The Politically Incorrect Guide to the Civil War *Simon and Schuster*
The Politically Incorrect Guide to the Civil War is a joyful, myth-busting, rebel yell that shatters today’s Leftist and demeaning stereotypes about the South and the Civil War.

The Politically Incorrect Guide to Capitalism *Regnery Publishing*
An irreverent look at capitalism that exposes common fallacies and offers simple explanations of complex issues related to capitalism and its role in the world's economy.

The Politically Incorrect Guide to Western Civilization *Regnery Publishing*
Everything you should know--but PC professors won't teach--about Western heritage. Western civilization is the envy of the globe. It has given to the

world universally accepted understandings of human rights (rooted in Judeo-Christian principles), created standards for art, music, and literature that have never been equaled, and originated political and social systems that have spread all across the planet. Political correctness now obscures these and other truths about Western civilization. Leftists and Islamic jihadists find common cause in assailing Western "colonialism," "imperialism," and "racism" as its defining characteristics. Guilt-ridden Western leaders and public figures speak of their cultural patrimony in disparaging terms they would never dare to use about a non-Western culture. And in universities, "multicultural"-minded professors flatter students into believing they have nothing really to learn from Sophocles or Shakespeare. But now, Professor Anthony Esolen--one of the team-teachers of Providence College's esteemed Development of Western Civilization Core Curriculum--has risen to the West's defense. The Politically Incorrect Guide(TM) to Western Civilization takes on the prevailing liberal assumptions that make Western civilization the universal whipping boy for today's global problems - and introduces you to the significant events, individuals, nations, ideas, and artistic achievements that make Western civilization the greatest the world has ever known. Today, defending the West has become an urgent imperative: if we don't value what we have and what we have inherited, we will surely lose it. The Politically Incorrect Guide(tm) to Western Civilization is an essential sourcebook for that defense.

The Politically Incorrect Guide to Socialism *Regnery Publishing*
Argues that the same impulse for control that governed the Soviet Union is present in the American health care and educational systems and that socialism can never work because of human nature.

The Politically Incorrect Guide to the Vietnam War *Regnery Publishing*
Shatters culturally accepted myths of the Vietnam War as it reveals the truth about the battles, players, and policies of one of the most controversial wars in U.S. history.

The Politically Incorrect Guide to the Constitution *Regnery Publishing*
The Constitution of the United States created a representative republic marked by federalism and the separation of powers. Yet numerous federal judges--led by the Supreme Court--have used the Constitution as a blank check to substitute their own views on hot-button issues such as abortion, capital punishment, and samesex marriage for perfectly constitutional laws enacted by We the People through our elected representatives. Now, The Politically Incorrect Guide to the Constitution shows that there is very little relationship between the Constitution as ratified by the thirteen original states more than two centuries ago and the "constitutional law" imposed upon us since then. Instead of the system of state-level decision makers and elected officials the Constitution was intended to create, judges have given us a highly centralized system in which bureaucrats and appointed--not elected--officials make most of the important policies. In The Politically Incorrect Guide to the Constitution, Professor Kevin Gutzman explains how the Constitution: Was understood by the founders who wrote it and the people who ratified it. Follows the Supreme Court as it uses the fig leaf of the Constitution to cover its naked usurpation of the rights and powers the Constitution explicitly reserves to the states and to the people. Slid from the Constitution's republican federal government, with its very limited powers, to an unrepblican "judgeocracy" with limitless powers. How the Fourteenth Amendment has been twisted to use the Bill of Rights as a check on state power instead of on federal power, as originally intended. The radical inconsistency between "constitutional law" and the rule of law. Contends that the judges who receive the most attention in history books are celebrated for acting against the Constitution rather than for it. As Professor Gutzman shows, constitutional law is supposed to apply the Constitution's plain meaning to prevent judges, presidents, and congresses from overstepping their authority. If we want to return to the founding fathers' vision of the Republic, if we want the Constitution enforced in the way it was explained to the people at the time of its ratification, then we have to overcome the "received wisdom" about what constitutional law is. The Politically Incorrect Guide to the Constitution is an important step in that direction.

The Politically Incorrect Guide to Real American Heroes *Regnery Publishing*
Profiles heroic figures from the beginning of the United States' history to the present whose contributions to society the author asserts have been overshadowed by the actions of those the liberal media holds in high esteem.

The Politically Incorrect Guide to the Founding Fathers *Simon and Schuster*
A book to challenge the status quo, spark a debate, and get people talking about the issues and questions we face as a country!

The Politically Incorrect Guide to Hunting *Regnery Publishing*
A hunter defends the ethical aspects of hunting, discussing why hunting is necessary, how it works to conserve certain groups of animals, why environmentalists support hunting, and how hunting is statistically less dangerous than sports.

