- Generally, the plot of The Buried Giant is interesting and well-written.
- The weaves maintain the viewers interested throughout.
- The romance adds a psychological element to The Buried Giant plot.
- The climax of The Buried Giant is intense and supplies closure for all of the characters.

Stay tuned for our following section where we will assess the crucial personalities in The Buried Giant book.

PERSONALITY EVALUATION IN THE BURIED GIANT

As we continue our book review, let's take a more detailed take a look at the personalities that comprise the heart of this tale. Each character is one-of-a-kind and adds to the total story, producing an engaging read.

Protagonist

- The protagonist of The Buried Giant is a complicated personality, coming to grips with a difficult past and facing difficulties in the present. Their journey throughout the story is one of self-discovery and growth.
- As the book progresses, we see the lead character advance and challenge their internal satanic forces, leading to a satisfying personality arc.

Antagonist

- The villain of The Buried Giant is equally compelling, with their very own motivations and backstory that drive their actions.
- While their actions might be suspicious, the antagonist is not a one-dimensional villain and has their own battles they are managing.

Sustaining Characters in The Buried Giant

- The supporting characters in The Buried Giant book also play a vital role in the story, with each one including depth and intricacy to the narrative.
- From the protagonist's devoted buddy to the mysterious unfamiliar person the antagonist befriends, the sustaining cast aids to bring the world of the tale to life.

Generally, the personality advancement in this book is among its strengths. Each character is well-crafted and includes in the overall story, producing a really delightful read.

FINAL JUDGMENT

After reviewing and examining The Buried Giant from cover to cover, we have involved our last verdict.

The Pros

One of the major highlights of this book The Buried Giant is its one-of-a-kind storytelling design which maintains the viewers engaged throughout the book. In addition, the well-developed characters make the book more relatable and satisfying to review. In addition, the story spins maintain the visitor on their toes, making the book unforeseeable and exciting.

The Cons

Nevertheless, there were some facets that we discovered doing not have. The pacing of The Buried Giant was slow-moving sometimes, which made it feel dragged out. Furthermore, there were some loosened ends that were not tied up by the end of the book, which left us with unanswered questions.

Last Ideas

Overall, our team believe that The Buried Giant is worth a read, regardless of some small flaws. The distinct narration style, relatable personalities, and story twists make it a worthwhile enhancement to your bookshelf. So, if you're trying to find a captivating read, The Buried Giant is certainly worth considering.

The Buried Giant

A novel *Vintage*
NATIONAL BESTSELLER • From the winner of the Nobel Prize in Literature and author of Never Let Me Go and the Booker Prize-winning novel The Remains of the Day comes a luminous meditation on the act of forgetting and the power of memory. In post-Arthurian Britain, the wars that once raged between the Saxons and the Britons have finally ceased. Axl and Beatrice, an elderly British couple, set off to visit their son, whom they haven't seen in years. And, because a strange mist has caused mass amnesia throughout the land, they can scarcely remember anything about him. As they

are joined on their journey by a Saxon warrior, his orphan charge, and an illustrious knight, Axl and Beatrice slowly begin to remember the dark and troubled past they all share. By turns savage, suspenseful, and intensely moving, *The Buried Giant* is a luminous meditation on the act of forgetting and the power of memory.

The Buried Giant

A Novel *Knopf Canada*

The extraordinary new novel from the author of *Never Let Me Go* and the Booker Prize-winning *The Remains of the Day* The Romans have long since departed, and Britain is steadily declining into ruin. But at least the wars that once ravaged the country have ceased. The Buried Giant begins as a couple, Axl and Beatrice, set off across a troubled land of mist and rain in the hope of finding a son they have not seen for years. They expect to face many hazards—some strange and other-worldly—but they cannot yet foresee how their journey will reveal to them dark and forgotten corners of their love for one another. Sometimes savage, often intensely moving, Kazuo Ishiguro’s first novel in a decade is about lost memories, love, revenge and war.

