Morning Girl Michael Dorris

Morning Girl is a novella by Michael Dorris. This book was meant for people ages nine and up, but it will be very confusing and vague for a young reader to understand. It's about two siblings, Star Boy and Morning Girl, living in an island having family problems.

Morning Girl by Michael Dorris - Goodreads

These are the words of Morning Girl, and they describe exactly my own thoughts. In 1992, when Morning Girl was released, it was critically acclaimed by Booklist, Publishers Weekly, the NY Times Book Review and others. But it seems from the reviews that few have read it. What a shame. The prose of Michael Dorris is gentle, lilting and

warm.

His characters defy stereotyping, and are not called upon to symbolize or represent their people. Morning Girl and Star Boy are themselves, fully developed, with concerns that even modern kids can understand: how to reconcile feelings of love and anger toward family members (including each other); how to discover their individual identities.

Morning Girl Summary. Morning Girl, published in 1992, is a double first-person narrative told by Morning Girl, so-named because she is up before anyone else in the family, and Star Boy, her younger brother, who prefers the night and the stars to daytime. Alternate chapters give us Morning Girl's perceptions and Star Boy's.

Michael Anthony Dorris was an American novelist and scholar who was the first Chair of the Native American Studies program at Dartmouth College. His works include the novel *A Yellow Raft in Blue Water* and the memoir *The Broken Cord*. He married author Louise Erdrich, and the two had a family of six children. They frequently collaborated in some of their writing. They separated in 1995. He died by suicide in 1997 while police were investigating allegations that he had abused his daughters. The Bro
