Captivating

Unveiling the Mystery of a Woman's Soul *Thomas Nelson Inc*
02

Wild at Heart Expanded Edition

Discovering the Secret of a Man's Soul *Thomas Nelson*
The bestselling book that has revolutionized the lives of millions of men, revised and expanded. John Eldredge revises and updates his best-selling, renowned Christian classic, Wild at Heart, and in it invites men to: - Recover their masculine heart. - See themselves in the image of a passionate god. - Delight in the strength and wilderness men were created to offer. In this provocative book, Eldredge gives a look inside the true heart of a man and gives men permission to be what God designed them to be—dangerous, passionate, alive, and free

Wild at Heart *Simple Wild*

"Calla Fletcher returns to Toronto a different person, struggling to find direction and still very much in love with the rugged bush pilot she left behind. When Jonah arrives on her doorstep with a proposition she can't dismiss, she takes the leap and rushes back to Alaska to begin their exciting future together. But Calla soon learns that even the best intentions can lead to broken promises, and that compromise comes with a hefty price--a log cabin in interior rural Alaska that feels as isolating as the western tundra."--Page 4 of cover.

Wild at Heart

Mustangs and the Young People Fighting to Save Them *Houghton Mifflin Harcourt*
"Wild horses thrived for thousands of generations in the mountains, forests, and deserts of the American West. Their family herds existed in environmental harmony until man chose to "manage" them. Since then, every day more of America's wild horses disappear. But courageous people are trying very hard to reverse this, most notably, young people who feel a kinship with these often misunderstood creatures."--

The Simple Wild

A Novel *Simon and Schuster*
City girl Calla Fletcher attempts to reconnect with her estranged father, and unwittingly finds herself torn between her desire to return to the bustle of Toronto and a budding relationship with a rugged Alaskan pilot in this masterful new romance from acclaimed author K.A. Tucker. Calla Fletcher was two when her mother took her and fled the Alaskan wild, unable to handle the isolation of the extreme, rural lifestyle, leaving behind Calla's father, Wren Fletcher, in the process. Calla never looked back, and at twenty-six, a busy life in Toronto is all she knows. But when her father reaches out to inform her that his days are numbered, Calla knows that it's time to make the long trip back to the remote frontier town where she was born. She braves the

roaming wildlife, the odd daylight hours, the exorbitant prices, and even the occasional—dear God—outhouse, all for the chance to connect with her father: a man who, despite his many faults, she can't help but care for. While she struggles to adjust to this new subarctic environment, Jonah—the quiet, brooding, and proud Alaskan pilot who keeps her father's charter plane company operational—can't imagine calling anywhere else home. And he's clearly waiting with one hand on the throttle to fly this city girl back to where she belongs, convinced that she's too pampered to handle the wild. Jonah is probably right, but Calla is determined to prove him wrong. As time passes, she unexpectedly finds herself forming a bond with the burly pilot. As his undercurrent of disapproval dwindles, it's replaced by friendship—or perhaps something deeper? But Calla is not in Alaska to stay and Jonah will never leave. It would be foolish of her to kindle a romance, to take the same path her parents tried—and failed at—years ago. It's a simple truth that turns out to be not so simple after all.

Wild at Heart Field Guide, Revised Edition

Discovering the Secret of a Man's Soul *HarperChristian Resources*

In *Wild at Heart*, bestselling author John Eldredge thrust a generation of men, young and old, toward a journey to recover true masculinity—the soul of a man as God designed him. He reminded men they needed adventure in their lives—in their work, in their love, and their spiritual lives—and showed how God designed them to be dangerous. Sadly, most men today have abandoned these dreams and desires—aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. The *Wild at Heart Field Manual*, which corresponds chapter-by-chapter with the book, helps men understand how God wants to heal these deep wounds from earlier years that take away their confidence and, in some case, their masculinity. Men will discover that deep within their heart is a longing for a battle to fight, an adventure to live, and a beauty to rescue—because that is how God created them. It is time for the church to reclaim these wounded warriors. It is time to give men permission to be what God designed them to be—dangerous, passionate, alive, and free! Packed with new information and insights, the *Wild at Heart Field Manual* guides men along "the road less traveled." Filled with probing questions, creative exercises, and space to record personal field notes, this companion volume is designed to transition men from reading about the wild heart to living from it.

