnesota, training as an anthropologist, and researching Native life past and present for his nonfiction and novels, David Treuer has uncovered a different narrative. Because they did not disappear—and not despite but rather because of their intense struggles to preserve their language, their traditions, their families, and their very existence—the story of American Indians since the end of the nineteenth century

to the present is one of unprecedented resourcefulness and reinvention. In *The Heartbeat of Wounded Knee*, Treuer melds history with reportage and memoir. Tracing the tribes' distinctive cultures from first contact, he explores how the depredations of each era spawned new modes of survival. The devastating seizures of land gave rise to increasingly sophisticated legal and political maneuvering that put the lie to the myth that Indians don't know or care about property. The forced assimilation of their children at government-run boarding schools incubated a unifying Native identity. Conscription in the US military and the pull of urban life brought Indians into the mainstream and modern times, even as it steered the emerging shape of self-rule and spawned a new

generation of resistance. *The Heartbeat of Wounded Knee* is the essential, intimate story of a resilient people in a transformative era.

The Soul of America

The Battle for Our Better Angels

Random House

#1 NEW YORK TIMES BESTSELLER • Pulitzer Prize-winning author Jon Meacham helps us understand the present moment in American politics and life by looking back at critical times in our history when hope overcame division and fear. ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • The Christian Science Monitor • Southern Living Our current climate of

partisan fury is not new, and in *The Soul of America* Meacham shows us how what Abraham Lincoln called the “better angels of our nature” have repeatedly won the day. Painting surprising portraits of Lincoln and other presidents, including Ulysses S. Grant, Theodore Roosevelt, Woodrow Wilson, Franklin D. Roosevelt, Harry S. Truman, Dwight Eisenhower, and Lyndon B. Johnson, and illuminating the courage of such influential citizen activists as Martin Luther King, Jr., early suffragettes Alice Paul and Carrie Chapman Catt, civil rights pioneers Rosa Parks and John Lewis, First Lady Eleanor Roosevelt, and Army-McCarthy hearings lawyer Joseph N. Welch, Meacham brings vividly to life turning points in American history. He writes about the Civil War,

Reconstruction, and the birth of the Lost Cause; the backlash against immigrants in the First World War and the resurgence of the Ku Klux Klan in the 1920s; the fight for women’s rights; the demagoguery of Huey Long and Father Coughlin and the isolationist work of America First in the years before World War II; the anti-Communist witch-hunts led by Senator Joseph McCarthy; and Lyndon Johnson’s crusade against Jim Crow. Each of these dramatic hours in our national life have been shaped by the contest to lead the country to look forward rather than back, to assert hope over fear—a struggle that continues even now. While the American story has not always—or even often—been heroic, we have been sustained by a belief in progress even in the gloomiest of times.

In this inspiring book, Meacham reassures us, “The good news is that we have come through such darkness before”—as, time and again, Lincoln’s better angels have found a way to prevail. Praise for *The Soul of America* “Brilliant, fascinating, timely . . . With compelling narratives of past eras of strife and disenchantment, Meacham offers wisdom for our own time.”—Walter Isaacson “Gripping and inspiring, *The Soul of America* is Jon Meacham’s declaration of his faith in America.”—*Newsday* “Meacham gives readers a long-term perspective on American history and a reason to believe the soul of America is ultimately one of kindness and caring, not rancor and paranoia.”—*USA Today*

American Like Me

Reflections on Life Between Cultures *Gallery Books*

INSTANT NEW YORK TIMES BESTSELLER

From award-winning actress and political activist America Ferrera comes a vibrant and varied collection of first-person accounts from prominent figures about the experience of growing up between cultures. America Ferrera has always felt wholly American, and yet, her identity is inextricably linked to her parents’ homeland and Honduran culture. Speaking Spanish at home, having Saturday-morning-salsa-dance-parties in the kitchen, and eating tamales alongside apple pie at Christmas never seemed at odds with her American identity. Still, she yearned to see that

identity reflected in the larger American narrative. Now, in *American Like Me*, America invites thirty-one of her friends, peers, and heroes to share their stories about life between cultures. We know them as actors, comedians, athletes, politicians, artists, and writers. However, they are also immigrants, children or grandchildren of immigrants, indigenous people, or people who otherwise grew up with deep and personal connections to more than one culture. Each of them struggled to establish a sense of self, find belonging, and feel seen. And they call themselves American enthusiastically, reluctantly, or not at all. Ranging from the heartfelt to the hilarious, their stories shine a light on a quintessentially American experience and will appeal to anyone with a

complicated relationship to family, culture, and growing up.

