A. Easy Grammar texts include Grades 2, 3, 4, 5, 6, and Plus. Grades 2-6 are for elementary students. Concepts are taught within sequential grammar units, beginning with prepositions. Using this approach, sentences are stripped to basics, enabling students to understand subject and verb and to build throughout each text. EG Plus will give any student beyond Grade 6 a solid, basic understanding of grammar. It's especially popular because the text is written at a fourth-grade reading level.
