As the horrible reality of the situation becomes evident they have to make a life-and-death decision: to run

back into the bush and hide, to give themselves up to be with their families, or to stay and try to fight. This reveting, tautly-drawn novel seems at times to be only a step away from today's headlines.

 "Australia's king of young adult fiction"

The Australian We were halfway up the
 spur when we heard it. Homer and Gavin
 and I, just the three of us... I'd say there
 were fifteen shots in the first volley,
 evenly spaced, lasting about twenty-five
 seconds... All the way down the spur I'd
 heard the scattered shots, getting closer
 as I got closer, and all the way down I
 tried to think of reasonable explanations
 for them, and I couldn't think of a single
 thing that made sense. The town of
 Wirrawee is emerging from war, slowly,
 like a flower after a cold snap.
 Businesses are starting to reopen, the
 school has re-commenced classes, and
 local farmers are gradually repossessing
 their land. But it's not the same Australia
 as before the war. A new nation exists
 just a few miles away, a new border that
 separates Australia from its invaders. Or

does it? For Ellie Linton, being back on the farm with her parents is what makes the terrible things that happened during the war - the things she, Homer, Lee, Fi and the others had to do - all worthwhile. It's where she belongs. But the war won't let her go. A devastating tragedy has shattered any hope she ever had to reclaim her life, or herself. It's a new kind of fight. And the enemy isn't always from the other side of the border. Fans of Veronica Roth, Suzanne Collins and John Flanagan will love John Marsden.

Fans of Veronica Roth, Suzanne Collins and John Flanagan will love John Marsden.

Burning for Revenge *HarperCollins*

From Hell to Stratton isn't an easy trip, especially when the enemy's headquarters lies somewhere in between. And that's exactly where Ellie and her friends unwillingly find themselves — smack in the middle of

the Wirrawee airfield. With only five of them against hundreds of armed soldiers, escape seems like a suicide mission. The odds aren't good, and Kevin's nervous breakdown isn't helping matters. Ellie and her compatriots are back, battling to stay alive and struggling to stay together in John Marsden's fifth book in the TOMORROW, WHEN THE WAR BEGAN series. High-speed truck chases, unexpected river journeys, and treachery by one of their own are just a few of the problems these Australian teens face in this gritty tale of war and survival.

The Other Side of Dawn *Pan Australia*
The seventh and final novel in this gripping internationally best-selling series. The lone band of teenage

survivors face the final battle against the brutal army that has destroyed their country and murdered their friends and family. At last, an end to all the pain and suffering is in sight. The group of teenagers, led by Ellie, prepare to face the enemy one last time. But this final bid for freedom demands a head on confrontation with danger, with fear and with extreme bravery. The gang must accept that as the war draws to a close, the price of defeat is running higher than ever.

The Daughters of Kobani

A Story of Rebellion, Courage, and Justice *Penguin*

A NEW YORK TIMES BESTSELLER The extraordinary story of the women who

took on the Islamic State and won “The Daughters of Kobani is an unforgettable and nearly mythic tale of women's power and courage. The young women profiled in this book fought a fearsome war against brutal men in impossible circumstances—and proved in the process what girls and women can accomplish when given the chance to lead. Brilliantly researched and respectfully reported, this book is a lesson in heroism, sacrifice, and the real meaning of sisterhood. I am so grateful that this story has been told.” —Elizabeth Gilbert, author of *Big Magic* and *Eat, Pray, Love* “Absolutely fascinating and brilliantly written, *The Daughters of Kobani* is a must-read for anyone who wants to understand both the nobility and the brutality of war. This

is one of the most compelling stories in modern warfare.” —Admiral William H. McRaven, author of *Make Your Bed* In 2014, northeastern Syria might have been the last place you would expect to find a revolution centered on women's rights. But that year, an all-female militia faced off against ISIS in a little town few had ever heard of: Kobani. By then, the Islamic State had swept across vast swaths of the country, taking town after town and spreading terror as the civil war burned all around it. From that unlikely showdown in Kobani emerged a fighting force that would wage war against ISIS across northern Syria alongside the United States. In the process, these women would spread their own political vision, determined to make women's equality a reality by

fighting—house by house, street by street, city by city—the men who bought and sold women. Based on years of on-the-ground reporting, *The Daughters of Kobani* is the unforgettable story of the women of the Kurdish militia that improbably became part of the world's best hope for stopping ISIS in Syria. Drawing from hundreds of hours of interviews, bestselling author Gayle Tzemach Lemmon introduces us to the women fighting on the front lines, determined to not only extinguish the terror of ISIS but also prove that women could lead in war and must enjoy equal rights come the peace. In helping to cement the territorial defeat of ISIS, whose savagery toward women astounded the world, these women played a central role in neutralizing the

threat the group posed worldwide. In the process they earned the respect—and significant military support—of U.S. Special Operations Forces. Rigorously reported and powerfully told, *The Daughters of Kobani* shines a light on a group of women intent on not only defeating the Islamic State on the battlefield but also changing women's lives in their corner of the Middle East and beyond.

Parallel Journeys *Simon and Schuster*
She was a young German Jew. He was an ardent member of the Hitler Youth. This is the story of their parallel journey through World War II. Helen Waterford

and Alfons Heck were born just a few miles from each other in the German Rhineland. But their lives took radically different courses: Helen's to the Auschwitz extermination camp; Alfons to a high rank in the Hitler Youth. While Helen was hiding in Amsterdam, Alfons was a fanatic believer in Hitler's "master race." While she was crammed in a cattle car bound for the death camp Aushchwitz, he was a teenage commander of frontline troops, ready to fight and die for the glory of Hitler and the Fatherland. This book tells both of their stories, side-by-side, in an overwhelming account of the nightmare that was WWII. The riveting stories of these two remarkable people must stand as a powerful lesson to us all.

America's Original Sin

Racism, White Privilege, and the Bridge to a New America *Brazos Press*

America's problem with race has deep roots, with the country's foundation tied to the near extermination of one race of people and the enslavement of another. Racism is truly our nation's original sin. "It's time we right this unacceptable wrong," says bestselling author and leading Christian activist Jim Wallis. Fifty years ago, Wallis was driven away from his faith by a white church that considered dealing with racism to be taboo. His participation in the civil rights movement brought him back when he discovered a faith that commands racial justice. Yet as recent tragedies confirm, we continue to suffer from the legacy of

racism. The old patterns of white privilege are colliding with the changing demographics of a diverse nation. The church has been slow to respond, and Sunday morning is still the most segregated hour of the week. In America's Original Sin, Wallis offers a prophetic and deeply personal call to action in overcoming the racism so ingrained in American society. He speaks candidly to Christians--particularly white Christians--urging them to cross a new bridge toward racial justice and healing. Whenever divided cultures and gridlocked power structures fail to end systemic sin, faith communities can help lead the way to grassroots change. Probing yet positive, biblically rooted yet highly practical, this book shows people of faith how they can work together to

overcome the embedded racism in America, galvanizing a movement to cross the bridge to a multiracial church and a new America.