The Buried Giant *Faber & Faber*

*Kazuo Ishiguro's new novel *Klara and the Sun* is now available* The Romans have long since departed, and Britain is steadily declining into ruin. The Buried Giant begins as a couple, Axl and Beatrice, set off across a troubled land of mist and rain in the hope of finding a son they have not seen for years. They expect to face many hazards - some strange and other-worldly - but they cannot yet foresee how their journey will reveal to them dark and forgotten corners of their love for one another. 'A beautiful fable with a hard message at its core . . . There won't, I suspect, be a more important work of fiction published this year.' John Sutherland, *The Times* 'An exceptional novel . . . The Buried Giant does what important books do: it remains in the mind long after it has been read, refusing to leave.' Neil Gaiman, *New York Times Book Review* 'A beautiful, heartbreaking book about the duty to remember and the urge to forget.' Alex Preston, *Observer*

Klara and the Sun *Lulu Press, Inc*

From her place in the store, Klara, an Artificial Friend with outstanding observational qualities, watches carefully the behaviour of those who come in to browse, and of those who pass in the street outside. She remains hopeful a customer will soon choose her, but when the possibility emerges that her circumstances may change for ever, Klara is warned not to invest too much in the promises of humans. In 'Klara and the Sun', Kazuo Ishiguro looks at our rapidly-changing modern world through the eyes of an unforgettable narrator to explore a fundamental question: what does it mean to love?

So We Read On

How The Great Gatsby Came to Be and Why It Endures *Little, Brown*

The "Fresh Air" book critic investigates the enduring power of *The Great Gatsby* -- "The Great American Novel we all think we've read, but really haven't." Conceived nearly a century ago by a man who died believing himself a failure, it's now a revered classic and a rite of passage in the reading lives of millions. But how well do we really know *The Great Gatsby*? As Maureen Corrigan, *Gatsby* lover extraordinaire, points out, while Fitzgerald's masterpiece may be one of the most popular novels in America, many of us first read it when we were too young to fully comprehend its power. Offering a fresh perspective on what makes *Gatsby* great-and utterly unusual-*So We Read On* takes us into archives, high school classrooms, and even out onto the Long Island Sound to explore the novel's hidden depths, a journey whose revelations include *Gatsby*'s surprising debt to hard-boiled crime fiction, its rocky path to recognition as a "classic," and its profound commentaries on the national themes of race, class, and gender. With rigor, wit, and infectious enthusiasm, Corrigan inspires us to re-experience the greatness of *Gatsby* and cuts to the heart of why we are, as a culture, "borne back ceaselessly" into its thrall. Along the way, she spins a new and fascinating story of her own.

When We Were Orphans *Vintage*

From the winner of the Nobel Prize in Literature and author of the Booker Prize-winning novel *The Remains of the Day* comes this stunning work of soaring imagination. Born in early-twentieth-century Shanghai, Banks was orphaned at the age of nine after the separate disappearances of his parents. Now, more than twenty years later, he is a celebrated figure in London society; yet the investigative expertise that has garnered him fame has done little to illuminate the circumstances of his parents' alleged kidnappings. Banks travels to the seething, labyrinthine city of his memory in hopes of solving the mystery of his own, painful past, only to find that war is ravaging Shanghai beyond recognition-and that his own recollections are proving as difficult to trust as the people around him. Masterful, suspenseful and psychologically acute, *When We Were Orphans* offers a profound meditation on the shifting quality of memory, and the possibility of avenging one's past.

The Digested Read *RDR Books*

Literary ombudsman John Crace never met an important book he didnt like to deconstruct.From Salman Rushdie to John Grisham, Crace retells the big books in just 500 bitinglly satirical words, pointing his pen at the clunky plots, stylistic tics and pretensions to Big Ideas, as he turns publishers golden dream books into dross. In the grand tradition of Tom Lehrer and Stan Freberg, Crace takes the books that produce the most media hype and retells each story in its authors inimitable style. Philip Roth, Don Delillo, Margaret Drabble, Paul Auster, Alice Sebold, John Updike, Tom Wolfe, Ruth Rendell, A.S. Byatt, John LeCarre, Michael Crichton and Ian McEwan all emerge delightfully scathed in this book that makes it easy to talk knowingly about

books youve never bothered to read or, for that matter, should have.

A Pale View of Hills *Vintage*

From the winner of the Nobel Prize in Literature and author of the Booker Prize-winning novel *The Remains of the Day* Here is the story of Etsuko, a Japanese woman now living alone in England, dwelling on the recent suicide of her daughter. In a novel where past and present confuse, she relives scenes of Japan's devastation in the wake of World War II.

Never Let Me Go *Vintage Canada*

From the Booker Prize-winning author of *The Remains of the Day* and *When We Were Orphans*, comes an unforgettable edge-of-your-seat mystery that is at once heartbreakingly tender and morally courageous about what it means to be human. Hailsham seems like a pleasant English boarding school, far from the influences of the city. Its students are well tended and supported, trained in art and literature, and become just the sort of people the world wants them to be. But, curiously, they are taught nothing of the outside world and are allowed little contact with it. Within the grounds of Hailsham, Kathy grows from schoolgirl to young woman, but it’s only when she and her friends Ruth and Tommy leave the safe grounds of the school (as they always knew they would) that they realize the full truth of what Hailsham is. *Never Let Me Go* breaks through the boundaries of the literary novel. It is a gripping mystery, a beautiful love story, and also a scathing critique of human arrogance and a moral examination of how we treat the vulnerable and different in our society. In exploring the themes of memory and the impact of the past, Ishiguro takes on the idea of a possible future to create his most moving and powerful book to date.

