The King Must Die

A Novel Open Road Media

New York Times Bestseller: This retelling of the Greek myth of Theseus, king of Athens, is "one of the truly fine historical novels of modern times" (The New York Times). In myth, Theseus was the slayer of the child-devouring Minotaur in Crete. What the founder-hero might have been in real life is another question, brilliantly explored in The King Must Die. Drawing on modern scholarship and archaeological findings at Knossos, Mary Renault's Theseus is an utterly lifelike figure—a king of immense charisma, whose boundless strivings flow from strength and weakness—but also one steered by implacable prophecy. The story follows Theseus's adventures from Troizen to Eleusis, where the death in the book's title is to take place, and from Athens to Crete, where he learns to jump bulls and is named king of the victims. Richly imbued with the spirit of its time, this is a page-

turner as well as a daring act of imagination. Renault's story of Theseus continues with the sequel The Bull from the Sea. This ebook features an illustrated biography of Mary Renault including rare images of the author.

The King Must Die Random House

Ancient Athens paid tribute to its Cretan overlord each year by sending the finest of its sons and daughters to Crete each year to be trained for "bull-dancing", a sport that cost the Athenian youths their lives. Theseus, prince of Athens, substitutes himself for one of the youths and sails out to meet his fate in the ring.

The King Must Die

A Virago Modern Classic Virago

This brilliant retelling of the story of Theseus, the king of Athens, brings Greek mythology vividly to life and remains 'one of the truly fine historical novels of modern times' (The New York Times) Theseus is the grandson of the King of Troizen, but his paternity is shrouded in mystery - can he really be the son of the god Poseidon? When he discovers his father's sword beneath a rock, his mother must reveal his true identity: Theseus is the son of Aegeus, King of Athens, and is his only heir. So begins Theseus's perilous journey to his father's palace to claim his birthright, escaping bandits and ritual king sacrifice in Eleusis, to slaying the Minotaur in Crete. Renault reimagines the Theseus myth, creating an original, exciting story. 'Mary Renault's portraits of the ancient world are fierce, complex and eloquent, infused at every turn with her life-long passion for the Classics. Her characters live vividly both in their own time, and in ours' (Madeline Miller, bestselling author of Circe) 'Mary Renault is a shining light to both historical novelists and their readers' (Hilary Mantel, bestselling author of Wolf Hall)

The Bull from the Sea

A Virago Modern Classic Hachette UK

'Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us' HILARY MANTEL 'Mary Renault's portraits of the ancient world are fierce, complex and eloquent, infused at every turn with her life-long passion for the Classics. Her characters live vividly both in their own time, and in ours' MADELINE MILLER The sequel to The King Must Die. The Bull from the Sea continues the story of the hero Theseus after his return from Crete. Having freed the city of Athens from the onerous tribute demanded by the ruler of Knossos - the sacrifice of noble youths and maidens to the appetite of the Labyrinth's monster - Theseus has returned home to find his father dead and himself the new king. But his adventures have only just begun: he still must confront the Amazons, capture their queen, Hippolyta, and face the tragic results of Phaedra's jealous rage. Piecing together the fragments of myth and using her deep understanding of the cultures reflected in these legends, Mary Renault has constructed an enthralling narrative of a time when heroes battled monsters and gods strode the earth. 'There's much to say about her interweaving of myth and history and, just as interestingly, there's much to wonder at in the way she fills in the large dark spaces where we know next to nothing about the times she describes . . . an important and wonderful writer . . .

she set a course into serious-minded, psychologically intense historical fiction that today seems more important than ever' Sam Jordison, *Guardian*

Fire from Heaven *Open Road Media*

New York Times Bestseller and Man Booker Prize Finalist: A novel of ancient Greece by the author Hilary Mantel calls "a shining light." Alexander the Great stands alone as a leader and strategist, and *Fire from Heaven* is Mary Renault's unsurpassed dramatization of the formative years of his life. His parents fight for their precocious son's love: On one side, his volatile father, Philip, and on the other, his overbearing mother, Olympias. The story tells of the conqueror's two great bonds—to his horse, Oxhead, and to his dearest friend and eventual lover, Hephaestion—and of the army he commands when he is barely an adult. Coming of age during the battles for southern Greece, Alexander the Great appears in all of his colors—as the man who first takes someone's life at age twelve and who swiftly eliminates his rivals as soon as he comes to power—and emerges as a captivating, complex, larger-than-life figure. *Fire from Heaven* is the first volume of the *Novels of Alexander the Great* trilogy, which continues with *The Persian Boy* and *Funeral Games*. This ebook features an illustrated biography of Mary Renault including rare images of the author. "Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us." —Hilary Mantel