The Politically Incorrect Guide to American History *Simon and Schuster*
The bestselling Politically Incorrect Guide to American History reveals facts that you won't be--or never were--taught in school, tells you about the "Books You're Not Supposed to Read," and gives you all the information you need to battle and confound left-wing professors, neighbors, and friends.

The Politically Incorrect Guide to Islam (And the Crusades) *Regnery Publishing*
Presents a critical analysis of the differences between Christianity and Islam and maintains that Islam contains a political agenda which endorses violence and aggression against non-Muslims.

The Politically Incorrect Guide to Climate Change *Regnery Publishing*

Updated to include new section on the Green New Deal! "The climate scare ends with this book." —SEAN HANNITY "This book arms every citizen with a comprehensive dossier on just how science, economics, and politics have been distorted and corrupted in the name of saving the planet." —MARK LEVIN Less freedom. More regulation. Higher costs. Make no mistake: those are the surefire consequences of the modern global warming campaign waged by political and cultural elites, who have long ago abandoned fact-based science for dramatic fearmongering in order to push increased central planning. The Politically Incorrect Guide to Climate Change gives a voice -- backed by statistics, real-life stories, and incontrovertible evidence -- to the millions of "deplorable" Americans skeptical about the multibillion dollar "climate change" complex, whose claims have time and time again been proven wrong.

The Politically Incorrect Guide to The South

(And Why It Will Rise Again) *Simon and Schuster*

The latest installment in the New York Times bestselling Politically Incorrect Guide series expands on the pro-South slant of the hugely successful Politically Incorrect Guide to American History. Author Clint Johnson shows why the South, with its emphasis on traditional values, family, faith, military service, good manners, small government, and independent-minded people, should certainly rise again!

The Politically Incorrect Guide to the Bible *Regnery Publishing*

Defends the reliability of the Bible and argues that it is the source of Western ideas of charity, justice, reason, science, and democracy.

The Politically Incorrect Guide to the British Empire *Regnery Publishing*

Presents an irreverant and humorous look at the four-hundred-year history of the British empire.

The Politically Incorrect Guide to Science *Simon and Schuster*

"If the globe is warming, is mankind responsible, or is the sun?" Such a statement does not appear out of place in Bethell's entertaining account of how modern science is politically motivated and in desperate need of oversight. Bethell writes in a compulsively readable style, and although he provides legitimate insight into the potential benefits of nuclear power and hormesis, some readers will be turned off when he attempts to disprove global warming and especially evolution. Throughout the book, Bethell makes questionable claims about subjects as varied as AIDS ("careful U.S. studies had already shown that at least a thousand sexual contacts are needed to achieve heterosexual transmission of the virus") and extinction ("It is not possible definitely to attribute any given extinction to human activity"), and backs up his arguments with references to the music magazine SPIN and thriller-writer Michael Crichton. Ironically, Bethell ends up proving his own premise by producing a highly politicized account of how liberal intellectuals and unchecked government agencies have created a "white-coated priesthood" whose lust for grant money has driven them to produce fearsome (but in Bethell's view, false) tales of ozone destruction and AIDS pandemics. In the end, this book is unlikely to sway readers who aren't already in Bethell's ideological camp, as any points worthy of discussion get lost in the glut of unsourced claims that populate this latest installment of "The Politically Incorrect Guide" series.

The Politically Incorrect Guide to Western Civilization *Simon and Schuster*

In The Politically Incorrect Guide™ to Western Civilization , Esolen describes the cultures that formed Western civilization, and explains to readers how each of them—from the Ancient Greeks and Romans, to the Renaissance humanists—has shaped the world we live in today. The latest work in the Politically Incorrect Guide (P.I.G.) series shows how the West laid the cornerstones of all modern civilization, including historical, artistic, and intellectual achievements.

The Politically Incorrect Guide to English And American Literature *Regnery Publishing*

Citing declining coverage of classic English and American literature in today's schools, a "politically incorrect" primer challenges popular misconceptions while introducing the works of such core masters as Shakespeare, Faulkner, and Austen, in a volume that is complemented by a syllabus and a self-study guide. Original.

The Politically Incorrect Guide to the Great Depression and the New Deal *Regnery Publishing*

Provides irrefutable evidence that not only did government interference with the market cause the Great Depression (and our current economic collapse), but Herbert Hoover's and Franklin Delano Roosevelt's big government policies afterwards made it much longer and much worse.--From publisher description.