The Fat Years *Anchor*

Determined to get to the bottom of the sinister cheerfulness and amnesia that have possessed the Chinese nation, a small group of friends kidnap a high-ranking official who reveals a shocking truth that blows their mind. Original.

The Buried *Scholastic Inc.*

A heart-pounding, claustrophobic new story from Melissa Grey, the author of *RATED*. Ten years ago, disaster struck the remote town of Indigo Falls. A horrific event drove the residents underground, into shelters that keep them safe from the danger on the surface. No one speaks about what happened that fateful day, but even the youngest still remember the fear and, most of all, the searing pain when sunlight touched their skin. Now, a handful of families inhabit this bunker together, guided by a charismatic leader named Dr. Imogen Moran. There are many rules Dr. Moran has instilled to govern life belowground. You must always tell the truth. You must avoid the light of the sun. You must never touch skin to skin. But the most important rule, the one that was drilled into their heads from the moment the hatch slammed shut all those years ago, was at the very end of the list. It rattled around in their skulls when all was silent, echoing in the quiet, lonely dark. You must never go outside.

Mastering Suspense, Structure, and Plot

How to Write Gripping Stories That Keep Readers on the Edge of Their Seats *Penguin*

Enthrall Your Readers! Suspense is one of the most powerful tools a writer has for captivating readers--but it isn't just for thrillers. From mainstream fiction to memoir, suspense creates the emotional tension that keeps readers on the edge of their seats. *Mastering Suspense, Structure, & Plot* is your hands-on guide to weaving suspense into your narrative. Award-winning author Jane K. Cleland teaches you how to navigate genre conventions, write for your audience, and build gripping tension to craft an irresistible page-turner. Inside, Cleland will show you how to: • Implement thirteen no-fail techniques to construct an effective plot and structure for your story • Use Cleland's Plotting Road Map to add elements of suspense like twists, reversals, and moments of danger • Write subplots with purpose • Improve your descriptions, character development, sentence structure, and more Packed with case studies, exercises, and dozens of examples from best-selling authors, *Mastering Suspense, Structure, & Plot* is the key to writing suspenseful, engaging stories that leave your readers wanting more. ----- "Indispensable! For newbie authors and veterans alike, this terrific how-to is your new go-to. Don't write your book without it--it's a treasure." --Hank Phillippi Ryan, Agatha, Anthony, Macavity and Mary Higgins Clark award-winning author

Tender Morsels *Knopf Books for Young Readers*

Tender Morsels is a dark and vivid story, set in two worlds and worrying at the border between them. Liga lives modestly in her own personal heaven, a world given to her in exchange for her earthly life. Her two daughters grow up in this soft place, protected from the violence that once harmed their mother. But the real world cannot be denied forever—magicked men and wild bears break down the borders of Liga’s refuge. Now, having known Heaven, how will these three women survive in a world where beauty and brutality lie side by side?

Transcending the Postmodern

The Singular Response of Literature to the Transmodern Paradigm *Routledge*

Transcending the Postmodern: The Singular Response of Literature to the Transmodern Paradigm gathers an introduction and ten chapters concerned with the issue of Transmodernity as addressed by and presented in contemporary novels hailing from various parts of the English-speaking world. Building on the theories of Transmodernity propounded by Rosa María Rodríguez Magda, Enrique Dussel, Marc Luyckx Ghisi and Irena Ateljevic, inter alia, it investigates the links between Transmodernity and such categories as Postmodernity, Postcolonialism and Transculturalism with a view to help

define a new current in contemporary literary production. The chapters either follow the main theoretical drives of the transmodern paradigm or problematise them. In so doing, they branch out towards various issues that have come to inspire contemporary novelists, among which: the presence of the past, the ascendance of new technologies, multiculturalism, terrorism, and also vulnerability, interdependence, solidarity and ecology in a globalised context. In so doing, it interrogates the ethics, aesthetics and politics of the contemporary novel in English.