The King in Yellow *Library of Alexandria*

Toward the end of the year 1920 the Government of the United States had practically completed the programme, adopted during the last months of President Winthrop's administration. The country was apparently tranquil. Everybody knows how the Tariff and Labour questions were settled. The war with Germany, incident on that country's seizure of the Samoan Islands, had left no visible scars upon the republic, and the temporary occupation of Norfolk by the invading army had been forgotten in the joy over repeated naval victories, and the subsequent ridiculous plight of General Von Gartenlaube's forces in the State of New Jersey. The Cuban and Hawaiian investments had paid one hundred per cent and the territory of Samoa was well worth its cost as a coaling station. The country was in a superb state of defence. Every coast city had been well supplied with land fortifications; the army under the parental eye of the General Staff, organized according to the Prussian system, had been increased to 300,000 men, with a territorial reserve of a million; and six magnificent squadrons of cruisers and battle-ships patrolled the six stations of the navigable seas, leaving a steam reserve amply fitted to control home waters. The gentlemen from the West had at last been constrained to acknowledge that a college for the training of diplomats was as necessary as law schools are for the training of barristers; consequently we were no longer represented abroad by incompetent patriots. The nation was prosperous; Chicago, for a moment paralyzed after a second great fire, had risen from its ruins, white and imperial, and more beautiful than the white city which had been built for its plaything in 1893. Everywhere good architecture was replacing bad, and even in New York, a sudden craving for decency had swept away a great portion of the existing horrors. Streets had been widened, properly paved and lighted, trees had been planted, squares laid out, elevated structures demolished and underground roads built to replace them. The new

government buildings and barracks were fine bits of architecture, and the long system of stone quays which completely surrounded the island had been turned into parks which proved a god-send to the population. The subsidizing of the state theatre and state opera brought its own reward. The United States National Academy of Design was much like European institutions of the same kind. Nobody envied the Secretary of Fine Arts, either his cabinet position or his portfolio. The Secretary of Forestry and Game Preservation had a much easier time, thanks to the new system of National Mounted Police. We had profited well by the latest treaties with France and England; the exclusion of foreign-born Jews as a measure of self-preservation, the settlement of the new independent negro state of Suaneë, the checking of immigration, the new laws concerning naturalization, and the gradual centralization of power in the executive all contributed to national calm and prosperity. When the Government solved the Indian problem and squadrons of Indian cavalry scouts in native costume were substituted for the pitiable organizations tacked on to the tail of skeletonized regiments by a former Secretary of War, the nation drew a long sigh of relief. When, after the colossal Congress of Religions, bigotry and intolerance were laid in their graves and kindness and charity began to draw warring sects together, many thought the millennium had arrived, at least in the new world which after all is a world by itself.

The Führer Must Die

A Novel *Skyhorse*

Experience the exciting and suspenseful tale of the man who almost took out one of the greatest villains in history—and lived to never tell the tale. On November 8, 1939, a nondescript German clockmaker named Georg Elser placed a bomb in a Munich beer hall where Hitler was scheduled to give a speech. His simple intent: to stop the impending onset of World War II. The bomb's explosion missed the Fuhrer by only minutes, still killing more than 150 members of the Nazi Old Guard. After the attack, Elser was caught by happenstance at the porous Swiss border. When his family was threatened, he immediately confessed. There was only one problem: The Gestapo couldn't accept his confession as a lone assassin. Elser fit none of the assassin profiles drawn up by the police. To them, it was inconceivable that a lone attempt could have been perpetrated by one of Hitler's faithful and adoring citizens. A British conspiracy? Sure. But one of the Fatherland's faithful? Impossible. *The Führer Must Die* is as much the policemen's story as it is Elser's, narrating the account of the detectives he destroyed and the Gestapo men he drove crazy—followed by chaos and a body count. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The Persian Boy *Open Road Media*

