Deathstalker Legacy, by Simon R. Green, is part of a series of books. This particular one, though written fairly recently, obviously owes a lot to classic 1950s space opera, as the setting is a galactic empire (*cough*) in which a reluctant emperor takes over from his father, names his equally reluctant champion (the eponymous Lewis

Deathstalker), and prepares to face a massive evil threatening the entire universe.

Deathstalker Legacy (Deathstalker, #6) by Simon R. Green

The Deathstalker series of science fiction novels, by British author Simon R. Green, was written during the 1990s and early 2000s. Although referred to by a single name, the series consists of two major episodes, and other associated novels providing a backstory to the characters and events of the fictional universe. The first episode, comprising five books, tells the story of how Owen Deathstalker, reluctant heir to the ancient Deathstalker name and minor historian, came to lead a galactic rebe