Wild at Heart

The Dangers and Delights of a Nomadic Life *Allen & Unwin*

Miriam Lancewood's first book *Woman in the Wilderness* told her story of living for seven years in the wilderness of New Zealand with her husband, hunting and gathering, and roaming the mountains like nomads. Miriam and Peter left New Zealand to explore other wild places. They walked 2000 km through the forests of Europe and along the coast of Turkey, mostly camping under trees and cooking by fire. They lived on the edge, embracing insecurity, and found the unexpected: sometimes it was pure bliss, sometimes it was terrifying. But when they moved on to the Australian desert, they met with disaster. This gripping story is about life and death, courage and the power of love.

Wild at Heart

From the moment French-born Alienor encountered a pair of wild

horses in the Australian outback, she was transfixed. Fiercely loved by some and considered a scourge by others, brumbies have a complicated place in Australian culture and history. Inspired to celebrate their character, Alienor tamed three brumbies and teamed up with them to conquer Australia's longest trek. *Wild At Heart* follows Alienor and her horses on a three-year journey stretching an extraordinary 5330 kilometres from Healesville in Victoria to Cooktown in tropical Far North Queensland. Through her travels across some of Australia's most spectacular terrain, battling isolation and the elements, she built a profound bond with her horses and made life-changing discoveries where she least expected. Featuring stunning photography from world-renowned adventure photographer Cat Vinton, *Wild at Heart* is a quintessentially Australian story of breathtaking beauty and indomitable spirit.

Wild at Heart

America's Turbulent Relationship with Nature, from Exploitation to Redemption *St. Martin's Press*

"Alice Outwater's infectiously readable *Wild at Heart* captures the essence of ecology: Everything is connected, and every connection leads to ourselves." —Alan Weisman, author, *The World Without Us* and *Countdown* "A wonderful book. Information rich to say the least, and the indigenous human connections and portrait of the deep connectivity of nature, are both strong elements." —Jim McClintock, author of *A Naturalist Goes Fishing* Nature on the brink? Maybe not. With so much bad news in the world, we forget how much environmental progress has been made. In a narrative that reaches from Native American tribal practices to public health and commercial hunting, *Wild at Heart* shows how western attitudes towards nature have changed dramatically in the last five hundred years. The Chinook gave thanks for King Salmon's gifts. The Puritans saw Nature as a frightening wilderness, full of "uncooked meat." With the industrial revolution, nature was despoiled and simultaneously celebrated as a source of the sublime. With little forethought and great greed, Americans killed the last passenger pigeon, wiped out the old growth forests, and dumped so much oil in the rivers that they burst into flame. But in the span of a few decades, our relationship with nature has evolved to a more sophisticated sense of interdependence that brings us full circle. Across the US, people are taking individual action, planting native species and fighting for projects like dam removal and wolf restoration. Cities are embracing nature, too. Humans can learn from the past, and our choices today will determine whether nature survives. Like the First Nations, all nations must come to deep agreement that nature needs protection. This compelling book reveals both how we got here and our own and nature's astonishing ability to mutually regenerate.

Wild at Heart

Man and Beast in Southern Africa *National Geographic Books*

Full-color photographs capture the rich natural beauty of southern Africa, offering extraordinary portraits of wildlife as well as the interconnection of the region's diverse human inhabitants with the natural world.

Wild at Heart *Zoe York*

He's the guy everyone loves, and she's the outsider who knows better than to fall for the town's favourite golden boy. Everyone in Pine Harbour loves Will Kincaid—except the one person he cares about actually impressing. Can grown men have crushes on their frenemies? When Catie joins the small town's Search and

Rescue team, Will finds himself spending every Thursday night swapping glares with the hairdresser while they get in each other's way. Catie Berton has a long list of reasons why Will is an arrogant jerk. But the more time she spends with him, the more she's forced to admit sometimes they make a good team. That doesn't change the fact that Will has always been her right crush, wrong guy. When the SAR goes on a road trip to a competition, she surprises herself by agreeing to ride shotgun in his truck. The long drive could be a chance to repair a shredded friendship, if Catie can get past her complicated feelings for the too-attractive-for-his-own-good school principal. Because Catie knows all too well how cold a small town can be to an outsider who wants too much happiness from one of their own. Return to Pine Harbour, in this frenemies to lovers small town romance about two people looking to find themselves in the shadow of community expectations. Also available in this series: standalone novels *Reckless at Heart* and *Fierce at Heart*. Each book is about a different couple.

