When I was little I had a book of Aesop's Fables and I loved it so I
 wanted to get one for my daughter to enjoy also. I wanted as
 many fables as possible and thought that this book was just the
 thing but to fit this many stories in, they've condensed them to
 the point that some of them miss the point of the fable!

Aesop's celebrated collection of fables has always been popular
 with both adults and children. These simple tales embody truths
 so powerful, the titles of the individual fables - the fox and the
 grapes, the dog in the manger, the wolf in sheep's clothing and
 many others - have entered the languages and idioms of most
 European tongues.