1493

Uncovering the New World Columbus Created *Vintage*

Reveals how the voyages of Columbus reintroduced plants and animals that had been separated millions of years earlier, documenting how the ensuing exchange of flora and fauna between Eurasia and the Americas fostered a European rise, decimated imperial China and rendered Manila and Mexico City the center of the world for two centuries. Reprint.

All American Boys *Simon and Schuster*

When sixteen-year-old Rashad is

mistakenly accused of stealing, classmate Quinn witnesses his brutal beating at the hands of a police officer who happens to be the older brother of his best friend. Told through Rashad and Quinn's alternating viewpoints.

At Love's Command (Hanger's Horsemen Book #1) Baker Books

Haunted by the horrors of war, ex-cavalry officer Matthew Hanger leads a band of mercenaries known as Hanger's Horsemen who have become legends in 1890s Texas. They defend the innocent and obtain justice for the oppressed. But when a rustler's bullet leaves one of them at death's door, they're the ones in need of saving. Dr. Josephine Burkett is used to men taking one look at her skirts and discounting her medical skills. What

she's not used to is having a man change his mind in a heartbeat and offer to assist her in surgery. Matthew Hanger's dedication to his friend during recovery earns Josephine's respect, and when she hears of her brother's abduction, he becomes her only hope for rescue. Matt has stared down ruthless outlaws, betrayal, and injury, but when a bossy lady doctor crawls under his skin, his heart is tempted to surrender. And when she is caught in the crossfire, he may have to sacrifice everything--even his team--to save her.

The First Conspiracy

The Secret Plot to Kill George Washington Flatiron Books

Taking place during the most critical

period of our nation's birth, *The First Conspiracy* tells a remarkable and previously untold piece of American history that not only reveals George Washington's character, but also illuminates the origins of America's counterintelligence movement that led to the modern day CIA. In 1776, an elite group of soldiers were handpicked to serve as George Washington's bodyguards. Washington trusted them; relied on them. But unbeknownst to Washington, some of them were part of a treasonous plan. In the months leading up to the Revolutionary War, these traitorous soldiers, along with the Governor of New York, William Tryon, and Mayor David Mathews, launched a deadly plot against the most important member of the military: George

Washington himself. This is the story of the secret plot and how it was revealed. It is a story of leaders, liars, counterfeiters, and jailhouse confessors. It also shows just how hard the battle was for George Washington and how close America was to losing the Revolutionary War. In this historical page-turner, New York Times bestselling author Brad Meltzer teams up with American history writer and documentary television producer, Josh Mensch to unravel the shocking true story behind what has previously been a footnote in the pages of history. Drawing on extensive research, Meltzer and Mensch capture in riveting detail how George Washington not only defeated the most powerful military force in the world, but also uncovered the secret plot

against him in the tumultuous days leading up to July 4, 1776. Praise for *The First Conspiracy*: "This is American history at its finest, a gripping story of spies, killers, counterfeiter, traitors, and a mysterious prostitute who may or may not have even existed. Anyone with an interest in American history will love this book." —Douglas Preston, #1 bestselling author of *The Lost City of the Monkey God* "A wonderful book about leadership, and it shows why George Washington and his moral lessons are

just as vital today. What a book. You'll love it." —President George H.W. Bush "This is an important book: a fascinating largely unknown chapter of our hazardous beginning, a reminder of why counterintelligence matters, and a great read." —President Bill Clinton

The Girl on the Fridge

Stories *Macmillan*

Collects early short stories by the Israeli author, on various topics including war, relationships, and aging.