Wild at Heart *Harlequin*

SIMPLY THE BEST The prodigal daughter? All her life Rio had been considered wild, from the wrong kind of family. Only one man had shown any faith in her—Kane Langtry's father. But it wasn't a case of like father, like son. Kane respected his father's wishes when he left Rio half the family ranch—but he didn't respect Rio.... Living with her was driving Kane crazy.... Except he was starting to realize that he didn't hate her—he wanted her! They had so much in common. Both wary of love, but both passionate and wild at heart. Kane wasn't sure he could tame Rio, but suddenly he desperately wanted to try! **SIMPLY THE BEST.** Authors you'll treasure, books you'll want to keep!

Now and Forever (Wild at Heart Book #2) *Baker Books*

Saddle up for romance and adventure with the Wilde sisters! Shannon Wilde is the middle sister--and the one who loves animals. She's established her own homestead and is raising sheep for their wool. Things are going fine...until Shannon gets swept over a cliff by Matthew Tucker! Tucker seizes every opportunity to get away from civilization, but one particular walk in the woods ends with him sprinting away from an angry grizzly and plunging into a raging river, accidentally taking Shannon Wilde with him. Their adventure in the wilderness results in the solitary mountain man finding himself hitched to a young woman with a passel of relatives, a homestead, and a flock of sheep to care for. As Tucker and Shannon learn to live with each other, strange things begin to happen on Shannon's land. Someone clearly wants to drive her off, but whoever it is apparently didn't count on Tucker. Trying to scare Matthew Tucker just makes him mad--and trying to hurt the woman he's falling in love with sets off something even he never expected.

Wild at Heart *Drago Arts & Comm*

In its own contemporary way, the art of Miss Van traces the taste of a metaphorical dance with female nudes reminiscent those painted by the likes of Klimt, Frida Kahlo and Lempicka. Always fleeing from the dictates of Street Art despite being its appointed luminary, Miss Van continues to bring us her unique and unbridled vision, shaping the iconography of the modern femme fatale. In her own inimitable style, she is once again both the romantic tamer and sassy ballerina of the surreal circus that is the art of our times.

Wild at Heart

Raised in the woods, without speech or civilization, the "lost man" was locked away to be studied, treated more like an animal than

a human being. Only Sydney, daughter of a renowned anthropologist, saw beyond the wildness to see the man.

Stairs to the Roof

A Prayer for the Wild of Heart that are Kept in Cages *New Directions Publishing*

A play produced only twice in the 1940s and now published for the first time reveals that Tennessee Williams anticipated the themes of *Star Trek* by decades.

The Importance of Being Wilde at Heart *Delacorte Press*

Words have always been more than enough for Ken Z, but when he meets Ran at the mall food court, everything changes. Beautiful, mysterious Ran opens the door to a number of firsts for Ken- first kiss, first love. But as quickly as he enters Ken's life, Ran disappears, and Ken Z is left wondering- Why love at all, if this is where it leads? Letting it end there would be tragic. So, with the help of his best friends, the comfort of his haikus and lists, and even strange, surreal appearances by his hero, Oscar Wilde, Ken will find that love is worth more than the price of heartbreak.

