The Stranger *Vintage*

With the intrigue of a psychological thriller, Camus's masterpiece gives us the story of an ordinary man unwittingly drawn into a senseless murder on an Algerian beach. Behind the intrigue, Camus explores what he termed "the nakedness of man faced with the absurd" and describes the condition of reckless alienation and spiritual exhaustion that characterized so much of twentieth-century life. First published in 1946; now in translation by Matthew Ward.

The Outsider

The Stranger

The Graphic Novel *Simon and Schuster*

The day his mother dies, Meursault notices that it is very hot on the bus that is taking him from Algiers to the retirement home where his mother lived; so hot that he falls asleep. Later, while waiting for the wake to begin, the harsh electric lights in the room make him extremely uncomfortable, so he gratefully accepts the coffee the caretaker offers him and smokes a cigarette. The same burning sun that so oppresses him during the funeral walk will once again blind the calm, reserved Meursault as he walks along a deserted beach a few days later—leading him to commit an irreparable act. This new illustrated edition of Camus's classic novel *The Stranger* portrays an enigmatic man who commits a senseless crime and then calmly, and apparently indifferently, sits through his trial and hears himself condemned to death.

The Stranger

The Outsider or *The Stranger* (French: *L'Etranger*) is a novel by Albert Camus published in 1942. Its theme and outlook are often cited as exemplars of Camus's philosophy of the absurd and existentialism, though Camus personally rejected the latter label. The titular character is Meursault, an indifferent French Algerian ("a citizen of France domiciled in North Africa, a man of the Mediterranean, an homme du midi yet one who hardly partakes of the traditional Mediterranean culture"), who, after attending his mother's funeral, apathetically kills an Arab man whom he recognises in French Algiers. The story is divided into two parts, presenting Meursault's first-person narrative view before and after the murder, respectively. In January 1955, Camus wrote: "I summarized *The Stranger* a long time ago, with a remark I admit was highly paradoxical: 'In our society any man who does not weep at his mother's funeral runs the risk of being sentenced to death.' I only meant that the hero of my book is condemned because he does not play the game."

Best Translated Novel of the Decade - Lit Hub A New York Times Notable Book of 2015 — Michiko Kakutani, The Top Books of 2015, New York Times — TIME Magazine Top Ten Books of 2015 — Publishers Weekly Best Books of the Year — Financial Times Best Books of the Year “A tour-de-force reimagining of Camus’s *The Stranger*, from the point of view of the mute Arab victims.” —The New Yorker He was the brother of “the Arab” killed by the infamous Meursault, the antihero of Camus’s classic novel. Seventy years after that event, Harun, who has lived since childhood in the shadow of his sibling’s memory, refuses to let him remain anonymous: he gives his brother a story and a name—Musa—and describes the events that led to Musa’s casual murder on a dazzlingly sunny beach. In a bar in Oran, night after night, he ruminates on his solitude, on his broken heart, on his anger with men desperate for a god, and on his disarray when faced with a country that has so disappointed him. A stranger among his own people, he wants to be granted, finally, the right to die. *The Stranger* is of course central to Daoud’s story, in which he both endorses and criticizes one of the most famous novels in the world. A worthy complement to its great predecessor, *The Meursault Investigation* is not only a profound meditation on Arab identity and the disastrous effects of colonialism in Algeria, but also a stunning work of literature in its own right, told in a unique and affecting voice.

Two modern trials: Camus' "L'étranger" and Kafka's "Der Proceß" - a comparison *GRIN Verlag*

Research Paper (undergraduate) from the year 2003 in the subject Romance Languages - Comparative Studies, grade: 67 Punkte (2+) (B+), University of Canterbury (School of European Culture and Languages), language: English, abstract: To begin with I shall present an overview of some of the most common or most debated interpretations of the two novels and the issues they raise. I also question whether it is legitimate to compare Camus’ *L'étranger*, which is often read alongside his philosophical essay *Le Mythe de Sisyphe* to Kafka’s *Der Proceß*, which might be expressive of a philosophy but whose author only ever expressed himself in literary writing. In the following the novels are then compared simultaneously and their similarities and differences examined from different angles, such as their treatment of their common theme of “law, guilt and trial” in part two, which I see partly under the aspect of the absurd. The idea of the absurd is also relevant when comparing the two main characters Josef K. and Meursault later on. For the further interpretation of both the characters, but especially to solve the riddles surrounding Meursault’s nature and the questions of reader’s sympathy, the narrative perspective is crucial and is examined in part four. Subsequently, the theme of philosophical ideas being expressed in literary form becomes important again as I look at the use of image and symbolism in *L'étranger* and *Der Proceß* as well as at the genres of the French récit and parable and the philosophical and literary implications of the choice of genre, symbolism or narrative perspective. Kafka’s *Der Proceß* and Camus’ *L'étranger* have one important thing in common and that is that both are extremely rich novels which can be read according to a large number of codes (or preconceptions). Camus himself has praised *Der Proceß* “It is the fate and perhaps the greatness of that work that it offers everything and confirms nothing”, (*Sisyphus*, p. 124). This is certainly a principle that Camus aspires

to in his own fiction and successfully as Thody confirms: “*L'étranger* seems to be inexhaustible in the different ways in which it can be analysed”³. I hope to be able to do justice to these many angles and show how rich these two novels are. To summarise some of the many interpretations of Kafka’s *Der Proceß* let me begin with a political reading...