A New York Times–bestselling novel of the ancient king of Macedon and his lover by the author Hilary Mantel calls “a shining light.” The Persian Boy centers on the most tempestuous years of Alexander the Great’s life, as seen through the eyes of his lover and most faithful attendant, Bagoas. When Bagoas is very young, his father is murdered and he is sold as a slave to King Darius of Persia. Then, when Alexander conquers the land, he is given Bagoas as a gift, and the boy is besotted. This passion comes at a time when much is at stake—Alexander has two wives, conflicts are ablaze, and plots on the Macedon king’s life abound. The result is a riveting account of a great conqueror’s years of triumph and, ultimately, heartbreak. The Persian Boy is the second volume of the Novels of Alexander the Great trilogy, which also includes *Fire from Heaven* and *Funeral Games*. This ebook features an illustrated biography of Mary Renault including rare images of the author. “Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us.” —Hilary Mantel

Mary Renault

A Biography *Vintage*

In her novels *The Last of the Wine*, *The Bull from the Sea* and *The Persian Boy*, Mary Renault wrote so frankly about homosexuality that some readers thought she must be a man. In fact Renault was the pseudonym for Mary Challans, a remarkable and private woman. Born in London, she spent most of her life in South Africa.

The Praise Singer

A Virago Modern Classic *Virago*

'Mary Renault's portraits of the ancient world are fierce, complex and eloquent, infused at every turn with her life-long passion for the Classics. Her characters live vividly both in their own time, and in ours' MADELINE MILLER Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us' HILARY MANTEL In the story of the great lyric poet Simonides, Mary Renault brings alive a time in Greece when tyrants kept an unsteady rule and poetry, music, and royal patronage combined to produce a flowering of the arts. Born into a stern farming family on the island of Keos, Simonides escapes his harsh

childhood through a lucky apprenticeship with a renowned Ionian singer. As they travel through 5th century B.C. Greece, Simonides learns not only how to play the kithara and compose poetry, but also how to navigate the shifting alliances surrounding his rich patrons. He is witness to the Persian invasion of Ionia, to the decadent reign of the Samian pirate king Polykrates, and to the fall of the Pisistratids in the Athenian court. Along the way, he encounters artists, statesmen, athletes, thinkers, and lovers, including the likes of Pythagoras and Aischylos. Using the singer's unique perspective, Renault combines her vibrant imagination and her formidable knowledge of history to establish a sweeping, resilient vision of a golden century. 'There's much to say about her interweaving of myth and history and, just as interestingly, there's much to wonder at in the way she fills in the large dark spaces where we know next to nothing about the times she describes . . . an important and wonderful writer . . . she set a course into serious-minded, psychologically intense historical fiction that today seems more important than ever' - Sam Jordison, *Guardian*

The Last of the Wine *Random House*

The story of Alexias, a young Athenian from a good family who gets drawn in to the controversial teachings of Socrates and a participates in the Olympic Games -- all set against the background of famine, siege and civil conflict.

Funeral Games *Open Road Media*

The conclusion to the New York Times–bestselling trilogy of ancient Greece by the author Hilary Mantel calls “a shining light.” By the end of his reign, Alexander the Great had seized control of an empire that extended from the Adriatic Sea to the Indus River. When he died in 323 BC, a fervent scramble for power ensued. *Funeral Games* is Mary Renault’s remarkable novel of this turmoil and the gradual erosion of the Greek empire. The power players include Ptolemy, two father-son teams, and a cadre of influential women—not least of whom is Eurydike, whose plan is to marry Alexander’s disabled brother, Arridaios. Brimming with outsize personalities, brazen plots, and a sweeping sense of history, *Funeral Games* brings to vivid life the world of Alexander the Great, and the seismic tumult in the wake of his death. *Funeral Games* is the final volume of the Novels of Alexander the Great trilogy, which begins with *The Persian Boy* and *Fire from Heaven*. This ebook features an illustrated biography of Mary Renault including rare images of the author. “Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us.” —Hilary Mantel