Tried and True (Wild at Heart Book #1) *Baker Books*

Saddle up for a wildly fun ride with the Wilde sisters! Kylie Wilde is the youngest sister--and the most civilized. Her older sisters might be happy dressing in trousers and posing as men, but Kylie has grown her hair long and wears skirts every chance she gets. It's a risk--they are homesteading using the special exemptions they earned serving in the Civil War as "boys"--but Kylie plans to make the most of the years before she can sell her property and return to the luxuries of life back East. Local land agent Aaron Masterson is fascinated with Kylie from the moment her long hair falls from her cap. But now that he knows her secret, can he in good conscience defraud the U.S. government? And when someone tries to force Kylie off her land, does he have any hope of convincing her that marrying him and settling on the frontier is the better option for her future? "Another great laugh-out-loud historical romance with memorable characters who have charm, style, grace, and a bit of mischief." --RT Book Reviews on *In Too Deep* "Connealy's style is fast-paced and spritely and sure to keep drawing fans." --Publishers Weekly "With her trademark humor, Connealy weaves a delightful tale that is sure to please her fans and win new readers." --Library Journal on *Over the Edge*

Wild at Heart Field Manual

A Personal Guide to Discover the Secret of Your Masculine Soul *Thomas Nelson*

In his book *Wild at Heart*, author John Eldredge thrust a generation of men, young and old, toward a journey to recover true masculinity?the soul of a man as God designed him. If you've already begun the journey, you know how thrilling?and hard?it can be. So you may have longed for a tool to maximize the impact, a guide to show the way. Packed with new information and insights, the *Wild at Heart Field Manual* guides you along "the road less traveled." Filled with probing questions, creative exercises, and space to record personal field notes, this companion volume is designed to transition you from reading about the wild heart to living from it. For too long, the call of Christianity to men has evoked no higher goal, ultimately, than becoming a "nice guy." No wonder many men are bored to tears with church. The hero instinct has been trained out of them. But Eldredge invites men to come alive again, to find their great battle, adventure, and beauty. If you dare . . . keep reading. Your

life will never be the same.

The Daily Show (The Book)

An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests *Grand Central Publishing*

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Becoming a King

The Path to Restoring the Heart of a Man *Thomas Nelson*

Morgan Snyder's *Becoming a King* unabashedly speaks directly to men, teaching them the life-changing truth about the power that God intends for them to responsibly step into for his kingdom, while also giving women an honest peek behind the curtain into the lives and hearts of the men they know and love. It is God's design, desire, and intention to empower humans and entrust them to participate in the ongoing creativity of the universe. Yet a look at our history and the world around us shows that the story of most men is being entrusted with power and having that power bring harm to themselves and those under their care. What's gone wrong? When can you entrust a man with power? In *Becoming a King*, Morgan Snyder shares that when we take a deeper pass at the external problems around us, we begin to see the problems within our souls. Yet Morgan suggests there is hope in an ancient path that leads men to become trustworthy kings. Journey with Morgan as he walks alongside men (and the women who love and encourage them) to rediscover this path of inner transformation. *Becoming a King* is an invitation into a radical reconstruction of much of what we've come to believe about God, ourselves, and the meaning of life. It's an invitation to a rare and remarkable fellowship of like-hearted kings and an honest conversation about what power and responsibility look like for men in our world today. Traveling the path isn't cheap. It isn't easy. It isn't quick. But it is the heroic journey detailed within the pages of *Becoming a King* that leads to real life; to men becoming as solid and mighty as oak trees, teeming with strength and

courage to bring to a hurting world; and to our sons, husbands, brothers, and friends becoming the kind of kings to whom God can entrust his kingdom.

Fathered by God

Learning What Your Dad Could Never Teach You *Thomas Nelson*

There is a path leading to authentic manhood, cut by men who have gone before us, sons following in the footsteps of their fathers, generation after generation. There are perils along the trail, even disasters?all the more reason to rely on the guidance of a Father who has gone before. But in an age when true fathers are in short supply, how do you find the path to manhood? How do you steer clear of the dangers? John Eldredge calls men back to a simple and reassuring truth: God is our Father. In life's trials and triumphs, God is initiating boys and men through the stages of manhood from Beloved Son to Cowboy to Warrior to Lover to King to Sage. *Fathered by God* maps out the path of manhood?not more rules, not another list of principles, not formulas, but a sure path men have followed for centuries before us. Find that path and become the man God sees in you.

