Doodle Alchemy. Available on iOS and Android, Doodle Alchemy starts out like your typical alchemy game would, with just four elements to work with – air, water, earth, and fire. Your objective is to combine those four elements and create new ones, and these new elements can then be combined with others to create even more new elements. In the end, many of your creations will be less like elements and more like items, e.g. combining Alcohol and Man will get you Alcoholic.