Circe *Little, Brown*

"A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the Odyssey as a hero in her own right" (Alexandra Alter, The New York Times). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V. Last of the Amazons

A Novel *Bantam*

BONUS: This edition contains an excerpt from Steven Pressfield's The Profession. The author of the international bestsellers Gates of Fire and Tides of War delivers his most gripping and imaginative novel of the ancient world—a stunning epic of love and war that breathes life into the grand myth of the ferocious female warrior culture of the Amazons. Steven Pressfield has gained a passionate worldwide following for his magnificent novels of ancient Greece, Gates of Fire and Tides of War. In Last of the Amazons, Pressfield has surpassed himself, re-creating a vanished world in a brilliant novel that will delight his loyal readers and bring legions more to his singular and powerful restoration of the past. In the time before Homer, the legendary Theseus, King of Athens (an actual historical figure), set sail on a journey that brought him into the land of tal Kyrte, the “free people,” a nation of proud female warriors whom the Greeks called “Amazons.” The Amazons, bound to each other as lovers as well as fighters, distrusted the Greeks, with their boastful talk of “civilization.” So when the great war queen Antiope fell in love with Theseus and fled with the Greeks, the mighty Amazon nation rose up in rage. Last of the Amazons is not merely a masterful

tale of war and revenge. Pressfield has created a cast of extraordinarily vivid characters, from the unforgettable Selene, whose surrender to the Greeks does nothing to tame her; to her lover, Damon, an Athenian warrior who grows to cherish the wild Amazon ways; to the narrator, Bones, a young girl from a noble family who was nursed by Selene from birth and secretly taught the Amazon way; to the great Theseus, the tragic king; and to Antiope, the noble queen who betrayed tal Kyrte for the love of Theseus. With astounding immediacy and extraordinary attention to military detail, Pressfield transports readers into the heat and terror of war. Equally impressive is his creation of the Amazon nation, its people, its rituals and myths, its greatness and savagery. Last of the Amazons is thrilling on every page, an epic tale of the clash between wildness and civilization, patriotism and love, man and woman.

Arc of Justice

A Saga of Race, Civil Rights, and Murder in the Jazz Age *Henry Holt and Company*

An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle In 1925, Detroit was a

smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began-a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. Arc of Justice is the winner of the 2004 National Book Award for Nonfiction.

Deacon King Kong

A Novel *Penguin*

Winner of the Anisfield-Wolf Book Award for Fiction Winner of the Gotham Book Prize One of Barack Obama's "Favorite Books of the Year" Oprah's Book Club Pick Named one of the Top Ten Books of the Year by the New York Times, Entertainment Weekly and TIME Magazine A Washington Post Notable Novel From the author of the National Book Award-winning *The Good Lord Bird* and the bestselling modern classic *The Color of Water*, comes one of the most celebrated novels of the year. In September 1969, a fumbling, cranky old church deacon known as Sportcoat shuffles into the courtyard of the Cause Houses housing project in south Brooklyn, pulls a .38 from his pocket, and, in front of everybody, shoots the project's drug dealer at point-blank range. The reasons for this desperate burst of violence and the consequences that spring from it lie at the heart of Deacon King Kong, James McBride's funny, moving novel and his first since his National Book Award-winning *The Good Lord Bird*. In Deacon King Kong, McBride brings to vivid life the people affected by the shooting: the victim, the African-American and Latinx residents who witnessed it, the white neighbors, the local cops assigned to investigate, the members of the Five Ends Baptist Church where Sportcoat was deacon, the neighborhood's Italian mobsters, and Sportcoat himself. As the story deepens, it becomes clear that the lives of the characters—caught in the tumultuous swirl of 1960s New York—overlap in unexpected ways. When the truth does emerge, McBride shows us that not all secrets are meant to be hidden, that the best way to grow is to face change without fear, and that the seeds of love lie in hope and compassion. Bringing to these pages both his masterly storytelling skills and his abiding faith in humanity, James McBride has written a novel every bit as involving as *The Good Lord Bird* and as emotionally honest as *The Color of Water*. Told with insight and wit, Deacon King Kong demonstrates that love and faith live in all of us.