The Outsider *Penguin Classics*

'The sky seemed to rip apart from end to end to pour fire down upon me' Meursault will not conform. When his mother dies, he refuses to show his emotions simply to satisfy the expectations of others. And when he commits a random act of violence on a sun-drenched beach, his lack of remorse only compounds his guilt in the eyes of society and the law. Albert Camus' portrayal of a man confronting the absurdity of human life became a classic. Yet it is also a book filled with quiet joy in the physical world, and this new translation sensitively renders the subtleties and dreamlike atmosphere of *The Outsider*. A new translation by Sandra Smith

The Expression of Tense, Aspect, Modality and Evidentiality in Albert Camus's L'Étranger and Its Translations / L'Étranger de Camus et ses traductions : questions de temps, d'aspect, de modalité et d'évidentialité (TAME)**An empirical study / Etude empirique** *John Benjamins Publishing Company*

This book deals with the linguistic treatment of tense-aspect-modal-evidential (TAME) expressions in translations of the French novel *L'Étranger* by Albert Camus into sixteen languages. It is strongly empirical in spirit, and uses the method of contrastive linguistics and multilingual comparison through the use of parallel corpora. It has five main parts: the first two offer insights into perfect and imperfect tenses in Indo-European languages; the third part shifts the focus on non Indo-European languages; the fourth part deals with modality, and the last part is more translation-oriented. These contents make this book a valuable contribution in semantic micro-typology. In terms of readership, both linguists and specialists in translation, as well as literature scholars, can benefit from the contributions presented in this book. It also relates to other usage-based, corpus-driven studies of TAME phenomena, and to monographs that take as their object of study the use of corpus linguistics in translation studies.

(L'Etranger) The Outsider Bloomsbury Publishing

Camus' sparse parable about the human condition is one of the great stories of the 20th Century, here adapted for the stage by Booker prize winner Ben Okri. A faceless man who can no longer pretend, Meursault commits a senseless murder under the glare of the Algerian sun. On trial he feels distanced from proceedings, he is castigated for not expressing remorse, for not crying at his mother's funeral, and is forced to confront the hypocrisy and injustice of society. In an age where we are being increasingly told what to feel, The Outsider is a blast of uncompromising honesty. Albert Camus, French novelist, essayist, philosopher and Nobel laureate, was one of the most influential thinkers of the 20th Century. Ben Okri, author of The Famished Road, is one of contemporary literature's most important writers. This adaption brings them together for a rare dramatisation of one of modern literature's most celebrated works.

The Interrogation

A Novel Simon and Schuster

From the original Atheneum edition jacket, 1964. "J.M.G. Le Clézio, revelation of the literary year" ran the headline of the Paris Express after last year's prizes had been awarded. The Goncourt jury was locked five to five until its president used his double vote to give the prize to the older candidate. Ten minutes later the Renaudot jury elected the candidate they thought they might lose to the other prize. Most of the literary sections ran their prize news putting the Renaudot first, in order to feature the twenty-three-year-old discovery that was rocking Paris literary circles. What is The Interrogation? Most likely a myth without distinct delineations. A very solitary young man, Adam Pollo, perhaps the first man, perhaps the last, has a very remarkable interior adventure. He concentrates and he discovers ways of being, ways of seeing. He enters into animals, into a tree.... He has no business, no distractions; he is at the complete disposal of life. All of life, that is, except the society of his own species -- and so the story ends. "This is the next phase after the 'the new novel,'" wrote the critics. Kafka they said; a direct descendant of Joyce, they said. Beckett they said. Like nothing else, they said. One hundred thousand Frenchmen bought it. They said it was strange

and beautiful. Finally the real voice of the young, said the critics. "I like J. D. Salinger," said Mr. Le Clézio, and that was all he said. His remarkable first book will soon be published all over the world and much more will be said.

Kant's Little Prussian Head and Other Reasons Why I Write: An Autobiography in Essays *W. W. Norton & Company*

A glimpse into a beloved novelist's inner world, shaped by family, art, and literature. In her fiction, Claire Messud "has specialized in creating unusual female characters with ferocious, imaginative inner lives" (Ruth Franklin, New York Times Magazine). Kant's Little Prussian Head and Other Reasons Why I Write opens a window on Messud's own life: a peripatetic upbringing; a warm, complicated family; and, throughout it all, her devotion to art and literature. In twenty-six intimate, brilliant, and funny essays, Messud reflects on a childhood move from her Connecticut home to Australia; the complex relationship between her modern Canadian mother and a fiercely single French Catholic aunt; and a trip to Beirut, where her pied-noir father had once lived, while he was dying. She meditates on contemporary classics from Kazuo Ishiguro, Teju Cole, Rachel Cusk, and Valeria Luiselli; examines three facets of Albert Camus and The Stranger; and tours her favorite paintings at Boston's Museum of Fine Arts. In the luminous title essay, she explores her drive to write, born of the magic of sharing language and the transformative powers of "a single successful sentence." Together, these essays show the inner workings of a dazzling literary mind. Crafting a vivid portrait of a life in celebration of the power of literature, Messud proves once again "an absolute master storyteller" (Rebecca Carroll, Los Angeles Times).

Tense, Aspect, Modality, and Evidentiality

Crosslinguistic perspectives *John Benjamins Publishing Company*

After an introductory chapter that provides an overview to theoretical issues in tense, aspect, modality and evidentiality, this volume presents a variety of original contributions that are firmly empirically-grounded based on elicited or corpus data, while adopting different theoretical frameworks. Thus, some chapters rely on large diachronic corpora and provide new qualitative insight on the evolution of TAM systems through quantitative methods, while others carry out a collostructional analysis of past-tensed verbs using inferential statistics to explore the lexical grammar of verbs. A common goal is to uncover semantic regularities and variation in the TAM systems of the languages under study by taking a close look at context. Such a fine-grained

approach contributes to our understanding of the TAM systems from a typological perspective. The focus on well-known Indo-European languages (e.g. French, German, English, Spanish) and also on less commonly studied languages (e.g. Hungarian, Estonian, Avar, Andi, Tagalog) provides a valuable cross-linguistic perspective.
