7 Types of Loneliness, and Why It Matters | Psychology Today

The first period combines ancient and medieval philosophy. Loneliness is here intended and allowed only for a narrow social group – sages, philosophers, hermits, monks. Loneliness appears as a solitary dive into itself and the subsequent finding in the depths of the "I" of the higher transcendental foundations of one's own self.

LONELINESS IN THE HISTORY OF PHILOSOPHICAL CULTURE ...

Loneliness is an unpleasant emotional response to perceived isolation. Loneliness is also described as social pain—a psychological mechanism which motivates individuals to seek social connections. It is often associated with an unwanted lack of connection and intimacy. Loneliness overlaps and yet is distinct from solitude.

Loneliness - Wikipedia

LONELINESS...is an intrinsic condition of human existence. This study of existential loneliness reveals that—beyond the first pangs of desolation, out of the terror of despair—human beings have found a key to deeper insight and keen perception of the world in which they live. This absorbing book provides an impetus toward renewed awareness of self, challenging and encouraging the reader to make a penetrating investigation of his own solitude.
