East End West End

Although the exact boundaries that define where the East End finishes and the West End begins are not clearly defined, it is generally accepted that the two are separated by High Holborn, which runs all the way from Shaftesbury Avenue in the west to Chancery Lane in the east. Typically, the West End is associated with the finer things in life - such as shopping and theatre - while the East End is considered to be much more rough and ready, with cockney spirit and a grisly history that ...

Further to the west, at White City, near Shepherd's Bush, is the principal operating centre for the BBC while in the extreme west, in the London Borough of Hillingdon, lies Heathrow Airport. East London. The East End (The East End of London) The East End was formerly the centre of London'd docks and heavy industry.

Districts of London - West End. East End

Typically in the northern hemisphere, prevailing winds are west winds, so richer people lived in the west end, poorer in the east. The east end consequently has the factories and other polluters from the industrial era, and typically smaller homes.

What are the differences between the east and west end of ...

The East End and West End are used as names for the two parts of Oslo, Norway, formed by the economic and socially segregating separation line that has historically passed along the street Uelands gate. The Akerselva river is often seen as a boundary between west and east, but that can be misleading, as there are working-class neighbourhoods on both sides of the river. The West End was built in the 1840s, and had since the 17th century been a common land area, with the area behind the castle as

East End and West End of Oslo - Wikipedia

The East End lies east of the Roman and medieval walls of the City of London and north of the River Thames. Aldgate Pump, on the edge of the City, is regarded as the symbolic start of the East End. On the river, Tower Bridge is also sometimes described in these terms. Beyond these reference points, the East End has no official or generally accepted boundaries; views vary as to how much of wider ...

East End

The East End starts around The Tower of London and is mainly where the working classes would live, especially around the old docks. Nowadays, it has a broad ethnic mix with a high Asian population. The West End has typically been where the more wealthier Londoners might have lived especially in areas like Mayfair and Belgravia.

East End; West End - London Message Board - Tripadvisor

West End, in London, loosely defined area in the boroughs of Westminster and Kensington and Chelsea. Because many of its neighbourhoods and retail districts are among the more affluent of the metropolis, the West End is considered the fashionable end of London. For centuries it has been known for its royal palaces, parklands, government offices, mansions, and exclusive shopping districts—in contrast to London’s more industrial and blue-collar East End.

West End | area, London, United Kingdom | Britannica

Answer 11 of 15: I've heard the terms East End and West End and City many times when people talk about London but I don't know where these areas are. Could people in the know tell me the streets that mark the borders of these areas. We arrive on Sunday 18...