The Remains of the Day *Vintage*

From the winner of the Nobel Prize in Literature, here is the universally acclaimed novel—winner of the Booker Prize and the basis for an award-winning film. This is Kazuo Ishiguro's profoundly compelling portrait of Stevens, the perfect butler, and of his fading, insular world in post-World War II England. Stevens, at the end of three decades of service at Darlington Hall, spending a day on a country drive, embarks as well on a journey through the past in an effort to reassure himself that he has served humanity by serving the "great gentleman," Lord Darlington. But lurking in his memory are doubts about the true nature of Lord Darlington's "greatness," and much graver doubts about the nature of his own life.

The Unconsoled *Vintage*

From the universally acclaimed author of The Remains of the Day comes a mesmerizing novel of completely unexpected mood and matter--a seamless, fictional universe, both wholly unrecognizable and familiar. When the public, day-to-day reality of a renowned pianist takes on a life of its own, he finds himself traversing landscapes that are by turns eerie, comical, and strangely malleable.

Mermaids in Paradise: A Novel *W. W. Norton & Company*

“Hilariously funny. . . . Lydia Millet’s novels raise the bar for boldness.”—Rene Steinke, New York Times Book Review On the grounds of a Caribbean island resort, newlyweds Deb and Chip—our opinionated, skeptical narrator and her cheerful jock husband who's friendly to a fault—meet a marine biologist who says she's sighted mermaids in a coral reef. As the resort's "parent company" swoops in to corner the market on mythological creatures, the couple joins forces with other adventurous souls, including an ex-Navy SEAL with a love of explosives and a hipster Tokyo VJ, to save said mermaids from the "Venture of Marvels," which wants to turn their reef into a theme park. Mermaids in Paradise is Lydia Millet's funniest book yet, tempering the sharp satire of her early career with the empathy and subtlety of her more recent novels and short stories. This is an unforgettable, mesmerizing tale, darkly comic on the surface and illuminating in its depths.

An Artist of the Floating World *Vintage*

From the winner of the Nobel Prize in Literature and author of the Booker Prize-winning novel The Remains of the Day In the face of the misery in his homeland, the artist Masuji Ono was unwilling to devote his art solely to the celebration of physical beauty. Instead, he put his work in the service of the imperialist movement that led Japan into World War II. Now, as the mature Ono struggles through the aftermath of that war, his memories of his youth and of the "floating world"—the nocturnal world of pleasure, entertainment, and drink—offer him both escape and redemption, even as they punish him for betraying his early promise. Indicted by society for its defeat and reviled for his past aesthetics, he relives the passage through his personal history that makes him both a hero and a coward but, above all, a human being.

Two Years Eight Months and Twenty-Eight Nights

A Novel *Random House*

NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Los Angeles Times • San Francisco Chronicle • Harper’s Bazaar • St. Louis Post-Dispatch • The Guardian • The Kansas City Star • National Post • BookPage • Kirkus Reviews From Salman Rushdie, one of the great writers of our time, comes a spellbinding work of fiction that blends history, mythology, and a timeless love story. A lush, richly layered novel in which our world has been plunged into an age of unreason, Two Years Eight Months and Twenty-Eight Nights is a breathtaking achievement and an enduring testament to the power of storytelling. In the near future, after a storm strikes New York City, the strangenesses begin. A down-to-earth gardener finds that his feet no longer touch the ground. A graphic novelist awakens in his bedroom to a mysterious entity that resembles his own sub-Stan Lee creation. Abandoned at the mayor’s office, a baby identifies corruption with her mere presence, marking the guilty with blemishes and boils. A seductive gold digger is soon tapped to combat forces beyond imagining. Unbeknownst to them, they are all descended from the whimsical, capricious, wanton creatures known as the jinn, who live in a world separated from ours by a veil. Centuries ago, Dunia, a princess of the jinn, fell in love with a mortal man of reason. Together they produced an astonishing number of children, unaware of their fantastical powers, who spread across generations in the human world. Once the line between worlds is breached on a grand scale, Dunia’s children and others will play a role in an epic war between light and dark spanning a thousand and one nights—or two years, eight months, and twenty-eight nights. It is a time of enormous upheaval, in which beliefs are challenged, words act like poison, silence is a disease, and a noise may contain a hidden curse. Inspired by the traditional “wonder tales” of the East, Salman Rushdie’s novel is a masterpiece about the age-old conflicts that remain in today’s world. Two Years Eight Months and Twenty-Eight Nights is satirical and bawdy, full of cunning and folly, rivalries and betrayals, kismet and karma, rapture and redemption. Praise for Two Years Eight Months and Twenty-Eight Nights “Rushdie is our Scheherazade. . . . This book is a fantasy, a fairytale—and a brilliant reflection of and serious meditation on the choices and agonies of our life in this world.”—Ursula K. Le Guin, The Guardian “One of the major literary voices of our time . . . In reading this new book, one cannot escape the feeling that [Rushdie’s] years of writing and success have perhaps been preparation for this moment, for the creation of this tremendously inventive and timely novel.”—San Francisco Chronicle “A wicked bit of satire . . . [Rushdie] riffs and expands on the tales of Scheherazade, another storyteller whose spinning of yarns was a matter of life and death.”—USA Today “A swirling tale of genies and geniuses [that] translates the bloody upheavals of our last few decades