Wild at Heart *Saint Martin's Paperbacks*

Horse Breeds and Human Society

Purity, Identity and the Making of the Modern Horse *Routledge*

This book demonstrates how horse breeding is entwined with human societies and identities. It explores issues of lineage, purity, and status by exploring interconnections between animals and humans. The quest for purity in equine breed reflects and evolves alongside human subjectivity shaped by categories of race, gender, class, region, and nation. Focusing on various horse breeds, from the Chincoteague Pony to Brazilian Crioulo and the Arabian horse, each chapter in this collection considers how human and animal identities are shaped by practices of breeding and categorizing domesticated animals. Bringing together different historical, geographical, and disciplinary perspectives, this book will appeal to academics, as well as undergraduate and postgraduate students, in the fields of human-animal studies, sociology, environmental studies, cultural studies, history, and literature.

Walking with God

Talk to Him. Hear from Him. Really. *Thomas Nelson*

"This is a series of stories of what it looks like to walk with God, over the course of about a year." So begins a remarkable narrative of one man's journey learning to hear the voice of God. The details are intimate and personal. The invitation is for us all. What if we could hear from God . . . often? What difference would it make? We have a lot to sort through on any given day. A whole lot to navigate over the course of a week or a month. Am I in the right place? The right relationships? How am I going to come up with enough money to do the things I want to do? And what about love—is this the one? Will it last? What is causing all those fears I keep pushing down inside? Why can't I overcome those "habits" that look more and more like addictions? Am I at the right church? Should I even go to church? What is God doing in my life? All day long we are making choices. It adds up to an enormous amount of decisions in a lifetime. How do we know what to do? We have two options. We can trudge through on our own, doing our best to figure it all out. Or, we can walk with God.

As in, learn to hear his voice. Really. We can live life with God. He offers to speak to us and guide us. Every day. It is an incredible offer. To accept that offer is to enter into an adventure filled with joy and risk, transformation and breakthrough. And more clarity than we ever thought possible.

The Midwest Survival Guide

How We Talk, Love, Work, Drink, and Eat . . . Everything with Ranch *HarperCollins*

New York Times Bestseller A hilarious full-color guide to Midwestern culture, from comedian and journalist Charlie Berens, creator of the viral comedic series "The Manitowoc Minute" Have you ever had a goodbye lasting more than four hours? Do you lack the emotional capacity to say "I love you" so you just tell your loved ones to "watch out for deer"? Have you apologized to a stranger because she stepped on your foot? If you answered yes to any of these questions, there's a good chance you're a Midwesterner—or a Midwesterner at heart. Even if you answered no, you probably know someone who held the door for you from two football fields away. He likely waved at you and said, "Hey there," like you organized the church bar crawl together. That was a Midwesterner in the wild. We understand that your interaction was strange—but it's likely to get stranger. Don't wait until they stick their head in your second-floor window to invite you over for a perch fry because they climbed on your roof to clean your gutters. There's no need to pull the pepper spray; this species is helpful by nature. And the relationship could be very symbiotic—but only if you let it happen. And that's where this book comes into play. Inspired by my comedy tours across the Midwest and life growing up in Wisconsin, this book is an exploration into my favorite region on Earth. Some may think the Midwest is just a bunch of bland flyover states filled with less diversity than a Monsanto monoculture. But scratch that surface with your buck knife and you'll find rich cultures and traditions proving we're more than just fifty shades of milk. So whether you're a born-and-bred Midwesterner looking to sharpen your skill at apologies or a costal elite visiting the in-laws for the holidays, this book will help you navigate the Midwest, with everything from the best flannel looks to dating and mating rituals (yes, casserole is involved) to climbing the corporate corn silo to how to handle a four-way stop—and every backyard brat fry in between. And for those of you who don't like reading, don't worry—we've got pictures! Toss in illustrations, sidebars, quizzes, and jokes worthy of a supper club stall and The Midwest Survival Guide is just the walleye-deep look into this distinctive, beautiful, and bizarre American culture you've been looking for.