The Devil's Library

Crux Publishing Ltd

"Pugh's first novel is a magnificent achievement. Let us hope he returns to enthrall us with another very soon." David Dickinson, author of the Powerscourt series *The Otiosi*? As far as Mathew Longstaff knows, they're just a group of harmless scholars with an eccentric interest in the works of antiquity. When they ask him to travel east, to recover a lost text from Ivan the Terrible's

private library, he can't think of anything but the reward – home. A return to England and an end to the long years of exile and warfare. But the Otiosi are on the trail of a greater prize than Longstaff realises – the legendary 'Devil's Library'. And they are not alone. Gregorio Spina, the pope's spymaster and chief censor, is obsessed with finding the Library. It's not the accumulated wisdom of centuries he's after – a swamp of lies and heresy in his opinion – but among the filth, like a diamond at the centre of the Devil's black heart, Spina believes that God has placed a treasure, a weapon to defeat the Antichrist and pitch his hordes back into hell. Only Longstaff, together with the unpredictable physician, Gaetan Durant, can stop Spina using the Library to plunge Europe into a second Dark Ages. The two adventurers fight their way south, from the snowfields of Muscovy to the sun-baked plains of Italy, where an ageing scholar and his beautiful, young protégé hold the final piece of the puzzle. But is it already too late? Can the four of them take on the might of the Roman Church and hope to win?

The Novels of Alexander the Great

Fire from Heaven, The Persian Boy, and Funeral Games *Open Road Media*

A New York Times–bestselling trilogy about the ancient Greek kingdom of Macedon and its leader from an author hailed by Hilary Mantel as "a shining light." *Fire from Heaven* is a gripping account of the formative years of Alexander's life. The story tells of his complex relationship with his parents; of his two great bonds—to his horse, Oxhead, and to his dearest friend and eventual lover, Hephaestion—and of the army he commands when he is barely an adult. Coming of age during the battles for southern Greece, Alexander the Great first takes someone's life at age twelve and swiftly eliminates his rivals as soon as he comes to power, emerging in this novel as a captivating and complex figure. The iconic *Persian Boy* centers on the Macedon king as seen through the eyes of his lover and most faithful attendant, the eunuch Bagoas. When Bagoas is very young, his father is murdered and he is sold as a slave to King Darius of Persia. Then, when Alexander conquers the land, he is given Bagoas as a gift, and the boy is besotted. This passion comes at a time when much is at stake—Alexander has two wives, conflicts are ablaze, and plots on his life abound. The result is a riveting account of a great conqueror's years of triumph and, ultimately, heartbreak. In *Funeral Games*, a bloody struggle for power rages after the death of Alexander, leaving an empire that extends from the Adriatic Sea to the Indus River. The power players include Ptolemy, two father-son teams, and a cadre of influential women—not least of whom is Eurydike, whose plan is to marry Alexander's disabled brother, Arridaios. Brimming with outsize personalities, brazen plots, and a sweeping sense of history, *Funeral Games* brings to vivid life the world of Alexander the Great, and the seismic tumult in the wake of his death. This ebook features an illustrated biography of Mary Renault including rare images of the author. "Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us." —Hilary Mantel

The King Must Die; The Bull from the Sea *Everyman's Library*

A hardcover omnibus edition of the two classic novels in which Mary Renault brilliantly recreated the legendary hero Theseus

and his defeat of the Minotaur. CONTEMPORARY CLASSICS. In her inventive novels of ancient Greece, Mary Renault performs the alchemical feats of fashioning from the myth of Theseus a convincingly flawed human hero and of weaving a thrillingly plausible tale from the fantastical legends of his exploits. *The King Must Die* follows young Theseus from his mystery-shrouded birth and resulting youthful insecurity, through his fondness for pranks and his growing maturity, to the battlefield feats that made his name--culminating in a bold display of ingenuity in the Labyrinth of Crete. *The Bull from the Sea* begins with Theseus's triumphal return to Athens after having slain the Minotaur. He finds his father has died and he is now king, but his adventures have only begun: he has yet to confront the Amazons; capture their queen, Hippolyta; and face the tragic results of Phaedra's jealous rage. Using her deep understanding of the cultures of the ancient Greek world, Renault constructs an enthralling narrative of a time when heroes battled monsters and gods strode the earth.