into the comic-book antics of warring jinn wielding bolts of fire, mystical transmutations and rhyming battle spells.”—The Washington Post “Great fun . . . The novel shines brightest in the panache of its unfolding, the electric grace and nimble eloquence and extraordinary range and layering of his voice.”—The Boston Globe

Conversations with Kazuo Ishiguro *Univ. Press of Mississippi*

Nineteen interviews conducted over the past two decades on both sides of the Atlantic and beyond with the author of the Booker Prize-winning The Remains of the Day

Nocturnes *Vintage*

From the winner of the Nobel Prize in Literature and author of the Booker Prize-winning novel The Remains of the Day comes an inspired sequence of stories as affecting as it is beautiful. With the clarity and precision that have become his trademarks, Kazuo Ishiguro interlocks five short pieces of fiction to create a world that resonates with emotion, heartbreak, and humor. Here is a fragile, once famous singer, turning his back on the one thing he loves; a music junky with little else to offer his friends but opinion; a songwriter who inadvertently breaks up a marriage; a jazz musician who thinks the answer to his career lies in changing his physical appearance; and a young cellist whose tutor has devised a remarkable way to foster his talent. For each, music is a central part of their lives and, in one way or another, delivers them to an epiphany.

Two-World Literature

Kazuo Ishiguro’s Early Novels *University of Hawaii Press*

In this convincing and provocative study, Rebecca Suter aims to complicate our understanding of world literature by examining the creative and critical deployment of cultural stereotypes in the early novels of Kazuo Ishiguro. “World literature” has come under increasing scrutiny in recent years: Aamir Mufti called it the result of “one-world thinking,” the legacy of an imperial system of cultural mapping from a unified perspective. Suter views Ishiguro’s fiction as an important alternative to this paradigm. Born in Japan, raised in the United Kingdom, and translated into a broad range of languages, Ishiguro has throughout his career consciously used his multiple cultural positioning to produce texts that look at broad human concerns in a significantly different way. Through a close reading of his early narrative strategies, Suter explains how Ishiguro has been able to create a “two-world literature” that addresses universal human concerns and avoids the pitfalls of the single, Western-centric perspective of “one-world vision.” Setting his first two novels, A Pale View of Hills (1982) and An Artist of the Floating World (1986), in a Japan explicitly used as a metaphor enabled Ishiguro to parody and subvert Western stereotypes about Japan, and by extension challenge the universality of Western values. This subversion was amplified in his third novel, The Remains of the Day (1989), which is perfectly legible through both English and Japanese cultural paradigms. Building on this subversion of stereotypes, Ishiguro’s early work investigates the complex relationship between social conditioning and agency, showing how characters’ behavior is related to their cultural heritage but cannot be reduced to it. This approach lies at the core of the author’s compelling portrayal of human experience in more recent works, such as Never Let Me Go (2005) and The Buried Giant (2015), which earned Ishiguro a global audience and a Nobel Prize. Deprived of the easy explanations of one-world thinking, readers of Ishiguro’s two-world literature are forced to appreciate the complexity of the interrelation of individual and collective identity, personal and historical memory, and influence and agency to gain a more nuanced, “two-world appreciation” of human experience.

The Just City *Tor Books*

"Here in the Just City you will become your best selves. You will learn and grow and strive to be excellent." Created as an experiment by the time-traveling goddess Pallas Athene, the Just City is a planned community, populated by over ten thousand children and a few hundred adult teachers from all eras of history, along with some handy robots from the far human future—all set down together on a Mediterranean island in the distant past. The student Simmea, born an Egyptian farmer's daughter sometime between 500 and 1000 A.D, is a brilliant child, eager for knowledge, ready to strive to be her best self. The teacher Maia was once Ethel, a young Victorian lady of much learning and few prospects, who prayed to Pallas Athene in an unguarded moment during a trip to Rome—and, in an instant, found herself in the Just City with grey-eyed Athene standing unmistakably before her. Meanwhile, Apollo—stunned by the realization that there are things mortals understand better than he does—has arranged to live a human life, and has come to the City as one of the children. He knows his true identity, and conceals it from his peers. For this lifetime, he is prone to all the troubles of being human. Then, a few years in, Sokrates arrives—the same Sokrates recorded by Plato himself—to ask all the troublesome questions you would expect. What happens next is a tale only the brilliant Jo Walton could tell. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Harvest

