Rumi: The Big Red Book

The Great Masterpiece Celebrating Mystical Love and Friendship *Harper Collins*

“Really, what other book would anyone ever need?” —Naomi Shihab Nye, author of *Honeybee* “Elegant and exquisite.” —Deepak Chopra, author of *Muhammad, Jesus, and Buddha* The Big Red Book is a poetic masterpiece from Jalaluddin Rumi, the medieval Sufi mystic whom Time magazine calls “the most popular poet in America.” Readers continue to be awed and inspired by Rumi’s masterfully lyrical, deeply expressive poems, collected in volumes such as *The Illustrated Rumi*, *The Soul of Rumi*, and the bestselling *The Essential Rumi*. With *The Big Red Book*, acclaimed poet and Rumi interpreter Coleman Barks offers a never-before-published translation of a crucial anthology of poems widely considered to be one of Persian literature’s greatest treasures.

The Forty Rules of Love

A Novel of Rumi *Penguin*

In this lyrical, exuberant tale, acclaimed Turkish author Elif Shafak, author of *The Island of Missing Trees* (a Reese’s Book Club Pick), incarnates Rumi’s timeless message of love. *The Forty Rules of Love* unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi’s work. Ella Rubenstein is forty years old and

unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on *Sweet Blasphemy*, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams’s search for Rumi and the dervish’s role in transforming the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams’s lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi’s story mirrors her own and that Zahara—like Shams—has come to set her free.

Love - The Joy That Wounds

The Love Poems of Rumi

An immortal voice speaks on the greatest poetic theme in this English-language selection of the works of Rumi. Enriched by the lush calligraphic illustrations of Arabic artist Lassa Metoui, the poems bear remarkable power and emotional intensity, reflecting on the complexities of love, passion, pain, and faith. These songs of the spirit offer an intimate introduction to the poet’s genius, as well as a sublime meditation on the mysteries of love.

The Soul of Rumi

A New Collection of Ecstatic Poems *Harper Collins*

Inside *A Lover’s Heart* There’s Another World, And Yet Another Rumi’s masterpieces have inspired countless people throughout the centuries, and Coleman Barks’s exquisite renderings of the

thirteenth-century Persian mystic are widely considered the definitive versions for our time. Barks's translations capture the inward exploration and intensity that characterize Rumi's poetry, making this unique voice of mysticism and desire contemporary while remaining true to the original poems. In this volume readers will encounter the essence of Sufism's insights into the experience of divine love, wisdom, and the nature of both humanity and God. While Barks's stamp on this collection is clear, it is Rumi's voice that leaps off these pages with a rapturous power that leaves readers breathless. These poems express our deepest yearning for the transcendent connection with the source of the divine: there are passionate outbursts about the torment of longing for the beloved and the sweet delight that comes from union; stories of sexual adventures and of loss; poems of love and fury, sadness and joy; and quiet truths about the beauty and variety of human emotion. For Rumi, soul and body and emotion are not separate but are rather part of the great mystery of mortal life, a riddle whose solution is love. Above all else, Rumi's poetry exposes us to the delight that comes from being fully alive, urging us always to put aside our fears and take the risk of discovering our core self: No one knows what makes the soul wake up so happy! Maybe a dawn breeze has blown the veil from the face of God. These fresh, original translations magnificently convey Rumi's insights into the human heart and its longings with his signature passion and daring, focusing on the ecstatic experience of the inseparability of human and divine love. The match between Rumi's sublime poetry and Coleman Barks's poetic art are unequalled, and here this artistic union is raised to new heights.

translation of 105 short teaching stories by Rumi, which form the core of the six-volume Masnavi, explores the hidden spiritual aspects of everyday experience. Rumi transforms the seemingly mundane events of daily life into profound Sufi teaching moments. These prose gems open the mystical portal to the world of the ancient mystic. These stories include well-known and popular tales such as "Angel of Death," "The Sufi and His Cheating Wife," "Moses and the Shepherd," "Chickpeas," and "The Greek and Chinese Painters" as well as the less commonly quoted parables: "The Basket Weaver," "The Mud Eater," and "A Sackful of Pebbles." Rumi's voice alternates between playful and authoritative, whether he is telling stories of ordinary lives or inviting the discerning reader to higher levels of introspection and attainment of transcendent values. Mafi's translations delicately reflect the nuances of Rumi's poetry while retaining the positive tone of all of Rumi's writings, as well as the sense of suspense and drama that mark the essence of the Masnavi.

When Nevit Ergin decided to translate the Divan of Rumi into English, he enlisted the help of the Turkish government, which was happy to participate. The first 22 volumes were published without difficulty, but the government withdrew its support and refused to participate in the publication of the final volume due to its openly heretical nature. Now, in *The Forbidden Rumi*, Will Johnson and Nevit Ergin present for the first time in English Rumi's poems from this forbidden volume. The collection is grouped into three sections: songs to Shams and God, songs of heresy, and songs of advice and admonition.
