I read Melissa Ford's other two books, "Life from Scratch" and "Measure of Love" and enjoyed this one as much as the others. Arianna, Rachel's friend from the previous books, is at the centre of this story. Arianna is juggling the responsibilities and demands of being a single mom, a girlfriend and an aspiring fashion designer.

Measure Of Love (A Life From Scratch Novel Book 2 ...

Life from Scratch is about cooking, blogging, and failed relationships. The "failed relationships" component takes center stage. The cooking part isn't so much about love of cooking or food--this is not a foodie book--as it is about an attempt to get over total ineptitude in the kitchen (and perhaps in life).