A Novel *Vintage*

SHORT-LISTED FOR THE MAN BOOKER PRIZE A Christian Science Monitor Best Book of the Year On the morning after harvest, the inhabitants of a remote English village awaken looking forward to a hard-earned day of rest and feasting at their landowner's table. But the sky is marred by two conspicuous columns of smoke, replacing pleasurable anticipation with alarm and suspicion. One smoke column is the result of an overnight fire that has damaged the master's outbuildings. The second column rises from the wooded edge of the village, sent up by newcomers to announce their presence. In the minds of the wary villagers a mere coincidence of events appears to be unlikely, with violent confrontation looming as the unavoidable outcome. Meanwhile, another newcomer has recently been spotted taking careful notes and making drawings of the land. It is his

presence more than any other that will threaten the village's entire way of life. In effortless and tender prose, Jim Crace details the unraveling of a pastoral idyll in the wake of economic progress. His tale is timeless and unsettling, framed by a beautifully evoked world that will linger in your memory long after you finish reading.

My Twentieth Century Evening and Other Small Breakthroughs

The Nobel Lecture *Knopf*

The Nobel Lecture in Literature, delivered by Kazuo Ishiguro (The Remains of the Day and When We Were Orphans) at the Swedish Academy in Stockholm, Sweden, on December 7, 2017, in an elegant, clothbound edition. In their announcement of the 2017 Nobel Prize in Literature, the Swedish Academy recognized the emotional force of Kazuo Ishiguro’s fiction and his mastery at uncovering our illusory sense of connection with the world. In the eloquent and candid lecture he delivered upon accepting the award, Ishiguro reflects on the way he was shaped by his upbringing, and on the turning points in his career—“small scruffy moments . . . quiet, private sparks of revelation”—that made him the writer he is today. With the same generous humanity that has graced his novels, Ishiguro here looks beyond himself, to the world that new generations of writers are taking on, and what it will mean—what it will demand of us—to make certain that literature remains not just alive, but essential. An enduring work on writing and becoming a writer, by one of the most accomplished novelists of our generation.

Shadowshaper (The Shadowshaper Cypher, Book 1) *Scholastic Inc.*
"Magnificent." -- Holly Black, New York Times Book Review

Get in Trouble

Stories *Random House*

FINALIST FOR THE PULITZER PRIZE • NATIONAL BESTSELLER • A bewitching story collection from a writer hailed as “the most darkly playful voice in American fiction” (Michael Chabon) and “a national treasure” (Neil Gaiman). NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BookPage • BuzzFeed • Chicago Tribune • Kirkus Reviews • NPR • San Francisco Chronicle • Slate • Time • Toronto Star • The Washington Post She has been hailed by Michael Chabon as “the most darkly playful voice in American fiction” and by Neil Gaiman as “a national treasure.” Now Kelly Link’s eagerly awaited new collection—her first for adult readers in a decade—proves indelibly that this bewitchingly original writer is among the finest we have. Link has won an ardent following for her ability, with each new short story, to take readers deeply into an unforgettable, brilliantly constructed fictional universe. The nine exquisite examples in this collection show her in full command of her formidable powers. In “The Summer People,” a young girl in rural North Carolina serves as uneasy caretaker to the mysterious, never-quite-glimpsed visitors who inhabit the cottage behind her house. In “I Can See Right Through You,” a middle-aged movie star makes a disturbing trip to the Florida swamp where his former on- and off-screen love interest is shooting a ghost-hunting reality show. In “The New Boyfriend,” a suburban slumber party takes an unusual turn, and a teenage friendship is tested, when the spoiled birthday girl opens her big present: a life-size animated doll. Hurricanes, astronauts, evil twins, bootleggers, Ouija boards, iguanas, The Wizard of Oz, superheroes, the Pyramids . . . These are just some of the talismans of an imagination as capacious and as full of wonder as that of any writer today. But as fantastical as these stories can be, they are always grounded by sly humor and an innate generosity of feeling for the frailty—and the hidden strengths—of human beings. In Get in Trouble, this one-of-a-kind talent expands the boundaries of what short fiction can do. Praise for Get in Trouble “Ridiculously brilliant . . . These stories make you laugh while staring into the void.”—The Boston Globe “When it comes to literary magic, Link is the real deal: clever, surprising, affecting, fluid and funny.”—San Francisco Chronicle