Group Therapy *BB Easton*

From the Wall Street Journal bestselling author of 44 Chapters About 4 Men (inspiration for the 4th Most-Watched Netflix Original Series of all time, Sex/Life) comes a fun, forbidden romantic comedy about an inexperienced psychologist and her ultra-famous client. I am thiiiiis close to finally becoming a full-fledged psychologist. PhD? Check. Prestigious postdoc position, providing therapy to entitled millionaires and C-list celebrities whose pumpkin spice lattes cost more than my Converse and make excellent projectiles during their reality TV-worthy tantrums? Check. Letter of recommendation from my velociraptor-like supervisor? That's going to take a miracle. Not only because my boss said I have to cure our most-prized client's writer's block in time for him to meet his insane deadline, but also because that client just so happens to be ... Thomas F*@%ing O'Reardon. Yeah, that Thomas O'Reardon. The wickedly brilliant, achingly beautiful, devastatingly British best-selling

author whose psychological thrillers line my bookshelf at home and whose face I might or might not picture while I ... you get the point. Sitting in a confined space with him; inhaling the crisp, clean scent of his cologne; gazing into his broody blue eyes while trying to remember to nod and listen and come up with suggestions that don't involve taking our clothes off ... it's torture. So, when Thomas casually asks me out at the end of a therapy session, I'm forced to make an impossible choice: say yes and risk losing my dream job, or say no and risk losing my dream guy. In a panic, I blurt out a third option—the only solution I can think of that will allow me to see this man after hours without it being considered a career-ending ethics violation: Group therapy. The only problem? I've never actually done group therapy. And side problem: my other clients are heathens. But what's the worst that could happen? I mean, it's not like I'm going lose all control of the group and let it devolve into a chaotic, bloodthirsty, topless fight club. Right?

Wild at Heart

Animal Stories *Kingfisher*

The stories in this delightful anthology feature a wide variety of animals—from geese and otters to lions and mules. The impressive list of contributors includes three Nobel laureates. Classics such as Jack London's *The Call of the Wild*, Rudyard Kipling's *The Cat That Walked by Himself*, and Ernest Hemingway's *The Old Man and the Sea* accompany more recent favorites such as Charlotte's *Web* and Dick King-Smith's *Godhanger*. This anthology provides a terrific introduction to animal stories and acclaimed writers, past and present.

The Neighbors *MIRA*

Abby looks forward to meeting the family who just moved in across the street—until she realizes they're the one couple who could expose her deepest secrets After a night of fun back in 1992, Abby is responsible for a car crash that kills her beloved brother. It's a mistake she can never forgive, so she pushes away Liam, the man she loves most, knowing that he would eventually hate her for what she's done, the same way she hates herself. Twenty years later, Abby's husband, Nate, is also living with a deep sense of guilt. He was the driver who first came upon the scene of Abby's accident, the man who pulled her to safety before the car erupted in flames—the man who could not save her brother in time. It's this guilt, this regret, that binds them together. They understand each other. Or so Nate believes. In a strange twist of fate, Liam moves into the neighborhood with his own family, releasing a flood of memories that Abby has been trying to keep buried all these years. Abby and Liam, in a complicit agreement, pretend never to have met, yet cannot resist the pull of the past—nor the repercussions of the terrible secrets they've both been carrying...

The Jungle Book

Age of Cage

Four Decades of Hollywood Through One Singular Career *Henry Holt and Company*

Icon. Celebrity. Artist. Madman. Genius. Nicolas Cage is many things, but love him, or laugh at him, there's no denying two things: you've seen one of his many films, and you certainly know his name. But who is he, really, and why has his career endured for over forty years, with more than a hundred films, and birthed a million memes? *Age of Cage* is a smart, beguiling book about the films of Nicolas Cage and the actor himself, as well as a

sharp-eyed examination of the changes that have taken place in Hollywood over the course of his career. Critic and journalist Keith Phipps draws a portrait of the enigmatic icon by looking at—what else?—Cage’s expansive filmography. As Phipps delights in charting Cage’s films, *Age of Cage* also chronicles the transformation of film, as Cage’s journey takes him through the world of 1980s comedies (*Valley Girl*, *Peggy Sue Got Married*, *Moonstruck*), to the indie films and blockbuster juggernauts of the 1990s (*Wild at Heart*, *Leaving Las Vegas*, *Face/Off*, *Con Air*), through the wild and unpredictable video-on-demand world of today. Sweeping in scope and intimate in its profile of a fiercely passionate artist, *Age of Cage* is, like the man himself, surprising, insightful, funny, and one of a kind. So, snap out of it, and enjoy this appreciation of Nicolas Cage, national treasure.