The Politically Incorrect Guide to the Middle East *Simon and Schuster*

The Middle East is almost never off the front pages, yet most Americans know little about the region. Why? The mainstream media and Ivy League academics, instead of helping, only make matters worse by casting everything in the usual politically correct mold: Arab terrorists are just desperate freedom fighters, and the region's one free democracy -- Israel -- is the oppressor, not least because of its alliance with America. And if Islamic extremism is a problem, the establishment tells us, it's only because it's rooted in that source of all evils: religion. A different strain of political correctness has seeped into some minds on the right -- most notably the Bush administration, which, so ready to buy into the egalitarian myths we are all taught, believed that Western-style democracy could flourish anywhere. Now, in The Politically Incorrect Guide to the Middle East, veteran

Middle East correspondent Martin Sieff puts the lie to all these myths and clichés, giving you everything you need to know about the region to understand its past, its present, and its possible future.

The Politically Incorrect Guide to Catholicism *Simon and Schuster*

A book to challenge the status quo, spark a debate, and get people talking about the issues and questions we face as a country!

The Politically Incorrect Guide to Catholicism *Regnery Publishing*

Back by popular demand, the bestselling Politically Incorrect Guides provide an unvarnished, unapologetic overview of controversial topics every American should understand. The Politically Incorrect Guide to Catholicism refutes misrepresentations and misconceptions about the Catholic Church and separates rumor from truth when it comes to Catholic traditions, faith, and controversial leaders.

The Politically Incorrect Guide to Darwinism And Intelligent Design *Regnery Publishing*

A non-technical analysis of the controversial culture war over Darwin versus intelligent design states that there is no irrefutable evidence supporting Darwinism, argues that Darwin-based theories that are taught in school are not fact-based, and reveals how scientists at major universities believe in intelligent design. Original.

The Politically Incorrect Guide to Immigration *Simon and Schuster*

The crime statistics. The jobs. The inflated welfare state. The terror threats. The Politically Incorrect Guide to Immigration shines cold light on America's out-of-control immigration problem with real-life stories and incontrovertible evidence.

The Politically Incorrect Guide to Communism *Simon and Schuster*

A brand-new installment of the beloved Politically Incorrect Guide series! The Politically Incorrect Guide to Communism is a fearless critique of freedom's greatest ideological adversary, past and present.

The Politically Incorrect Guide to Climate Change *Simon and Schuster*

"The climate scare ends with this book." —SEAN HANNITY "This book arms every citizen with a comprehensive dossier on just how science, economics, and politics have been distorted and corrupted in the name of saving the planet." —MARK LEVIN Less freedom. More regulation. Higher costs. Make no mistake: those are the surefire consequences of the modern global warming campaign waged by political and cultural elites, who have long ago abandoned fact-based science for dramatic fearmongering in order to push increased central planning. The Politically Incorrect Guide to Climate Change gives a voice -- backed by statistics, real-life stories, and incontrovertible evidence -- to the millions of "deplorable" Americans skeptical about the multibillion dollar "climate change" complex, whose claims have time and time again been proven wrong.

The Politically Incorrect Guide to the Constitution *Simon and Schuster*

The Constitution of the United States created a representative republic marked by federalism and the separation of powers. Yet numerous federal judges--led by the Supreme Court--have used the Constitution as a blank check to substitute their own views on hot-button issues such as abortion, capital punishment, and samesex marriage for perfectly constitutional laws enacted by We the People through our elected representatives. Now, The Politically Incorrect Guide(tm) to the Constitution shows that there is very little relationship between the Constitution as ratified by the thirteen original states more than two centuries ago and the "constitutional law" imposed upon us since then. Instead of the system of state-level decision makers and elected officials the Constitution was intended to create, judges have given us a highly centralized system in which bureaucrats and appointed--not elected--officials make most of the important policies.

The Politically Incorrect Guide to The South

(And Why It Will Rise Again) *Regnery Publishing*

A new installment in the popular satirical series cites the historical influences of the nation's founding fathers while identifying the contributions of conservatives, in a lighthearted volume that celebrates the virtues of traditional southern values. Original.

The Politically Incorrect Guide to the American Revolution *Regnery Publishing*

The truth about the American Revolution is under attack. Despite what you may have learned in school, it wasn't a rich slaveholder's war fought to "maintain white privilege." In fact, the War of Independence wasn't about maintaining any status quo—it was the world's first successful bottom-up revolution by the people, ushering in a new dawn of liberty that history had never seen before. But with left-wingers dominating the teaching of history, where can you go for the true story of the unprecedented events that made the United States the worlds greatest nation? Now bestselling historian Larry Schweikart has teamed up with author Dave Dougherty to write the ground-breaking patriotic history you've always wanted to read about the foundation of our unique nation. The Politically Incorrect Guide to the American Revolution reveals: Four key factors that applied only in America, making it impossible to replicate the Revolution anywhere else Why it matters that the Patriot ghting force was overwhelmingly Scotch-Irish The key role of Protestantism: which denominations tended to become Patriots, and which Tories How Americans were different from the Europeans and English even at the outset of the Revolution How the casualties of the deadliest war in American history are routinely underreported How our Revolution became a model for hundreds of others—that all failed Schweikart and Dougherty take on the left-wing myths—starting with the Marxist

narrative of the Revolution in Howard Zinn's nearly ubiquitous A People's History of the United States—and uncover the truth about America's beginning.