The Lost Art of Reading

Why Books Matter in a Distracted Time *Sasquatch Books*

Reading is a revolutionary act, an act of engagement in a culture that wants us to disengage. In The Lost Art of Reading, David L. Ulin asks a number of timely questions - why is literature important? What does it offer, especially now? Blending commentary with memoir, Ulin addresses the importance of the simple act of reading in an increasingly digital culture. Reading a book, flipping through hard pages, or shuffling them on screen - it doesn't matter. The key is the act of reading, and it's seriousness and depth. Ulin emphasizes the importance of reflection and pause allowed by stopping to read a book, and the accompanying focus required to let the mind run free in a world that is not one's own. Are we willing to risk our collective interest in contemplation, nuanced thinking, and empathy? Far from preaching to the choir, The Lost Art of Reading is a call to arms, or rather, to pages.

Across the Nightingale Floor *Pan Macmillan*

In his black-walled fortress at Inuyama, the warlord Iida Sadamu surveys his famous nightingale floor. Constructed with exquisite skill, it sings at the tread of each human foot. No assassin can cross it unheard. But Otori Takeo, his family murdered by Iida's warriors, has magical skills that allow him to enter Samadu's lair.

The Readymade Thief *Penguin*

"Lee Cuddy is 17 years old and on the run, alone on the streets of Philadelphia. After taking the fall for a rich friend, Lee reluctantly accepts refuge in the Crystal Castle--a cooperative of homeless kids squatting in an austere, derelict building. But homeless kids are disappearing from the streets of

Philadelphia in suspicious numbers, and Lee quickly discovers that the secret society's charitable facade is too good to be true"--

All Natural Murder *Kensington Books*

When her sister's boyfriend, philandering Monster Truck driver Bobby Joe Jones, is found dead, former Silicon Valley-based copywriter-turned-marketing guru Dana Lewis must once again come to her sister's rescue and stop a deadly killer in his tracks. Original.

The Buried Giant

The Mad Women's Ball

A Novel *Abrams*

Soon to be a major film from Amazon Studios, the prizewinning French bestseller “In this darkly delightful Gothic treasure, Mas explores grief, trauma, and sisterhood behind the walls of Paris’s infamous Salpêtrière hospital.” —Paula Hawkins, #1 New York Times bestselling author of The Girl on the Train The Salpetriere Asylum: Paris, 1885. Dr. Charcot holds all of Paris in thrall with his displays of hypnotism on women who have been deemed mad and cast out from society. But the truth is much more complicated—these women are often simply inconvenient, unwanted wives, those who have lost something precious, wayward daughters, or girls born from adulterous relationships. For Parisian society, the highlight of the year is the Lenten ball—the Madwomen’s Ball—when the great and good come to gawk at the patients of the Salpetriere dressed up in their finery for one night only. For the women themselves, it is a rare moment of hope. Genevieve is a senior nurse. After the childhood death of her sister Blandine, she shunned religion and placed her faith in both the celebrated psychiatrist Dr. Charcot and science. But everything begins to change when she meets Eugenie, the 19-year-old daughter of a bourgeois family that has locked her away in the asylum. Because Eugenie has a secret: she sees spirits. Inspired by the scandalous, banned work that all of Paris is talking about, The Book of Spirits, Eugenie is determined to escape from the asylum—and the bonds of her gender—and seek out those who will believe in her. And for that she will need Genevieve's help . . .

Angelmaker *Vintage*

A Wall Street Journal and Booklist Best Mystery of 2012 From the acclaimed author of The Gone-Away World, blistering gangster noir meets howling absurdist comedy as the forces of good square off against the forces of evil, and only an unassuming clockwork repairman and an octogenarian former superspy can save the world from total destruction. Joe Spork spends his days fixing antique clocks. The son of infamous London criminal Mathew “Tommy Gun” Spork, he has turned his back on his family’s mobster history and aims to live a quiet life. That orderly existence is suddenly upended when Joe activates a particularly unusual clockwork mechanism. His client, Edie Banister, is more than the kindly old lady she appears to be—she’s a retired international secret agent. And the device? It’s a 1950s doomsday machine. Having triggered it, Joe now faces the wrath of both the British government and a diabolical South Asian dictator who is also Edie’s old arch-nemesis. On the upside, Joe’s got a girl: a bold receptionist named Polly whose smarts, savvy and sex appeal may be just what he needs. With Joe’s once-quiet world suddenly overrun by mad monks, psychopathic serial killers, scientific geniuses and threats to the future of conscious life in the universe, he realizes that the only way to survive is to muster the courage to fight, help Edie complete a mission she abandoned years ago and pick up his father’s old gun . . .