The Wim Hof Method

Activate Your Full Human Potential *Sounds True*

INSTANT NEW YORK TIMES BESTSELLER The only definitive book authored by Wim Hof on his powerful method for realizing our physical and spiritual potential. “This method is very simple, very accessible, and endorsed by science. Anybody can do it, and there is no dogma, only acceptance. Only freedom.” —Wim Hof Wim Hof has a message for each of us: “You can literally do the impossible. You can overcome disease, improve your mental health and physical performance, and even control your physiology so you can thrive in any stressful situation.” With *The Wim Hof Method*, this trailblazer of human potential shares a method that anyone can use—young or old, sick or healthy—to supercharge their capacity for strength, vitality, and happiness. Wim has become known as “The Iceman” for his astounding physical feats, such as spending hours in freezing water and running barefoot marathons over deserts and ice fields. Yet his most remarkable achievement is not any record-breaking performance—it is the creation of a method that thousands of people have used to transform their lives. In his gripping and passionate style, Wim shares his method and his story, including:

- **Breath**—Wim’s unique practices to change your body chemistry, infuse yourself with energy, and focus your mind
- **Cold**—Safe, controlled, shock-free practices for using cold exposure to enhance your cardiovascular system and awaken your body’s untapped strength
- **Mindset**—Build your willpower, inner clarity, sensory awareness, and innate joyfulness in the miracle of living
- **Science**—How users of this method have redefined what is medically possible in study after study
- **Health**—True stories and testimonials from people using the method to overcome disease and chronic illness
- **Performance**—Increase your endurance, improve recovery time, up your mental game, and more
- **Wim’s Story**—Follow Wim’s inspiring personal journey of discovery, tragedy, and triumph
- **Spiritual Awakening**—How breath, cold, and mindset can reveal the beauty of your soul

Wim Hof is a man on a mission: to transform the way we live by reminding us of our true power and purpose. “This is how we will change the world, one soul at a

time,” Wim says. “We alter the collective consciousness by awakening to our own boundless potential. We are limited only by the depth of our imagination and the strength of our conviction.” If you’re ready to explore and exceed the limits of your own potential, *The Wim Hof Method* is waiting for you.

The Wild Life of Sailor and Lula *Grove Press*

This collection contains explicit scenes of erotica and is not suitable for minors.

A Year with Men: A 12-Month Plan for Your Guys' Group

Wild at Heart Publishing

A Year with Men is your roadmap for focused weekly study with like-minded men over the course of a year. In the span of twelve months, you and a handful of men will undertake a shared mission through five units: *Wild at Heart*, *We All Have a Story*, *Becoming a King*, *Band of Brothers*, and *Fathered by God*. Written by New York Times best-selling author John Eldredge and Luke Eldredge, this is an invitation into authentic community that creates space for true fellowship, real healing, and the transformative presence of God.

April Fools *Createspace Independent Publishing Platform*

They say two heads are better than one. Fiona Adams has a man problem-she has too many in her life. And thanks to her unconventional family, she's wondering if she even has to settle for just one. Owen is the sweet boy (turned sexy man) she dated in college; Asher is the hot hunk starring in too many current fantasies. Both, unfortunately, are her coworkers, part of the writing team for the hit sitcom *Wild Winters*. She's lucky her dear friend and third writing partner, Teddy, is gay, or she'd really be in trouble. Fiona's resigned herself to having neither man...until the team decides to film the sitcom's season finale in her family's bar, Pat's Pub. While in Baltimore, under the influence of her crazy family and a wild April Fools party in the Collins Dorm, Owen and Asher take matters into their own hands-literally. Soon, between all the hot nights and real-life drama, the team can barely concentrate on work. It's becoming a case of life imitating sitcom...even more so when Fiona's most recent ex, Mr. Big Gesture himself, shows up to win her back-with his biggest gesture yet.
