Understanding Language Change offers a complete introduction to historical linguistics and language change. The book takes a step-by-step approach, first by introducing concepts through English examples and building on this with illustrations from other languages. Key features of this introductory text include:

Understanding Language Change - 1st Edition - Kate ...

How and why do language changes begin; how and why do they spread; and how can they ultimately be explained? This new textbook sets out to answer these questions in a clear and helpful way that will be accessible to all students with only an elementary knowledge of linguistics. In the first half of the book Dr. McMahon analyzes changes from every area of grammar.

Understanding Language Change - April M. S. McMahon ...

"My special interest is how the process of interacting in the world and in society makes language change over time," she said. "Essentially, we're examining what is it about the way humans interact with one another on a daily basis that makes their language, or languages, the way they are."

Understanding the language of change through linguistics ...

The study of language birth is therefore a new, expanding, and often controversial one.

Understanding Language Change - Cambridge University Press

Languages change over time, which makes it harder to trace their history and genealogy further back than 10,000 years. However, it is unclear whether all aspects of language, for instance, grammar...

Understanding language change | Nature Human Behaviour

Language change does not occur at the same rate in all places. Thus the language of the 14th century author of *Pearl and Gawain and the Green Knight* has many features we find in Old English,

while Chaucer, writing at more or less the same time, uses a variety (or varieties) of written English which are far closer to the forms we use today. This may be associated with a north-south divide, though we know too little to assert this with any great confidence.