The Politically Incorrect Guide to the Founding Fathers *Regnery Publishing*

Argues that such figures as George Washington, Thomas Jefferson, and Ben Franklin laid the foundations of American civil liberty and had a better understanding of problems facing Americans today than the current U.S. Congress.

The Politically Incorrect Guide to the Sixties *Regnery Publishing*

Argues that the nineteen-sixties were not the years of sexual, social, and political revolution as they have been widely depicted, but were far more conservative as the majority of America remained a mainstream culture.

The Politically Incorrect Guide to Global Warming

And Environmentalism *Regnery Publishing*

An exposêe of some of the more controversial agendas behind global warming argues that poor-quality science and dishonest politics are contributing to the intentionally disproportionate and self-serving levels of fear.

The Politically Incorrect Guide to the Presidents, Part 1

From Washington to Taft *Simon and Schuster*

A book to challenge the status quo, spark a debate, and get people talking about the issues and questions we face as a country!

The Politically Incorrect Guide to Women, Sex And Feminism *Regnery Publishing*

Argues that American feminism advocates values which do not take into account some of the complexities of career, family, and sexuality faced by women and that women need to make more informed choices using factual evidence rather than ideology.

The Politically Incorrect Guide to the Middle East *Regnery Publishing*

Examines the Middle East from the decline of the Ottoman Empire to the present, discussing such topics as the history of radical Islam, the conflicts between the Arabs and Israelis, and political movements in Iran, Iraq, and Saudi Arabia.

The Politically Incorrect Guide to English and American Literature *Simon and Schuster*

What PC English professors don't want you to know...in Beowulf - If we don't admire heroes, there's something wrong with us , in Chaucer: Chivalry

has contributed enormously to women's happiness, in Shakespeare: Some choices are inherently destructive (it's just built into the nature of things) , in Milton: Our intellectual freedoms are Christian, not anti-Christian, in origin , in Jane Austen: Most men would be improved if they were more patriarchal than they actually are , in Dickens: Reformers can do more harm than the injustices they set out to reform , in T. S. Eliot: Tradition is necessary to culture, in Flannery O'Connor: Even modern American liberals aren't immune to original sin .

The Politically Incorrect Guide to Jihad *Simon and Schuster*

A book to challenge the status quo, spark a debate, and get people talking about the issues and questions we face as a country!

The Politically Incorrect Guide to the Presidents

From Wilson to Obama *Regnery Publishing*

Argues that the United States presidents of the past hundred years have actively sought to undermine the Constitution and their constitutional responsibilities, and analyzes each presidency based on their adherence to the Constitution.

The Politically Incorrect Guide to Pandemics *Simon and Schuster*

Deadly plagues have ripped across the globe for centuries and will continue to do so in the future. From the Black Death to Smallpox and the Hong Kong flu, seven of the ten worst plagues in history originated in China. But the Covid-19 pandemic was something entirely new: a genetically engineered pathogen that was deliberately released upon the world for the geopolitical profit of a Communist government. In The Politically Incorrect Guide® to Pandemics, Steven Mosher, a leading authority on China, devastates politically correct narratives about the Covid-19 pandemic and the deadliest plagues in history. With expert insight, he reveals: Mountains of evidence that the Covid-19 pandemic originated in a Wuhan lab and not a wet market What life was like under plagues of the past and how these compare to the Covid-19 pandemic How Communist governments benefit economically and strategically from international plagues Chinese Communist Party source documents revealing viruses bioengineered to wreak global havoc The next pandemic may be the most devastating plague of all time. The Politically Incorrect Guide® to Pandemics sounds the alarm to prepare for a dangerous pandemic future.

The Politically Incorrect Guide to the Presidents

From Wilson to Obama *Simon and Schuster*

Larry Schweikart, a retired history professor, is ready to set the record straight on the American presidents. He goes through each of the first 26 presidents from Washington to Taft and debunks myths, lies, and fake news made fact by the uninformed. Discover why George Washington favored American isolationism; James Madison supported states' rights; what Lincoln promised to Southerners about fugitive slaves; and why nineteenth-century presidents were the last to understand the true role of government. So what made these presidents so much better than the ones America has now? Schweikart argues that recent commanders-in-chief have welcomed crises to advance their own partisan agenda, defied the separation of powers the Founders carefully constructed to preserve the Republic, and given us every reason to doubt they take the country's interests to heart.