King Arthur and the Gods of the Round Table *Lulu.com*

Did King Arthur really exist? The oldest manuscripts refer to him as a "Lord of Battle" who emerged soon after the Roman Empire crumbled. But what would be the origin of all these stories that turned a war leader into a king, an emperor, a legend... even a god? What if Arthur was really a deity similar to Zeus and Odin, with his roots in the rich Celtic mythology of the British Isles? A study of Arthurian myths reveals Britain's most legendary king as an ancient Sun God, known by many different names in the myths of Wales and Ireland. Even his Knights of the Round Table, and his sister Morgan le Fay can all be identified as ancient Gods and Goddesses of earth, sea and sky. Their survival in Arthurian legend stands as a shining testament of a story far more ancient, but by no means lost to us...

The Dog Stars *Vintage*

Surviving a pandemic disease that has killed everyone he knows, a pilot establishes a shelter in an abandoned airport hangar before hearing a random radio transmission that compels him to risk his life to seek out other survivors. A first novel by the author of The Whale Warriors. Reprint.

The Other City

A Novel *Dalkey Archive Press*

A hymn to the invisible 'other' Prague, lurking on the peripheries of the town so familiar to tourists.

The Magician's Book

A Skeptic's Adventures in Narnia *Little, Brown*

Enchanted by Narnia's fantastic world as a child, prominent critic Laura Miller returns to the series as an adult to uncover the source of these small books' mysterious power by looking at their creator, Clive Staples Lewis. What she discovers is not the familiar, idealized image of the author, but a more interesting and ambiguous truth: Lewis's tragic and troubled childhood, his unconventional love life, and his intense but ultimately doomed

friendship with J.R.R. Tolkien. Finally reclaiming Narnia "for the rest of us," Miller casts the Chronicles as a profoundly literary creation, and the portal to a lifelong adventure in books, art, and the imagination.

Life Is Short (No Pun Intended)

Love, Laughter, and Learning to Enjoy Every Moment *Simon and Schuster*
From the beloved stars of TLC’s The Little Couple comes an uplifting and moving behind-the-scenes account of how the pair met, fell in love, and overcame huge obstacles to become successful professionals and parents. Jennifer Arnold and Bill Klein have inspired millions as stars of TLC’s hit show The Little Couple. Though they both have dwarfism, they have knocked down every obstacle they have encountered together with a positive, can-do attitude. The show has featured the lives of Jennifer (a respected neonatologist) and Bill (a successful entrepreneur) from their marriage in 2009, to the launch of their pet shop, to the adoption of their children, to Jen’s overcoming cancer. Now, for the first time Jen and Bill are letting readers into their private lives with behind-the-scenes, never-before-told stories about how they fell in love, what inspires them, and the passions that drive their success. They will open up about their struggles with cancer, infertility, adoption, and simply living life in a challenging world. Jen and Bill have a simple purpose in life: make the world a better place through encouragement and education. A must-have for fans of the show or anyone who has ever faced a difficult obstacle, Life Is Short (No Pun Intended) gives readers a glance at what inspires these positive people to approach life with

such optimism and share their lives with the public every day.

Albert of Adelaide

A Novel *Twelve*
At once an old-fashioned-buddy-novel-shoot-'em-up and a work of deliciously imagined fantasy, Howard L. Anderson's dazzling debut presents the haunting story of a world where something has gone horribly awry . . . Having escaped from Australia's Adelaide Zoo, an orphaned platypus named Albert embarks on a journey through the outback in search of "Old Australia," a rumored land of liberty, promise, and peace. What he will find there, however, away from the safe confinement of his enclosure for the first time since his earliest memories, proves to be a good deal more than he anticipated. Alone in the outback, with an empty soft drink bottle as his sole possession, Albert stumbles upon pyromaniacal wombat Jack, and together they spend a night drinking and gambling in Ponsby Station, a rough-and-tumble mining town. Accused of burning down the local mercantile, the duo flees into menacing dingo territory and quickly go their separate ways-Albert to pursue his destiny in the wastelands, Jack to reconcile his past. Encountering a motley assortment of characters along the way-a pair of invariably drunk bandicoots, a militia of kangaroos, hordes of the mercurial dingoes, and a former prize-fighting Tasmanian devil-our unlikely hero will discover a strength and skill for survival he never suspected he possessed. Told with equal parts wit and compassion, ALBERT OF ADELAIDE shows how it is often the unexpected route, and the most improbable companions, that lead us on the path to who we really are. Who you journey with, after all, is far more important than wherever it is you are going.
